The working fund will be Permanent Improvement Fund 411.

STATEMENT OF PURPOSE: The purpose of this resolution is to formally concur with the award of the construction contract for the Rice Lake Road reconstruction project to KGM Contractors, Inc. for improvements in the amount of $4,072,366.47.

The Rice Lake Road reconstruction project is a combined project of the city and St. Louis County, pursuant to which the county will construct or replace sidewalks on adjacent Arrowhead Road and Technology Drive, and will construct a turn lane on Technology Drive and replace the existing signal system (city project no. 1758). Adjacent property owners, in accordance with agreements signed in 2019, will reimburse the city for sidewalk work on Technology Drove via special assessment.
