RESOLUTION AMENDING A CONTRACT WITH MSA PROFESSIONAL SERVICES, INC. TO PROVIDE PROFESSIONAL ENGINEERING AND CONSTRUCTION ADMINISTRATION SERVICES FOR THE RIVERWEST DRIVE CONSTRUCTION PROJECT, TO INCREASE THE AMOUNT BY $48,746.00 FOR A NEW TOTAL OF $253,246.25.

CITY PROPOSAL:
RESOLVED, that contract L30136 with MSA, Inc. for professional engineering services for the Riverwest Drive construction project, be amended to add $48,746.00 for additional construction inspection and design services beyond the scope of the current contract, as detailed in the attached proposal, for a new total of $253,246.25 payable from Permanent Improvement Fund 411, Department 035 (Capital Projects Accounts), Object 5530 (Improvements Other than Buildings), city project no. 1403.

STATEMENT OF PURPOSE: This resolution amends contract L30136 with MSA Professional Services, Inc. by an estimated amount of $48,746.00. This amendment is necessary because the time required to provide inspection and design services for the project is greater than what is in the scope of the contract. City staff requires assistance from MSA to perform construction inspection and design services for the Riverwest Drive Construction Project. The cost for this amendment will be added to the final assessment amount at the completion of the project. Payable out of Permanent Improvement Fund 411, Department 035 (Capital Projects Accounts), Object 5530 (Improvements Other than Buildings), city project no. 1403, requisition no. 21-0839.
