Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #5 - Strengthen neighborhoods

Governing Principle #8 - Encourage mix of activities, uses, and densities

- Econ. Dev. Policy #3 - Build on Existing Economic Strengths & Competitive Advantages
S9: Encourage expansion of the city's tourism economy through efforts to expand in areas of current activity, such as in Canal Park, but also through marketing and investment in destination neighborhoods and iconic tourism experiences unique to Duluth

Future Land Use – Central Business Secondary: An area adjacent to and supporting the central business primary area or a stand-alone area providing a similar mix of destination land uses but at a lower intensity than the primary CB area. Includes mixed regional and neighborhood retail, employment centers, public spaces, medium density residential, and public parking facilities.

Current History: Structure is currently a duplex with 6 bedrooms spread across the 2nd and 3rd floors. There was previously a real estate office on the main floor. A long-term rental is on the 3rd floor. The structure was built in 1900 and contains 3,936 square feet.

Review and Discussion Items:

- 1) Applicant's property is located at 20 North 12th Avenue East, Unit 1. The proposed vacation dwelling unit contains 1 bedroom, which would allow for a maximum of 3 guests.
- 2) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed Heirloom Property management at 202 East 1st Street to serve as the managing agent.
- 3) The site has room for the required vehicle parking with 9 total parking stalls. There will not be any campers or trailers parked on the property.
- 4) The site does not have any outdoor amenities.
- 5) A time limit on this Interim Use Permit ("IUP") is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the IUP shall expire upon

change in ownership of the property or in six years, whichever occurs first.

6) Applicant has applied for all relevant permits and licenses and these are contingent upon approval of the Interim Use Permit for a Vacation Dwelling Unit.

7) Applicant must comply with Vacation Regulations (included with staff report), including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").

8) No comments from citizens, City staff, or any other entity were received regarding the application.

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission approve the Interim Use Permit subject to the following:

1. The permit shall lapse if no activity is taken within one year of approval.
2. Any alterations to the approved plans that do not alter major elements of the plan may be approved by the Land Use Supervisor without further Planning Commission; however, no such administration approval shall constitute a variance from the provisions of Chapter 50
