Duluth Public Arts Commission: Submitted

Interests & Experiences

Why are you interested in serving on a board or commission?

To fulfill service to my city and community and to enhance public art in the city of Duluth, to help create a culture of visual arts and aesthetics in our city

Water/sewer and natural gas

Specify TWO utilities regulated by the Duluth Public Utilities Commission that you use and pay for:

Specify your expertise in the areas of utility operation, finance and utility construction, or other relevant experience and the duration of the experience.

I'm assuming this question is an error with the website, as I am attempting to apply for the Duluth Public Arts Commission board, not the public utilities. Regarding public art I have worked at Laumeier Sculpture Park in St. Louis MO as a preparator and installation specialist and I have 2 public murals, one of which is in Duluth. I have a strong interest in enhancing the quality and quantity of public art in Duluth and developing a culture that supports and takes pride in public art in this city
