Hello,

I'm writing to you to discuss the addition of a East Duluth Dog park. I am in favor of establishing the dog park. I am a dog owner in Lester Park and have lived all over the country and found that having a dog park has been very helpful to our dog. The dog park allows dogs to be dogs, it helps them socialize and become more comfortable with other dogs. In our case it allows our dog to be of leash since we don't have a gated yard he can play in. I see it as a playground for dogs, just like playgrounds for kids. Our dog is our kid, so please approve the Eastern dog park.

Thank you for your time.
