## Interests & Experiences

### Why are you interested in serving on a board or commission?

While I live in Cloquet, I have worked in downtown Duluth for over 20 years and feel like part of the community. I perform Human Resource functions as part of my existing job, was involved in public sector labor and employment law issues in my previous job, and I believe my experience can benefit the Civil Service Board.

None

**Specify your expertise in the areas of utility operation, finance and utility construction, or other relevant experience and the duration of the experience.**

Nothing in utilities. I do have a human resource management certification from UWS, perform HR duties, and have been a member of the Northland Human Resource Association that meets here in Duluth for the past two years.
