RESOLUTION DESIGNATING PARKING EMERGENCY STREETS.

**..Body**

CITY PROPOSAL:

RESOLVED, that resolution 19-0679 and any other resolution designating snow emergency routes is hereby superseded and of no future effect.

FURTHER RESOLVED, that pursuant to Section 33-97.3 of the Duluth City Code, 1959, as amended, those streets and highways or portions thereof subject to alternate side parking in Section 33-97.8 of the Duluth City Code are hereby designated as parking emergency streets.

**..Statement of Purpose**

STATEMENT OF PURPOSE: The purpose of this resolution is to repeal the designation of snow emergency routes designated as such under Duluth City Code Section 33-97.2 and marked with signs pursuant to repealed Section 33-97.7. Furthermore, the purpose of this resolution is to designate all those streets subject to the alternate side parking ordinance as parking emergency streets to which the provisions of Section 33-97.1 through 33-97.6 of the Duluth City Code shall apply. This designation will require those parking vehicles on alternate side parking streets to changeover to the other side of the street during a snow emergency. This designation will facilitate snow removal from streets across the city that street maintenance staff designate a Priority 2 streets.
