

**Council Agenda Item 25-0695R**

**MEETING DATE:** September 8, 2025

**SUBJECT/TITLE:** RESOLUTION AMENDING CONTRACT L31040 WITH SHORT ELLIOTT HENDRICKSON FOR THE RAILROAD STREET RECONDITIONING PROJECT, TO INCREASE THE AMOUNT BY \$246,150 FOR A NEW TOTAL OF \$409,405.00.

**SUBMITTED BY:** Joe Jurewicz, Public Works and Utilities, Engineering Division

**RECOMMENDATION:** Approve

**BOARD/COMMISSION/COMMITTEE RECOMMENDATION:** N/A

**PREVIOUS COUNCIL ACTION:** May 28, 2024, 24-0398R Resolution authorizing contract with SEH design engineering services for Railroad Street Reconditioning.

**BACKGROUND:** This resolution will authorize an amendment to Contract L31040 with Short Elliott Hendrickson (SEH) for additional engineering design services and the addition of construction engineering services for construction. The design services requested mostly consist of additional geotechnical investigation required to design the pavement section of the road.

**BUDGET/FISCAL IMPACT:** The working fund of this project will be Fund 440 with funding coming from federal aid, Municipal State Aid, and local funding from the Street System Maintenance Fund (290). This project is budgeted for FY2025.

**OPTIONS:** Approve or deny contract amendment.

**NECESSARY ACTION:** Approve award of contract amendment.

**ATTACHMENTS:** Project Area Map, Design Amendment Proposal, Construction Services Proposal
