Dear Ms. Jorgenson,

As you know, HealthPartners is committed to reducing the stigma of mental illness. HealthPartners joined with NAMI Minnesota and many others to launch and promote the MakeItOk campaign to encourage awareness and education about mental illness. We are committed to changing hearts and minds about the misperceptions of mental illness by encouraging open conversations and education on this topic.

We understand that the northeast community is interested in bringing the MakeItOk campaign into the community. HealthPartners is pleased to offer \$20,000 to fund the implementation of the MakeItOk campaign to support our members residing in the Carlton, Cook, Lake, and St. Louis Counties. The City of Duluth has agreed to be the recipient of the funds to be used to collaboratively on this regional initiative in partnership with the Carlton Cook Lake and St. Louis Community Health Board.

Sue Tobias and Ashly Maiers from HealthPartners will be in touch with you to provide technical support to implement the campaign.

Thank you for your commitment and passion towards improving the health of the northeast communities. We look forward to our continued partnership through this project.

Sincerely,

A handwritten signature in black ink that reads "Donna Zimmerman".
