

**Council Agenda Item**

**MEETING DATE: 2/9/2026**

**SUBJECT/TITLE:** RESOLUTION 26-0094R AUTHORIZING THE PURCHASE ON ONE WESTERN STAR TANDEM DUMP TRUCK CHASSIS FROM BOYER TRUCKS SUPERIOR FOR THE AMOUNT OF \$175,541.18.

**SUBMITTED BY:** William Bourassa, Fleet Services Division

**RECOMMENDATION:** Approve

**BOARD/COMMISSION/COMMITTEE RECOMMENDATION:** N/A

**PREVIOUS COUNCIL ACTION:** Council Resolution 25-0919R approving 2026 Capital Equipment budget.

**BACKGROUND:** This resolution authorizes the purchase of one Western Star tandem dump truck chassis from Boyer Trucks Superior for the amount of \$175,541.18 per MN state contract T-647(5) contract number 242594. This purchase is budgeted for in 2026 Capital Equipment Plan. The 2014-2015 Fleet Study found that, in order to minimize total City vehicle costs for purchase and maintenance, vehicles of this kind should be replaced before they reach 12 years old. This purchase will replace unit 1717 which was purchased in 2003 with maintenance accumulating 125% of the original purchase price. Truck 1717 also has a mechanical failure limiting its usefulness. Unit 1717 will be sold at public auction.

**BUDGET/FISCAL IMPACT:** RESOLVED, that the proper city officials are authorized to purchase one tandem dump truck chassis from Boyer Trucks Superior for the amount of \$175,541.18, payable from funds

\$61,439.42 510-500-1910-5580 (water; Public Works and Utilities; rolling stock; capital equipment)

\$43,885.29 520-500-1910-5580 (gas; Public Works and Utilities; rolling stock; capital equipment)

\$43,885.29 530-500-1910-5580 (sewer; Public Works and Utilities; rolling stock; capital equipment)

\$26,331.18 535-500-1910-5580 (stormwater; Public Works and Utilities; rolling stock; capital equipment)

**OPTIONS:** Approve to continue supporting safe and effective Public Works Utilities operations. The existing unit is 23 years in service and far beyond the useful life. Not replacing this unit will require the replacement of the dump body at significant cost.

**NECESSARY ACTION:** Approve the purchase of Western Star dump body chassis.

**ATTACHMENTS:**
