The applicant proposes to use Unit 1 as a vacation rental. This unit contains 4 bedrooms. This is a new application and is on the eligibility list.

Recommended Action: Staff recommends that Planning Commission approve the interim use permit.

	Current Zoning	Existing Land Use	Future Land Use Map Designation
Subject	MU-N	Vacation rental	Central Business Secondary
North	MU-N	Residential	Central Business Secondary
South	F-4	Dental office	Central Business Secondary
East	MU-N	Multi-family	Central Business Secondary
West	MU-N	Residential	Central Business Secondary

Summary of Code Requirements:

UDC Section 50-19.8. Permitted Use Table. A vacation dwelling unit is an Interim Use in the MU-N zone district.

UDC Section 50-20.3. Use-Specific Standards. Lists all standards specific to vacation dwelling units.

UDC Sec. 50-37.10.E . . . the commission shall only approve an interim use permit, or approve it with conditions, if it determines that: 1. A time limit is needed to protect the public health, safety and welfare from potential longer term impacts of the requested use in that location; 2. The applicant agrees to sign a development agreement with the city.

Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities.

A short-term rental allows property owners to generate income and provides a service for tourists.

Future Land Use – Central Business Secondary: An area adjacent to and supporting the primary central business area or standalone area providing a similar mix of destination land uses but as a lower intensity than the primary CB uses. Includes mixed regional and neighborhood retails, employment centers, public spaces, medium density residential, and public parking facilities.

History: The subject property, 1421 E Superior St, was built in 1899. The existing structure is a 7-bedroom, two-family home, including four bedrooms in Unit 1.

Review and Discussion Items:

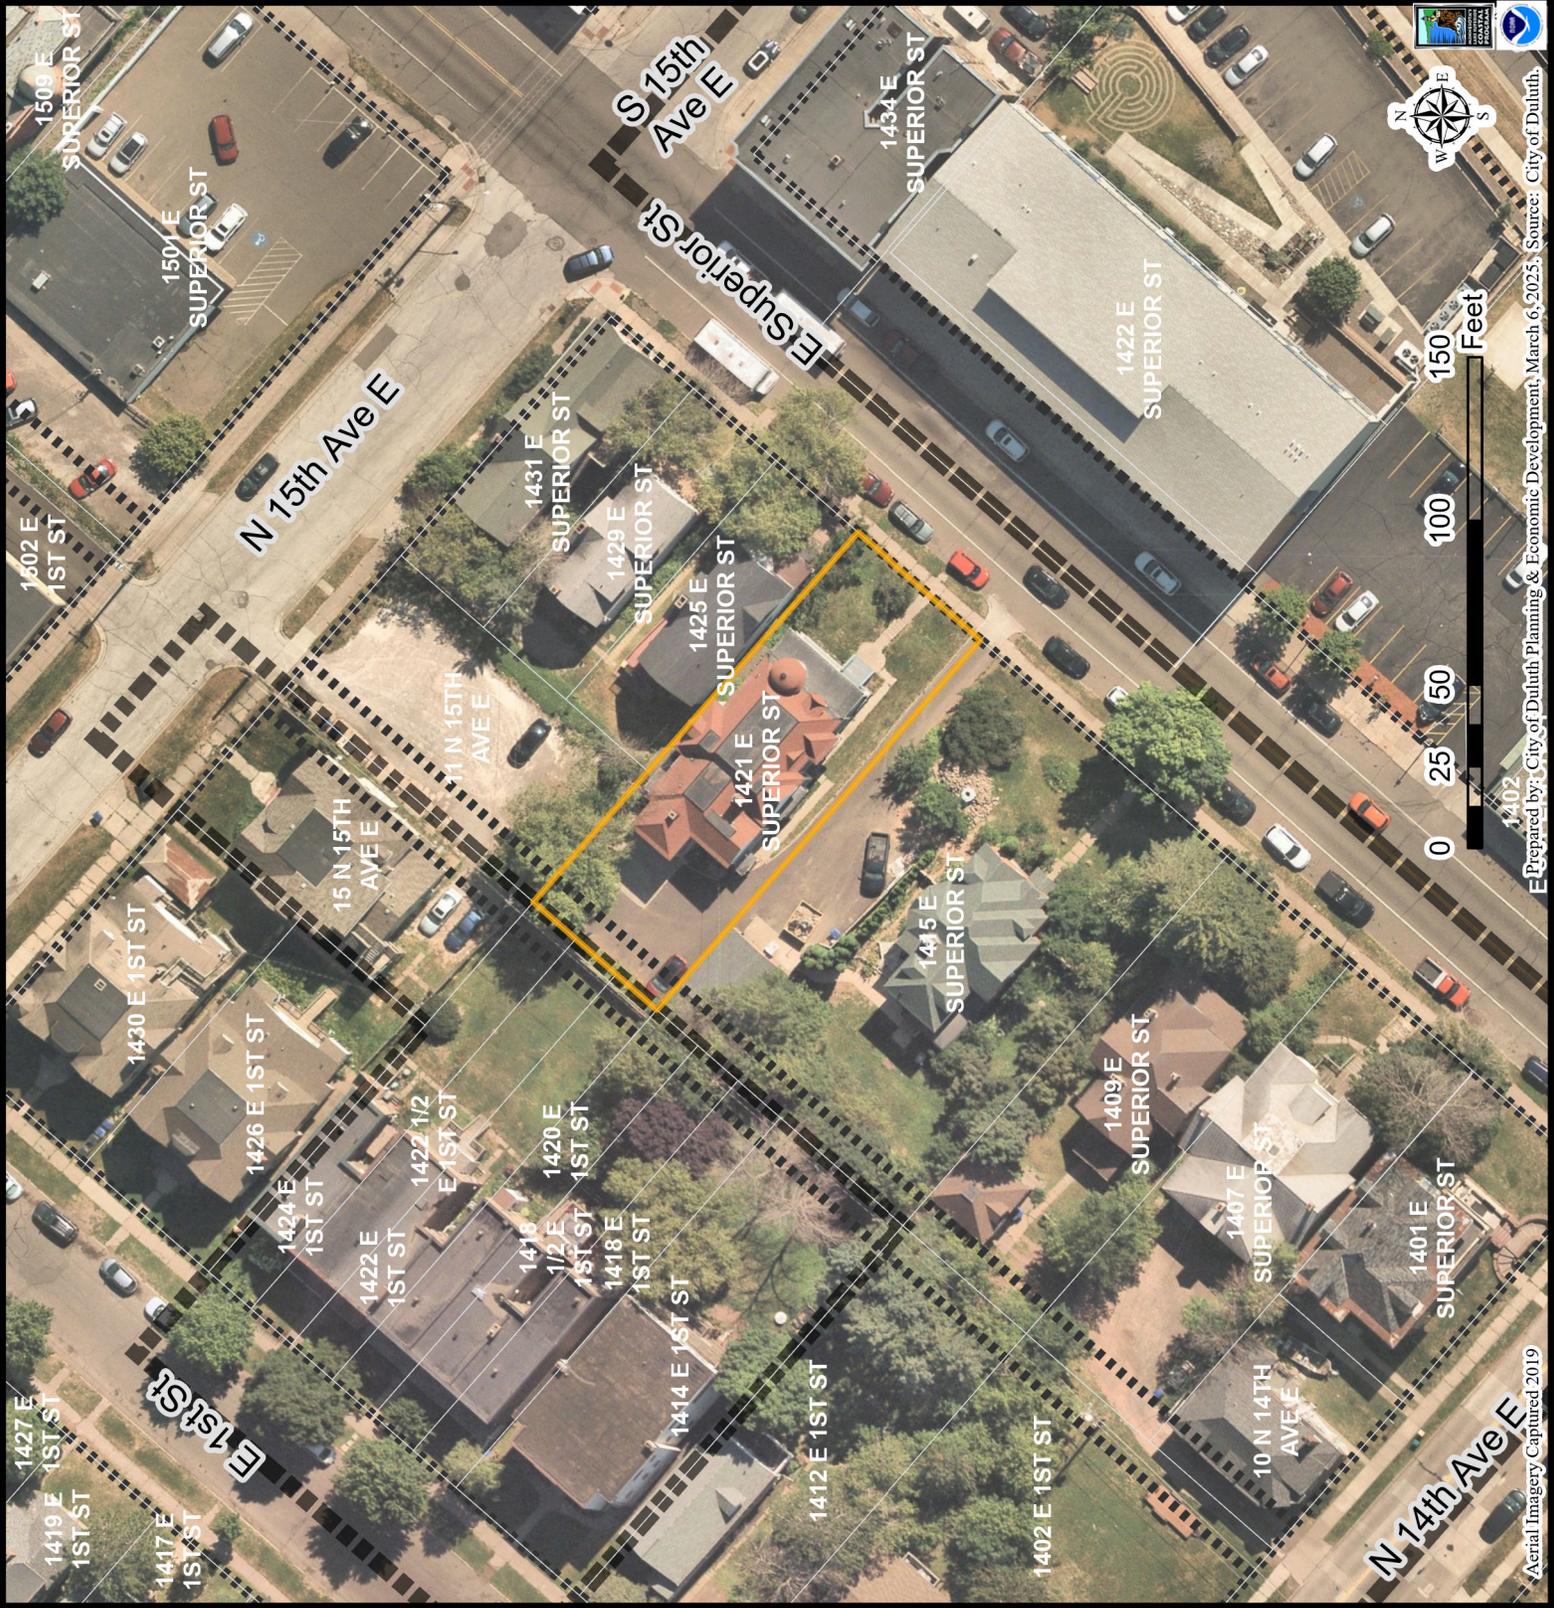

Staff finds that:

- 1) The applicant's property is located at 1421 E Superior St. The dwelling unit contains 4 bedrooms, which allows for a maximum of 9 guests.
- 2) This is a new application. The applicant was on the eligibility list. Staff does not have record of any violations or enforcement actions relating to the subject property.
- 3) The minimum rental period will be two nights.
- 4) The applicant is proposing three off-street parking stalls, located in the parking lot on the west side of the building. Three off-street parking stalls meets the minimum requirement for a 4-bedroom vacation dwelling unit under UDC Sec. 50-20.3.V.3.
- 5) The applicant has indicated they will not allow motorhome or trailer parking.
- 6) The site plan does not indicate any outdoor amenities.
- 7) The site plan shows existing screening/buffering of outdoor space at the northeast corner of the rear yard from the adjacent property. The east side yard is not subject to screening requirements due to there being no usable outdoor space. Screening is not required in the front yard area abutting a street. The west side of the property features a shared driveway and does not mean the requirement of a dense urban screen per UDC 50-20.3.V.7, requiring a waiver from the abutting owner from screening requirements prior to operating the proposed short-term rental.
- 8) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holders must provide contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed Heirloom Property Management to serve as the managing agent.
- 9) A time limit is needed on this Interim Use Permit ("IUP") to protect the public health, safety and welfare from potential longer-term impacts of the requested use at the location of the subject property. Section 50-20.3.V.9 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.
- 10) Applicant must comply with the City's vacation dwelling unit regulations, including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").
- 11) There are currently 183 licensed vacation dwelling units in the city, with 92 of those in form districts; the remaining 91 are subject to the cap of 110. The subject property is located within a residential district and is subject to the cap.
- 12) No City, public or agency comments were received.
- 13) The permit will lapse if no activity takes place within 1 year of approval.

Staff Recommendation:

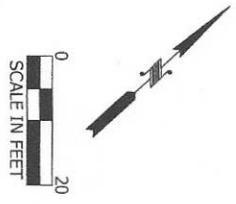

Based on the above findings, Staff recommends that Planning Commission approve the permit subject to the following conditions:

- 1) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
- 2) The applicant must submit a waiver from screening requirements to Planning by the abutting property owner at 1415 E Superior St, prior to the operation of the short-term rental unit.
- 1) Any alterations to the approved plans that do not alter major elements of the plan and do not constitute a variance from the provisions of Chapter 50 may be approved by the Land Use Supervisor without further Planning Commission review.
