The City reserves the right to cancel or postpone training class start dates due to lack of enrolled participants or other circumstances.

2. PERFORMANCE. The Grantee must comply with all requirements applicable to the City in the Master Grant Agreement and/or Project Specific Plan. Grantee’s default under the Project Specific Plan will constitute noncompliance with this Agreement. If the City finds that there has been a failure to comply with the provisions of this Agreement or that reasonable progress on the Program has not been or will not be made, the City may act to protect its interests, including refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed. If action to correct substandard performance is not taken by the Grantee within 60 calendar days (or such longer period specified by the City) after written notice by the City, the City may terminate this Agreement.

3. TIME OF PERFORMANCE. Grantee may start the Program and begin incurring Program costs on the effective date of the City’s Pathways to Prosperity Program grant agreement with DEED, and complete the Program for SFY2024-2025 on or before June 30, 2025. The City is not

obligated to pay for any Program costs incurred after that date or any earlier termination, whichever occurs first. Grantee's proposed budget is outlined in the P2P SFY 2024 and SFY 2025 Budget, attached as *Exhibit I*. If the total funding allocation remains unchanged, Grantee may change how funds are allocated within the budget categories listed in *Exhibit I* with the prior written approval of the Workforce Development Director. Invoices, using *Exhibit J*, must be submitted on a monthly basis or other timeframe approved in writing by the Workforce Development Director. Grantee's RPR – Reimbursement Payment Request and Performance Outcomes (Invoice Template Example), is attached as *Exhibit J*. A final invoice must be received by July 31, 2025. - C. **Relationship of the Parties.** It is agreed that nothing herein contained in intended or should be construed in any manner as creating or establishing the relationship of co-partners, joint ventures, or joint enterprise between the parties hereto or constituting either party as an agent, representative or employee of the other for any purpose or in any manner whatsoever.

INTRODUCTION

This guide is one of the tools used to determine whether the Minnesota Department of Employment and Economic Development's (DEED) providers/grantees (referred to as grantee, moving forward) have developed and implemented sound administrative, financial and accounting strategies, policies, procedures, and systems to ensure the grantee (itself as an entity) and any subgrantees have the administrative and fiscal capacity, and financial health to carry out the activities of the grant, serve grant participants, manage the grant funds, and segregate the multiple funding sources to ensure optimal use of the grant funds. Monitoring is not only to be carried out by DEED at the grantee level, but also by the grantee at the subgrantee level.

The Annual Assessments/Local Unified Plan (as applicable), Equal Opportunity (EO) and Americans with Disabilities Act (ADA) Annual Assessment, and program monitoring reports, etc. will be reviewed as they relate to the various sections of this Guide.
