Subject: DWP - Prairie Restoration

Alysa, Heidi, Jim,

Jeff from Prairie Restoration gave us two options to reduce the budget by the \$6800 requested:
1) reduce the number of larger trees by 45
2) push the overspray of the buckthorn to next year, allowing time for the City to budget the \$6800. Jeff is thinking the juvenile plants may not need the spray this summer due to the size of the materials removed.

Hope this helps and please let me/us know the direction.

Thanks,
Luke
