ZONING REVIEW

BAR ZONING MAP: Map number 1.7
 On 1/17/2018, the City of Duluth, Minnesota, adopted Ordinance 19.01, which amended the Bar Zoning Map. The map shows the location of the proposed building and the surrounding area. The building is located in the Bar Zone, which is designated for the use of a bar or restaurant. The map also shows the location of the proposed beer garden, which is located in the Beer Garden Zone. The Beer Garden Zone is designated for the use of a beer garden or outdoor seating area. The map also shows the location of the proposed dumpster screening, which is located in the Dumpster Screening Zone. The Dumpster Screening Zone is designated for the use of a dumpster screening or storage area.

CODE REVIEW

BUILDING CODES USED: 2015 Minnesota Building Code (MBC) and 2015 Minnesota Fire Code (MFC).
 Chapter 5: The Minnesota Building Code (MBC) is the primary code governing the construction of buildings. It covers a wide range of topics, including structural requirements, fire safety, and accessibility. The code is updated regularly to reflect changes in building technology and safety standards.
 Chapter 7: The Minnesota Fire Code (MFC) is the primary code governing the fire safety of buildings. It covers a wide range of topics, including fire alarm systems, fire extinguishers, and fire escape routes. The code is updated regularly to reflect changes in fire safety technology and standards.
 Chapter 12: The Minnesota Accessibility Code (MAC) is the primary code governing the accessibility of buildings. It covers a wide range of topics, including the design of accessible routes, accessible buildings, and accessible public spaces. The code is updated regularly to reflect changes in accessibility technology and standards.

SHEET #
C0.3

Business requesting expansion of licensed premise.	Yes/No	Duluth Police Department Administrative Review
5. Have the police been called or responded to your business in the past 2 years? If so, why? Please describe each incident. NO		A business requesting expansion of licensed premise for outdoor designated serving areas must demonstrate a sustained history of maintaining a lawful and safe business by adhering to all laws without police intervention. The Department will research and evaluate the details of all police response in the preceding two years. Notes:
6. Do you request sound amplification in the proposed outside designated serving area? YES - WE MAY WANT SOME BACKGROUND MUSIC	ONE ↑ SPEAKER	Is sound amplification compatible to the reasonable quiet enjoyment of the neighborhood? Notes:
7. What is your plan to control ingress and egress of patrons to and from the proposed expansion of licensed premise for outdoor designated serving area? Approval of any outdoor designated serving area must show the ability to control the ingress or egress of patrons to and from the business to control public consumption, underage consumption and all other liquor laws. Ingress and egress should occur through the original licensed premise, not the expanded licensed area. Windows and surveillance equipment desired for continuous monitoring of patron activity. WE WOULD CONTROL SEATING WITH STAFF AND PERIMETER CONTROL ROPED OFF	N/A	Must show the ability to control egress and ingress to the expanded outside designated serving area through the originally licensed area to restrict means to transfer alcoholic beverages on or off the premise. Electronic surveillance and/or windows desired. Notes:
8. Approval of any proposed outdoor designated serving area must show the ability to maintain and clean the immediate area in proximity to the business of all refuse associated with business (cups, containers, napkins, placemats, cigarette butts and other waste) at all times.	N/A	Cleaning and appropriate waste receptacles. Notes:
