STAFF REPORT

File Number	PL 15-104	Contact	Jenn Reed Moses, jmoses@duluthmn.gov	
Application Type	Concurrent Use Permit	Planning Commission Date	September 8, 2015	
Deadline for Action	Application Date	July 7, 2015	60 Days	September 6, 2015
	Date Extension Letter Mailed	August 21, 2015	120 Days	November 4, 2015
Location of Subject	400 E 3rd Street			
Applicant	Essentia Health, Harvey Anderson	Contact	harveyj.anderson@essentiahealth.org	
Agent	LHB, Evan Aljoe	Contact	evan.aljoe@lhbcorp.com	
Legal Description	See attached			
Site Visit Date	August 24, 2015	Sign Notice Date	August 24, 2015	
Neighbor Letter Date	N/A	Number of Letters Sent	N/A	

Proposal

Applicant would like to use a 10' x 43' area in the right of way of E 2nd Street for a canopy over the entrance to the new Essentia parking ramp.

	Current Zoning	Existing Land Use	Future Land Use Map Designation
Subject	MU-I	Right of Way	Institutional
North	MU-I	Essentia campus	Institutional
South	MU-I	Essentia campus	Institutional
East	MU-I	Essentia campus	Institutional
West	MU-I	Essentia campus	Institutional

Summary of Code Requirements (reference section with a brief description):

UDC Section 50-37.7C. The planning commission shall review the application, and council shall approve the application or approve it with modifications, if it determines that:

1. The proposed concurrent use will not harm or inconvenience the health, safety and general welfare of the city;
2. Any proposed skywalk will significantly improve the circulation of pedestrians in the city without exposure to weather conditions;
3. No portion of a public easement proposed for use is being physically used or occupied by the public.

II.6-1

Comprehensive Plan Findings (Governing Principle and/or Policies) and Current History (if applicable):

Principle #4 - Support emerging economic growth sectors. Health care is among the sectors identified.

Future Land Use - Institutional: Applicable to university and college and public school campuses, large religious facilities or governmental campuses, cemeteries, etc. Applies primarily to existing facilities.

Discussion (use numbered or bullet points; summarize and attach department, agency and citizen comments):

Staff finds that:

- 1.) Applicant is requesting a Concurrent Use Permit for a canopy over the sidewalk located in the right of way of E 2nd Street, in order to highlight the vehicle entrance and aid in wayfinding for patients and visitors. Permit request is for a 10' x 43' area; canopy itself will be approximately 8' x 34'. Canopy will be anchored to the new parking ramp structure and will be supported from above.
- 2.) City Engineering has reviewed the request and is supportive of the canopy, as it is anchored from above. Applicant will need to confer with Construction Services to verify structural components of the canopy prior to installation.
- 2.) Lowest portion of the canopy will be located over the vehicle entrance to the ramp; it will not impact pedestrian or vehicular traffic.
- 3.) The proposed concurrent use will not harm or inconvenience the health, safety and general welfare of the city.
- 4.) The City of Duluth requires Concurrent Use Permits to include liability insurance to indemnify the City against any occurrences in the right of way. Requirements are included in the final ordinance for the Permit.
- 5.) No other City, agency, or public comments were received.

Staff Recommendation (include Planning Commission findings, i.e., recommend to approve):

Based on the above findings, Staff recommends that Planning Commission recommend approval of the Concurrent Use Permit with the following conditions:

- 1.) The project be limited to, constructed, and maintained according to "Exhibit Concurrent Use," dated 08/20/2015; "Phase 2 - Entry Sign Plan," numbered SI73-A5.01-01; Construction Details, numbered SI73-A4.03-01; and canopy illustrations submitted in conjunction with this application.
- 2.) Applicant will provide proof of liability insurance to indemnify the City against any occurrences in the right of way that are due to items covered under this permit.
- 3.) Applicant will confirm whether any building permit or other review is needed with the City's Construction Services division, and comply with all structural requirements.
- 4.) Any alterations to the approved plans that do not alter major elements of the plan may be approved by the Land Use Supervisor without further Planning Commission approval; however, no such administrative approval shall constitute a variance from the provisions of Chapter 50.
