Interests & Experiences

Why are you interested in serving on a board or commission?

I've always had a keen interest in aviation and previously served on the Duluth Airport Authority from 1999-2004 +/- . In fact, my personal e-mail account has Duluth's airport code embedded in it. I'm also experienced in economic development efforts, negotiation skills, etc., through my 28 years of being involved in the Commercial Banking industry here in Duluth, and through past involvement in the Duluth Economic Development Authority (DEDA) from 2007-11. I'm also currently involved as a board member on the Benedictine Health System (2015-present), Duluth Area Chamber of Commerce (2015-present) and Great Lakes Aquarium (2015-present). Past board involvement includes Junior Achievement, and Animal Allies Humane Society of Duluth.
