Subject: Eastern Dog Park

Hello,

I write this email to express my support for Duluth dog parks and the creation of an eastern dog park. My whole life changed when I brought home my first dog this past January and that is partly due to the dog parks Duluth currently has to offer. It has opened my eyes to a whole new community of Duluth that has welcomed me with open arms. The other benefits of dog parks are endless. I hope this helps to illustrate a little bit further the importance of dog parks and the benefits of building another park.

Thank you very much,  
Kristen Kelly
