2. The Provider shall use the funds provided for in paragraph 3 in accordance with its Mission and its approved application to promote events, exhibits and programs that benefit the citizens of Duluth and promote Duluth as a tourist destination. If the Provider participates in a Community Day event that is open to the public, the event will be scheduled in coordination with the City or the city's designated representative at dates and times that minimize impacts during peak tourism times.

6. To request tourism taxes in future years, Provider must submit an application no later than September 1 and shall include any and all additional budget and expense information related to the tourism tax allocation as the City may request including tracking visitors by zip code to determine the number of non-residents and tourists being served.
