BOARD/COMMISSION/COMMITTEE RECOMMENDATION:

PREVIOUS COUNCIL ACTION:

BACKGROUND: The City of Duluth has an agreement with Hartel's Disposal garbage service company to provide waste collection services for the city. Under the terms of the agreement, on or before June 1 of each year, Hartel's transmits to the city treasury office a list of properties to which they have rendered collection and removal of service pursuant Chapter 24 of the Duluth City Code. The city treasury office then charges an assessment service fee to bill and collect the delinquent garbage on behalf of Hartel's at which the current rate for 2025 is \$51 per property.

BUDGET/FISCAL IMPACT: When all properties have paid for their delinquent garbage assessment, the general fund will receive a total of \$48,909 in service fees to cover the administrative costs of assessing the delinquent solid waste collection fees on behalf of Hartel's. Penalty and interest will accrue and be added as well if not paid by October 1st, 2025.
