Subject: Variance at 3427 Lake ave

Property variance for 3427 Lake Ave S to be considered by the City Council on Feb. 8 2016. My property at 3417 Lake Ave S is next door to the proposed variance property. This proposed addition will provide much needed privacy to both decks on the South side of both homes and will not adversely effect my property at all. Please grant this variance request. Thank you. Judy Harrison. 3417 Lake Ave S
