Winterfell shall have the sole exclusive right to vend alcohol at City Sponsored Events and Winterfell Events. Notwithstanding the foregoing, Winterfell shall have the right to subcontract its right to vend alcohol to qualified alcohol distributors or sponsors. For City Sponsored Events and Winterfell Events, unless otherwise agreed in writing by the Parties, Winterfell is responsible, at its sole cost and expense, for set-up and take-down activities and restoration of the Premises to its customary operating condition, normal wear and tear excepted, within a reasonable amount of time (not to exceed forty-eight (48) hours from the end of an Event) and in all cases prior to the start of the next-scheduled Event. Winterfell shall not permit walkways within and to the Premises to be blocked on the days between Events. Winterfell shall be responsible, at its sole cost and expense, for all damage caused as a result of any City Sponsored Event or Winterfell Event and repairs needed from said damage. In the event that the attendance projected by Winterfell or a third party is substantially inaccurate, or a City Sponsored Event or Winterfell Event is conducted by Winterfell or any third-party in such a manner as to create a risk of disorder, the City may at any time, including during the course of the Event, provide such additional security service as the City’s Chief of Police, or their designee (the “Police Chief”) deems necessary. In such event, Winterfell or the third party shall be liable for the cost of the additional security service provided. Winterfell agrees to employ appropriate security that meets all applicable laws of the State of Minnesota. The City prohibits the use of armed security personnel unless specifically agreed to in writing in advance by the Police Chief, who may approve or deny any such request in their sole discretion. The City’s law enforcement officers may remove any person from the Premises who they believe is a threat to public health or safety.

Winterfell may use non-employees or subcontractors (collectively, the “Subcontractors”) to perform the Services; provided, however, that: (i) Winterfell shall notify the City of the identity of each Subcontractor if requested; (ii) City may at any time request the immediate replacement of any Subcontractor, without stating a cause thereof; and (iii) the cost of any Subcontractor retained by Winterfell for the Services shall be borne solely by Winterfell. Prior to retaining a Subcontractor, Winterfell shall require each Subcontractor to agree to be bound by Winterfell’s obligations under this Agreement, including but not limited to insurance and indemnification requirements. Winterfell agrees to cause all Subcontractors to observe the terms of this Agreement and will be responsible for any breach of this Agreement by any Subcontractor.

N. Incident Reports. Winterfell shall promptly notify the Parks Maintenance Supervisor, or their designee, in writing of any incident of loss or damage to the Premises or property belonging to the City or to any Winterfell employee, agent, Subcontractor, Licensee and/or user, participant, or invitee occurring on or within the Premises during the Term, except for damage to Winterfell’s personal property. Winterfell shall promptly notify the PFM Manager in writing of any incident of injury to any Winterfell employee, agent, Subcontractor, Licensee and/or user, participant, or invitee occurring on or within the Premises during the Term. All incidents shall be reported using the form of Incident Report attached as Exhibit D, which form may be amended by the City from time to time in its sole discretion.

O. Limits of Usage. The Premises may only be used for the Events, provision of the Services, and related support services and for no other purpose. Use of the Premises pursuant to this Agreement is subject to the terms of (i) any agreements between the City and third parties for Third Party Sponsored Events, (ii) the DEDA License Agreement, and (iii) the LSCA Easement Agreements. Winterfell shall insure that all applicable licensing and/or royalty payments are made under the Licenses. Winterfell shall insure that all Winterfell Events promoted by third-parties are covered by current and valid Licenses.

R. Noise Level. Winterfell agrees that any amplified sound produced on the Premises during a City Sponsored Event or a Winterfell Event shall not exceed an approved noise level established by Minnesota Pollution Control Agency. Winterfell shall be responsible for reducing the noise level during a City Sponsored Event or a Winterfell Event when it is not in compliance with the Minnesota Pollution Control Agency approved noise level.

The dates that the stage is put-up and taken down shall be determined in consultation with Winterfell based on the date of scheduled Events. It shall be the responsibility of Winterfell to make sure that any damage to the stage (other than normal wear) that occurs during City Sponsored Events or Winterfell Events is repaired by Winterfell at Winterfell’s expense. If Winterfell fails to return the stage to its original condition, the City reserves the right to repair or replace the stage or contract with others to provide such services and deduct the repair or replacement costs from the payments to Winterfell provided for in Section VII.

Winterfell agrees to pay all licenses, fees, taxes, and assessments of any kind whatsoever that arise because of, out of, or in the course of Winterfell's activities pursuant to this Agreement, including real property and sales taxes, if applicable. It is further agreed that the City may (i) pay the same on behalf of Winterfell and immediately collect the same from Winterfell, or (ii) reduce any amount owed to Winterfell by the City pursuant to this Agreement in an amount equal to the payment made by the City on Winterfell's behalf. Winterfell shall further be obligated to collect and/or pay any sales and use taxes imposed by any governmental entity entitled to impose such taxes on or before the date they are due and to file all required reports and forms in proper form related thereto on or before their due date.

VIII. ASSIGNABILITY

Except as provided for in Section IV above, Winterfell shall not assign or transfer any of its rights or interests under this Agreement in any way whatsoever without the express written approval of the City Administrator.

IX. ALTERATIONS AND IMPROVEMENTS

A. Winterfell and the City shall conduct a walk-through of the Premises prior to the first Event of 2024 in order to review the condition of the Premises and discuss operations for the year.

B. Winterfell shall not excavate or otherwise install any underground apparatus into any of the grounds on the Premises without first providing a detailed, precise map to the PFM Manager of all proposed underground locations at least thirty (30) days in advance of the planned action. Winterfell shall not proceed with any underground actions without first (i) securing written approval from the PFM Manager, or the City's Director of Public Administration in the PFM Manager's absence, and (ii) having all underground utilities properly located by One Call or identified by the City prior to proceeding with said underground actions.

C. Unless otherwise approved by the Parks Maintenance Supervisor in writing, Winterfell shall not permit stakes to be driven into the ground on the Premises, except within the areas depicted in black on the attached Exhibit B. Winterfell shall be responsible to repair turf damages due to the use of stakes on the Premises, including damage to the areas depicted in black

on the attached Exhibit B. Winterfell shall limit the on-ground use of wires, hoses, and other such items to only those areas which are not accessible to normal pedestrian traffic. In the event Winterfell needs to allow the installation of on-ground utilities, Winterfell shall comply with all applicable codes and laws pertaining to said installations.

D. Winterfell may install temporary improvements on the Premises, such as the erection of fencing, scaffolding, special platforms, water tanks, rigging, or other apparatus necessary to ensure the success of an Event or the safety of staff, performers, and the general public (the “Temporary Improvements”). All Temporary Improvements installed on the Premises shall conform to all applicable laws and building codes. Winterfell shall remove all Temporary Improvements following each Event.

E. Winterfell shall not make any long-term temporary improvements (meaning improvements that remain on the Premises for more than one Event) or permanent improvements or alterations to any part of the Premises without securing advanced, written approval of the PFM Manager. Winterfell may, at its sole cost and expense, make improvements or alterations to the Premises only with advance written approval from the PFM Manager. Any improvements to the Premises shall become the property of the City. Prior to commencing any improvements or alteration, Winterfell shall submit to the City a Project Proposal Request in the form attached as Exhibit E along with detailed plans. The Project Proposal Request shall be submitted to the City at least forty-five (45) days before the planned commencement of the proposed alteration or improvement. No work may begin on any approved project until all necessary building permits are secured. All construction shall conform to state law and the Duluth City Code, and shall be completed in a professional and prompt manner. Winterfell shall be responsible for any and all operational costs and maintenance of such improvements, installations, and facilities installed or constructed by Winterfell and shall operate them in a safe and lawful manner.

F. Winterfell agrees that prior to commencing any construction, erection, alteration, or improvement on the Premises, whether temporary or permanent in nature, that it will provide the City with a Certificate of Insurance evidencing that all persons, whether in the direct employ of Winterfell or agents hired by Winterfell, are covered by Workers’ Compensation Insurance as required by Minnesota Statutes. Winterfell shall submit such Certificate of Insurance in advance of any work being done. No construction, erection, alteration, or improvement shall be commenced until such time as the required Certificate of Insurance is reviewed and approved by the City Attorney in writing.

X. INSURANCE

A. Winterfell shall procure and maintain continuously in force the insurance policies required by this Agreement to cover all activities on the Premises pursuant to this Agreement. Winterfell shall procure and maintain in force Commercial General Liability Insurance written on an “occurrence” basis under a Commercial General Liability Form with limits of not less than One Million Five Hundred Thousand Dollars (\$1,500,000.00) for bodily injuries and in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) for property damage or One Million Five Hundred Thousand Dollars (\$1,500,000.00) single limit coverage per occurrence.

B. Winterfell shall procure and maintain in force an Automobile Liability Insurance policy with a combined single limit of not less than One Million Five Hundred Thousand Dollars (\$1,500,000.00) covering owned, non-owned and hired vehicles.

C. Winterfell shall procure and maintain in force Statutory Minnesota Workers' Compensation Insurance and provide evidence thereof to the City.

D. If Winterfell conducts the sale of any product or service through any third party vendor or contractor on the Premises during a City Sponsored Event or a Winterfell Event, Winterfell will be required to secure Product Liability Insurance coverage with the same limits as stated in paragraph X.A. above. If Winterfell or any third-party vendor or contractor sells, serves, or otherwise dispenses alcoholic beverages of any kind during a City Sponsored Event or a Winterfell Event, Winterfell shall provide evidence of Liquor Liability Insurance coverage for the dispensing of such beverages with the same limits as stated in paragraph X.A. above.

E. Insurance required by this Agreement shall be taken out and maintained in responsible insurance companies organized under the laws of the states of the United States and licensed to do business in the State of Minnesota. Winterfell shall provide Certificates of Insurance to the City evidencing the required insurance coverage. The insurance policies must be acceptable to the City Attorney and must include a 30-day written notice of cancellation, non-renewal, or material change provision in favor of the City. Except for worker's compensation insurance and professional liability insurance policies (if any), the Certificates of Insurance shall name the City, and the then-current fee owners of the DEDA Property and the LSCA Property as additional insureds. Certificates showing that Winterfell is carrying the required insurance in the specified amounts shall be furnished to the City prior to the execution of this Agreement and certificates of insurance showing continued maintenance of all required insurance shall be provided to the City during the Term. The insurance policies shall provide that the policies shall not be changed or canceled during the Term without at least 30 days' advance notice being given to the City and the then-current fee owners of the DEDA Property and the LSCA Property.

F. The City reserves the right to require additional types of insurance and to increase the coverage limits of any required insurance, in its reasonable discretion, based on the types of activities being conducted on the Premises during Events.

G. The City does not, by entering into this Agreement, intend to waive any legal immunities, defenses, or liability limits that maybe available.

H. The City does not represent or guarantee that the required types or limits of coverage are adequate to protect Winterfell's interests and liabilities.

XI. HOLD HARMLESS AND INDEMNIFICATION

A. Winterfell agrees to indemnify, save harmless, and defend (with counsel acceptable to the indemnified party) the City, the then-current fee owners of the DEDA Property and the LSCA Property, and their respective officers, officials, agents, servants, and employees (collectively, the "Indemnified Parties" and individually, an "Indemnified Party") from and against

any and all claims, suits, loss, judgments, costs, damages, and expenses asserted by any person or persons by reason of injury to or death of any and all persons, including employees or agents of the Indemnified Parties or Winterfell, and including any and all damages to property to whomsoever belonging, including property owned by, leased to, or in the care, custody, and control of Winterfell arising out of, related to or associated with the use, management, maintenance or operation of the Premises by Winterfell or its performance of or failure to perform its obligations under this Agreement. Promptly after receipt by an Indemnified Party of notice of the commencement of any action with respect to which Winterfell is required to indemnify the Indemnified Party, the Indemnified Party shall notify Winterfell in writing of the commencement thereof, and, subject to the provisions of this Agreement, Winterfell shall assume the defense of such action, including the employment of counsel satisfactory to the Indemnified Party and the payment of expenses. In so far as such action shall relate to any alleged liability of the Indemnified Party with respect to which indemnity may be sought against Winterfell, the Indemnified Party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, and the fees and expenses of such separate counsel shall be at the expense of Winterfell. This indemnification provision shall survive expiration or termination of this Agreement for any reason.

B. To the extent permitted by law, the City agrees to indemnify, save harmless, and defend Winterfell and its officers, agents, servants, and employees from and against any and all claims, suits, loss, judgments, costs, damages, and expenses asserted by any person or persons by reason of injury to or death of any and all persons, including employees or agents of the City, Winterfell, or the then-current fee owners of the DEDA Property and the LSCA Property, and including any and all damages to property to whomsoever belonging, including property owned by, leased to, or in the care, custody, and control of the City arising out of, related to or associated with the use, management, maintenance or operation of the Premises by the City or its performance of or failure to perform its obligations under this Agreement. Promptly after receipt by Winterfell of notice of the commencement of any action with respect to which the City is required to indemnify Winterfell, Winterfell shall notify the City in writing of the commencement thereof, and, subject to the provisions of this Agreement, the City shall assume the defense of such action. In so far as such action shall relate to any alleged liability of Winterfell with respect to which indemnity may be sought against the City, Winterfell shall have the right to employ separate counsel in any such action and to participate in the defense thereof, and the fees and expenses of such separate counsel shall be at the expense of the City. This indemnification provision shall survive expiration or termination of this Agreement for any reason.

XII. INDEPENDENT RELATIONSHIP

It is agreed that nothing contained in this Agreement is intended or shall be construed in any manner as creating or establishing a relationship of co-partners between the Parties or of constituting Winterfell as an agent, representative, or employee of the City, DEDA, or the LSCA for any purpose or in any manner whatsoever. The Parties do not intend by this Agreement to create a joint venture or joint enterprise, and expressly waive any right to claim such status in any dispute arising out of this Agreement. Winterfell's employees shall not be considered employees of the City, DEDA or the LSCA and any and all claims that may or might arise under the Workers' Compensation Act of the State of Minnesota on behalf of Winterfell's employees while so engaged

and any and all claims whatsoever arising out of employment or alleged employment, including without limitation, claims of discrimination against the City, or its officers, agents, contractors, or employees shall in no way be the responsibility of the City, DEDA, or the LSCA. Winterfell and its officers and employees shall not be entitled to any compensation or rights or benefits of any hospital care, sick leave and vacation pay, Workers' Compensation, Unemployment Insurance, disability pay, or severance pay from or on behalf of the City.

XIII. CITY/DEDA ACCESS

A. To the extent permitted by law, City expressly reserves unlimited access to the Premises at any time and at its sole discretion. As needed or requested, Winterfell shall provide the PFM Manager, Parks Manager, and/or their designees with access passes for each Winterfell Event for access by authorized personnel. Winterfell acknowledges and agrees that the City or DEDA may each use their respective properties and such use will not interfere with the allowed Winterfell uses as set forth herein.

B. Winterfell shall not change the locks or otherwise prohibit or inhibit the City's access to any portion of the Premises. The City shall be exclusively responsible for the upkeep of all door locking devices and the duplication and distribution of all keys for the Premises. Winterfell is prohibited from duplicating any key provided by the City. Winterfell agrees to abide by the Key Control Policy, a copy of which shall be provided to Winterfell. Winterfell will promptly return all keys to the PFM Manager upon expiration or termination of this Agreement.

C. Winterfell shall not interfere with public access to and lawful use of Premises and its facilities.

XIV. FORCE MAJURE

Neither Party shall be liable for any failure of or delay in performance of its obligations under this Agreement to the extent such failure or delay is due to circumstances beyond its reasonable control, including, without limitation, acts of nature, acts of a public enemy, fires, floods, wars, civil disturbances, sabotage, accidents, insurrections, blockades, embargoes, storms, explosions, labor disputes, acts of any governmental body (whether civil or military, foreign or domestic), failure or delay of third parties or governmental bodies from whom a party is obtaining or must obtain approvals, franchises or permits. Any such delays shall not be a breach of or failure to perform this Agreement or any part thereof and the date on which the party's obligations hereunder are due to be fulfilled shall be extended for a period equal to the time lost as a result of such delays.

XV. GENERAL PROVISIONS.

A. The recitals at the beginning of this Agreement are true and correct and are incorporated into this Agreement by reference.

B. This Agreement is to be construed and understood solely as an agreement between the Parties regarding the subject matter herein and shall not be deemed to create any rights in any

other person or on any other matter. No person, organization, or business shall have the right to make claim that they are a third party beneficiary of this Agreement or of any of the terms and conditions hereof, which, as between the Parties, may be waived at any time by mutual agreement of the Parties.

C. The Parties represent to each other that the execution of this Agreement has been duly and fully authorized by their respective governing bodies or boards, that the officers of the Parties who executed this Agreement on their behalf are fully authorized to do so, and that this Agreement when thus executed by said officers of said Parties on their behalf will constitute and be the binding obligation and agreement of the Parties in accordance with the terms and conditions hereof.

D. Any amendments to this Agreement shall be in writing and shall be executed by the same officers who executed this Agreement or their successors in office.

E. The waiver by the City or Winterfell of any breach of any term, covenant, or condition of this Agreement shall not be deemed to be a waiver of any subsequent breach of same or any other term, covenant, or condition of this Agreement.

F. The Parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

G. This Agreement, including exhibits, constitutes the entire agreement between the Parties and supersedes all prior written and oral agreements and negotiations between the Parties relating to the subject matter hereof. This Agreement may be executed and delivered by a party by facsimile or PDF transmission, which transmission copy shall be considered an original and shall be binding and enforceable against such party.
