TEMPORARY CONSTRUCTION EASEMENT AGREEMENT

This TEMPORARY CONSTRUCTION EASEMENT AGREEMENT (this “Agreement”) is by and between WB IBIZA, LLC, a Minnesota limited liability company (“Grantor”) and the CITY OF DULUTH, a municipal corporation and political subdivision created and existing under the laws of the State of Minnesota (“City”).

A. Grantor owns the real property located in St. Louis County, Minnesota legally described as follows (the “Property”):

Lots 19, 20 and 21, Block 19, MARINE DIVISION OF DULUTH, according to the recorded plat thereof.

B. City will be reconstructing West Superior Street to (i) replace the existing roadway with a new bituminous road with curb and gutter; (ii) install new sidewalks, multi-use paths, improved street lighting and green space; and (iii) replace watermain and storm sewer (collectively, the “Project”).

C. During the Project, City needs to temporarily use space outside of the right-of-way of West Superior Street for construction purposes.

D. City desires to temporarily use that portion of the Property legally described and depicted on the attached Exhibit A (the “Temporary Construction Easement Area”) for the Project and Grantor is willing to provide City with a temporary easement to do so.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

I. PERMISSION AND PROPERTY

A. Grantor grants and conveys to City, its successors and assigns, a non-exclusive, temporary construction easement to enter onto the Temporary Construction Easement Area with all necessary tools, equipment, vehicles, and related materials for the purpose of completing the Project and related activities (the “Easement”). City, its employees, contractors, agents and subcontractors may enter onto the Temporary Construction Easement Area at all times for the purposes described above. From time to time during the Term (defined below), City’s use of the Temporary Construction Easement Area may be exclusive as necessary to perform its construction activities and to protect the public.

B. City’s use of the Temporary Construction Easement Area shall be limited to the purposes stated above.

C. The Easement shall extend to and bind the successors and assigns of Grantor and City and shall run with the land.

II. TERM

Notwithstanding the date of execution of this Agreement, the term of this Agreement shall begin October 1, 2025 and shall expire at the end of the day on December 31, 2028, or on such date that the Project is completed, whichever occurs first (the “Term”).

III. LAWS, RULES AND REGULATIONS

During the Term, City will conduct its activities related to this Agreement in strict compliance with the United States Constitution and with the applicable laws, rules, and regulations of the United States, State of Minnesota, St. Louis County, and City of Duluth.

IV. NO THIRD PARTY RIGHTS

This Agreement is to be construed and understood solely as an agreement between the parties hereto regarding the subject matter herein and shall not be deemed to create any rights in any other person or on any other matter. No person, organization, or business shall have the right to make claim that they are a third party beneficiary of this Agreement or of any of the terms and conditions hereof, which, as between the parties hereto, may be waived at any time by mutual agreement between the parties hereto.

V. APPLICABLE LAW

The laws of the State of Minnesota shall govern all interpretations of this Agreement, and the appropriate venue and jurisdiction for any litigation that may arise under this Agreement will be in and under those state courts located within St. Louis County, Minnesota.
