Subject: A Superior Street for ALL

Dear City Council,

As a person who rides a bicycle, car, and bus downtown, I support a Superior Street redesign that prioritizes healthy transportation options for ALL Duluthians.

Whether I'm riding on two wheels, four wheels, or six wheels, I will usually be compelled to walk along Superior St. for at least a few blocks. This is why we should also be prioritizing the pedestrian experience on what has the potential to be, our city's finest commercial avenue.

A Superior Street redesign that remains auto-centric and outdated in design is not only foolhardy, but fiscally irresponsible.

Please consider the Duluth Bike Coalition's alternative Superior Street design as you meet at the council of a whole meeting next Monday evening.

Sincerely,

Concerned citizen, cyclist, and customer - Brad Little
