The applicant proposes to renew a 4-bedroom dwelling as a vacation dwelling unit at 611 West Skyline Parkway. This property was previously approved as permit PL19-080.

	Current Zoning	Existing Land Use	Future Land Use Map Designation
Subject	R-1	Single Family Home	Traditional Neighborhood
North	R-1	Residential	Traditional Neighborhood
South	R-1	Single Family Home	Traditional Neighborhood
East	R-1	Single Family Home	Traditional Neighborhood
West	R-1	Single Family Home	Traditional Neighborhood

Summary of Code Requirements:

UDC Section 50-19.8. Permitted Use Table. A vacation dwelling unit is an Interim Use in the R-1 zone district.

UDC Section 50-20.3. Use-Specific Standards. Lists all standards specific to vacation dwelling units.

UDC Sec. 50-37.10.E . . . the commission shall only approve an interim use permit, or approve it with conditions, if it determines that: 1. A time limit is needed to protect the public health, safety and welfare from potential longer term impacts of the requested use in that location; 2. The applicant agrees to sign a development agreement with the city.

Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #4- Support economic growth sectors

A short-term rental supports the tourism industry and provides a service for visitors.

Future Land Use – Traditional Neighborhood: Characterized by grid or connected street pattern, houses oriented with shorter dimension to the street and detached garages, some with alleys. Limited commercial, schools, churches, and home businesses. Parks and open space areas are scattered through or adjacent to the neighborhood.

History: The subject property is a single-family home built in 1911. The property had an existing vacation dwelling unit that expires in 2025.

Review and Discussion Items:

Staff finds that:

- 1) Applicants' property is located at 611 W Skyline Parkway. The dwelling unit contains 4 bedrooms, which allow for a maximum of 9 guests.
- 2) The minimum rental period will be two nights.
- 3) The applicant is proposing four off-street parking stalls in the rear of the property, satisfying the off-street parking requirement in UDC Section 50-20.3.V.3. Applicant has been made aware that the front yard parking is not allowed.
- 4) The site plan does not indicate any outdoor amenities and has acceptable vegetative screening on the site.
- 5) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holders must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed Jennifer McPherson to serve as the managing agent.
- 6) There are no known reported code violations or police calls to the property.
- 7) A time limit is needed on this Interim Use Permit ("IUP") to protect the public health, safety and welfare from potential longer-term impacts of the requested use at the location of the subject property. Section 50-20.3.U.7 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.
- 8) Applicant must comply with the City's vacation dwelling unit regulations, including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").
- 9) There are currently 169 licensed vacation dwelling units in the city, with 84 of those in form districts; the remaining 85 are subject to the cap of 100. The subject property is located within a residential district and is subject to the cap.
- 10) No City, public or agency comments were received.
- 11) The permit will lapse if no activity takes place within 1 year of approval.

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission approve the permit subject to the following conditions:

- 1) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
- 2) Any alterations to the approved plans that do not alter major elements of the plan and do not constitute a variance from the provisions of Chapter 50 may be approved by the Land Use Supervisor without further Planning Commission review.
