Retired

Employer

Job Title

Which Boards would you like to apply for?

Civil Service Board

Interests & Experiences

Why are you interested in serving on a board or commission?

I worked for the City of Duluth for nearly thirty years. During my career I was a union officer, department head and many roles and committees such as labor management / health insurance / Board of building appeals. The civil service board serves an important role to insure the civil service code is followed while bringing common sense to the board.
