Re: Strategic Public Lands Realignment Project – Acquisition of Tax Forfeit Parcels from St. Louis County pursuant to Minn. Stat. § 282.01, Subd. 1(a)(h)(2) and Subd. 1(a)(h)(3)

In accordance with the Strategic Public Lands Realignment Project agreement between the City of Duluth and St. Louis County, the City of Duluth respectfully submits this list of tax-forfeit parcels the City wishes to acquire for less than their market value under Minn. Stat. § 282.01, Subd. 1(a)(h) for lands to be protected for stormwater or natural resources.

The City selected the parcels listed below on the basis of the Guidelines for Selecting Tax Forfeit Open Space Parcels for City Ownership and Protection approved by the City of Duluth Natural Resource Commission (July 1, 2020), Planning Commission (July 14, 2020), and City Council (Aug 17, 2020).

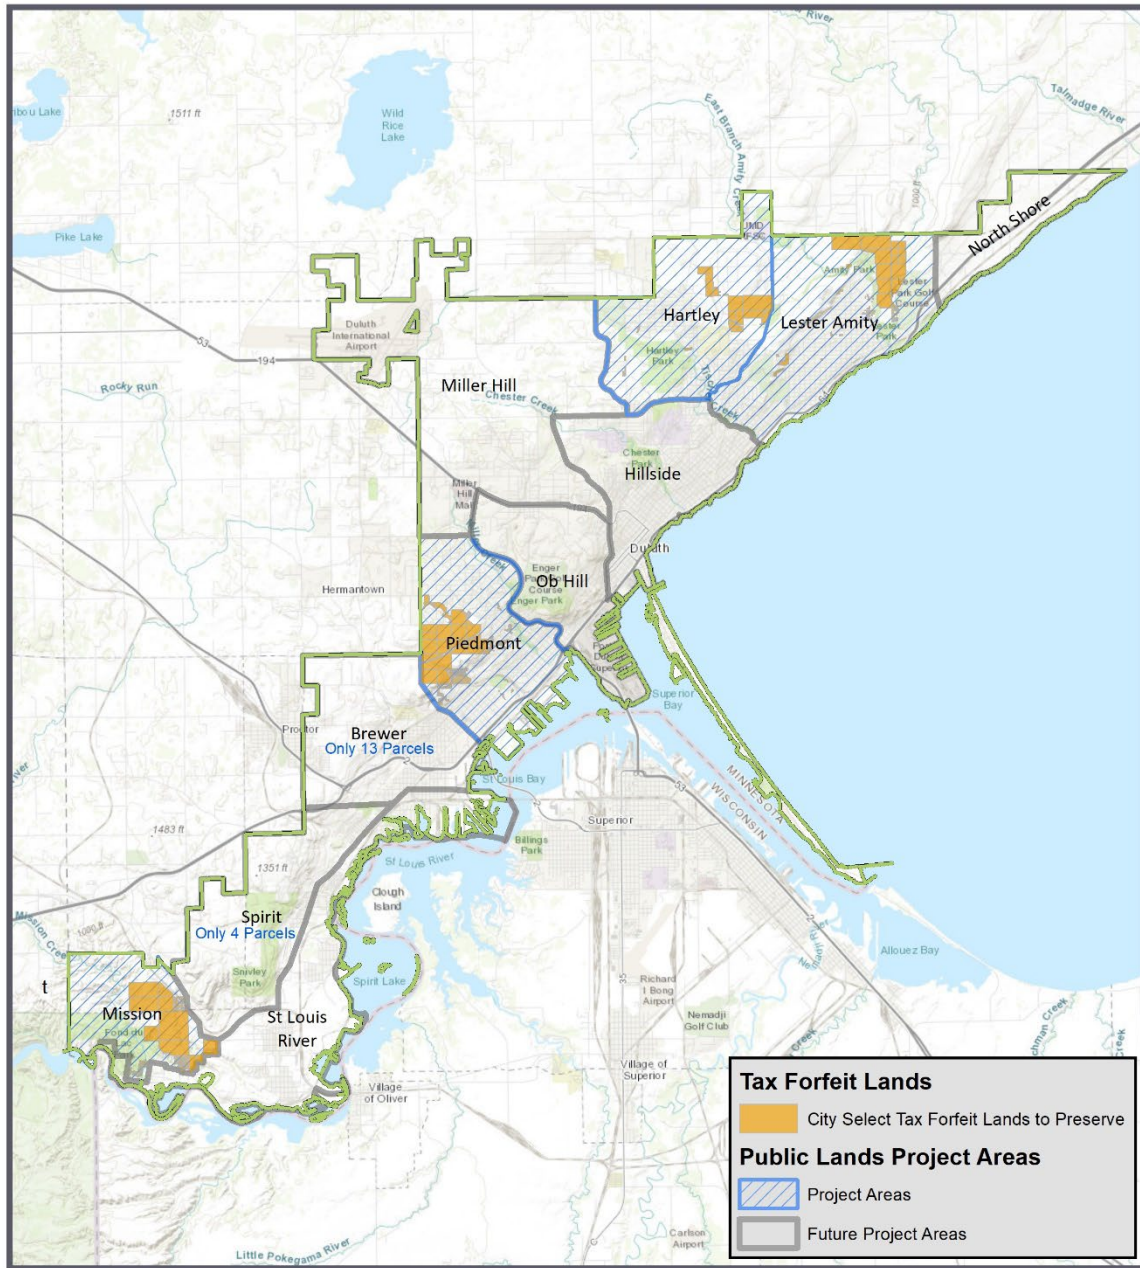

In August of 2021, the Natural Resources Commission, the Planning Commission, and the Parks and Recreation Commission each unanimously approved a recommendation that Council authorize City acceptance or acquisition of the same list of specified tax-forfeit parcels in the Mission, St. Louis River, Piedmont, Hartley/Downer, and Lester/Amity areas. The lists reviewed and approved by these Commissions included parcels to be conveyed under two separate state statutes:

1. Parcels to be conveyed to the City at no cost under Minn. Stat. § 282.01, Subd. 1(a)(e).
2. Parcels to be acquired for less than market value per Minn. Stat. § 282.01, Subd. 1(a)(h).

Per state statute, Council ought to authorize acceptance and acquisition of these parcels through separate resolutions. On September 13, 2021, the City Council authorized a resolution accepting those parcels to be free conveyed under Minn. Stat. § 282.01, Subd. 1(a)(e). The current resolution authorizes acquisition of the remaining parcels on the list for less than their market value under Minn. Stat. § 282.01, Subd. 1(a)(h).

Figures 2 through 5 below show the lands to be both free conveyed (hatched areas over orange parcels) and the lands to be purchased (solid orange parcels) for each project area along with a table listing parcel data information. Note: The solid orange parcels are most often quite small, and therefore, it is easier to recognize them when the map is zoomed in. An explanation of the table columns is provided below:

- **Project Area:** The subject project area of selected parcels as shown in Figure 1.
- **Parcel Number:** Parcel identification number
- **GISAcres:** Parcel size according to mapping (may differ from the title survey)
- **EMV:** Estimated Market Value provided by the County
- **Conveyance (% EMV):** The proposed %EMV the City will pay for are as follows:
 - 5% EMV - Parcel is wet or more than 300 feet from sanitary sewer and water main infrastructure.
 - 20% EMV - All remaining parcels
- **Intended Authorized Purpose:** The Minnesota State Statute for each parcel as described above for the free conveyance or below market sale for conservation purposes.
- **Below Market Sale:** The cost in relation to the proposed %EMV based on the City's intended authorized purpose.

St. Louis River Project Area

Date: 3/7/2022

Public Lands Project Area

City selected Tax Forfeit lands on the basis of the
Guidelines for Selecting Tax Forfeit Open Space Parcels
 for City Ownership and Protection
 (Adopted by City Council August 17, 2020)

0 0.75 1.5 3 Miles

Figure 5

Project Area	Parcel Number	GIS Acres	EMV	Conveyance (%EMV)	Intended Authorized Purpose	Below Market Sale
