

## MOTION TO AMEND RESOLUTION 17-0231

BY PRESIDENT SIPRESS AND COUNCILOR WESTERLUND:

We move to amend Resolution 17-0231 granting approval and implementation of the Cross City Trail Mini-Master plan by amending Exhibit A (Cross City Trail Mini-Master plan) as follows:

...

[page 36 of the Cross City Trail Mini-Master plan] Phasing + Priorities

This master plan outlines flexible priorities capable of adapting to the political and economic climate in Duluth. As funding and political backing are available and ready, trail sections and amenities will be constructed and implemented. Of the long-term incomplete phases of the trail, Segment VI holds the highest priority for future investment for the city and the community.
