BOARD OF TRUSTEES OF THE MINNESOTA
STATE COLLEGES AND UNIVERSITIES ON BEHALF OF
LAKE SUPERIOR COLLEGE
AND
CITY OF DULUTH
FOR THE
STATE OF MINNESOTA
DEPARTMENT OF EMPLOYMENT AND ECONOMIC DEVELOPMENT
WORKFORCE DEVELOPMENT DIVISION

PATHWAYS TO PROSPERITY
CONNECTIONS TO CAREERS IN HEALTHCARE AND CONSTRUCTION**

THIS AGREEMENT, effective as of the date of attestation by the City Clerk (“Effective Date”), by and between the **CITY OF DULUTH**, (the "City"), and **BOARD OF TRUSTEES OF THE MINNESOTA STATE COLLEGES AND UNIVERSITIES on behalf of LAKE SUPERIOR COLLEGE**, (the "Grantee").

WHEREAS, the City has entered into a Master Grant Agreement with the State of Minnesota, acting by and through its Department of Employment and Economic Development, Workforce Development Division ("DEED") to apply for and receive funds to provide employment and training services offered through the City’s Workforce Development Department; and

WHEREAS, under the Master Grant Agreement, in cooperation with Grantee, the City applied to and received approval for funds in the amount of Three Hundred Seventy-Eight Thousand Five Hundred Dollars and no/100 (\$378,500) from DEED under its Pathways to Prosperity Program (the "Program Grant") to support healthcare and construction industries’ workforce needs and address employment disparities in Duluth and northeast Minnesota. This program will prepare individuals with the skills needed to enter into employment in the healthcare and construction fields and/or access additional education (“the Project”). The Project Specific Plan (“PSP)/Work Plan/Budget is attached as *Exhibit A* and the grant award letter is attached as *Exhibit B*; and

WHEREAS, the City desires to award a portion of the Program Grant (the "Subgrant") to Grantee, and Grantee agrees to accept and utilize such proceeds for the Project.

NOW, THEREFORE, the parties agree to the following terms:

1. AWARD. The City awards a Subgrant to Grantee in the amount of One Hundred Thirty-Two Thousand Nine Hundred Dollars and no/100th (\$132,900) for Grantee’s performance of its obligations under the Program Grant including:

- A. Perform the duties specified in the PSP/Work Plan/Budget, which is attached as *Exhibit A* and incorporated into this Agreement.
- B. Fulfill the roles and responsibilities as outline in the P2P Partner Roles and Responsibilities Summary, *Exhibit C*.
- C. Follow all DEED policies and procedures including participating in Workforce One training provided by DEED, and entering all program data into Workforce One within the required timeframes.

- D. Provide quarterly reports two weeks prior to the reporting due date and/or any other reporting required by DEED, including Workforce One reporting and the Connections to Careers in Healthcare and Construction Project data.
- E. Submit invoice outlining services provided with supportive documentation to City Director as described in section 5. Examples of documentation for services include detailed receipts and timesheets.
- F. Coordinate with City staff on scheduling for services and/or workshops.
- G. If applicable and as requested, provide evaluations, attendance and completion information for services, trainings or workshops.
- H. Facilitate City's Fiscal and Program Monitoring and assist in the completion of the DEED Jobs Bill Grant Minnesota Pathways to Prosperity Monitoring Guide, attached hereto as **Exhibit E**. Fiscal sub-recipient monitoring will be conducted once per state fiscal year ("SFY"); Program monitoring will be conducted once per quarter.
- I. Sign Grantee Obligation Checklist, attached as **Exhibit F**.
- J. Develop and maintain ongoing communication with City staff.

Notwithstanding anything to the contrary, the Grantee understands and agrees that any reduction or termination of the Program Grant may result in a like reduction or termination of the Subgrant, and that any material change in the timeline or scope of the Program must be approved in writing by the City and DEED. The City reserves the right to cancel or postpone training class start dates due to lack of enrolled participants or other circumstances.

2. PERFORMANCE. The Grantee must comply with all requirements applicable to the City in the Master Grant Agreement and/or Project Specific Plan. Grantee's default under the Project Specific Plan will constitute noncompliance with this Agreement. If the City finds that there has been a failure to comply with the provisions of this Agreement or that reasonable progress on the Program has not been or will not be made, the City may take action to protect its interests, including refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed. If action to correct substandard performance is not taken by the Grantee within 60 calendar days (or such longer period specified by the City) after written notice by the City, the City may terminate this Agreement.

3. TIME OF PERFORMANCE. Grantee must start the Program upon execution of this Agreement and complete the Program on or before June 30, 2021. The City is not obligated to pay for any Program costs incurred after that date or any earlier termination, whichever occurs first.

4. CONDITIONS PRECEDENT TO DISBURSEMENT. The following requirements are conditions precedent to the City's disbursement of any of the Subgrant proceeds.

- A. The Grantee must have provided the City with evidence of compliance with the insurance requirements of Section 7(G) herein.
- B. The Grantee must have provided to the City such evidence of compliance with all of the provisions of this Agreement as the City may reasonably request.

5. DISBURSEMENT. It is expressly agreed and understood that the City will pay Grantee under this Agreement \$66,450 in the SFY 2020 and \$66,450 in SFY 2021 with the total amount not to exceed \$132,900 City will pay Grantee for all services performed under this Agreement Grantee's proposed budget is attached as **Exhibit D**. Invoices may be submitted on a monthly

basis or other timeframe approved in writing by the Workforce Development Director, but must be submitted at a mid-point, and at the conclusion of the training contract. For SFY 2020, a final invoice must be received by July 30, 2020; for SFY 2021 a final invoice must be received by July 30, 2021. Payment for services will be sent within 45 days of receipt of invoice.

6. NOTICES. Communication and details concerning this Agreement must be directed to the following Agreement representatives:

7. GENERAL CONDITIONS.

- A. **General Compliance.** The Grantee agrees to comply with all applicable federal, state and local laws and regulations governing the project and funds provided under this Agreement.
- B. **Civil Rights Assurances.** Grantee and City, and their respective officers, agents, servants and employees, as part of the consideration under this Agreement, do hereby covenant and agree that:
 1. No person on the grounds of race, color, creed, religion, national origin, ancestry, age, marital status, status with respect to public assistance, sexual orientation and/or disability shall be excluded from any participation in, denied any benefits of or otherwise subjected to discrimination with regard to the services provided under this Agreement.
 2. That all activities to be conducted pursuant to this Agreement shall be conducted in accordance with the Minnesota Human Rights Act of 1974, as amended (Chapter 363), Title 7 of the U.S. Code and any regulations and executive orders which may be affected with regard thereto.
- C. **Independent Contractor.** Nothing contained in this Agreement is intended to, or may be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Grantee will at all times remain an independent contractor with respect to the services to be performed under this Agreement. The City is exempt from payment of all unemployment compensation, FICA, retirement, life and/or medical insurance and workers' compensation insurance because the Grantee is an independent contractor.

- D. **Liability.** Each party hereto agrees that it will be solely liable for any liability arising out of any acts or omissions of itself or its officers, agents, servants, employees or subcontractors in the performance of its respective obligations under this Agreement.

Nothing herein shall be deemed to create any liability on behalf of either party not otherwise existing as to such party under the provision of the Minnesota Municipality Limitation of Liability Statute, Minnesota Statute Section 466 *et. seq.*, or to extend the amount of liability of either party to amounts in excess of that specified in said Chapter.

- E. **Indemnification.** Grantee will indemnify, defend, and hold harmless the City, its officers, agents, and employees, from any claims or causes of action, including attorney's fees incurred by Grantee arising from the performance of this Agreement by Grantee, or its officers, agents or employees

- F. **Workers' Compensation.** The Grantee must provide workers' compensation insurance coverage for all employees involved in the performance of this Agreement.

- G. **Insurance.** Grantee shall procure and maintain continuously in force Public Liability Insurance written on an "occurrence" basis under a Comprehensive General Liability Form in limits of not less than One Million Five Hundred Thousand and No/100s (\$1,500,000.00) Dollars aggregate per occurrence for personal bodily injury and death, and limits of One Million Five Hundred Thousand and No/100s (\$1,500,000.00) Dollars for damage liability. If person limits are specified, they shall be for not less than One Million Five Hundred Thousand and No/100s (\$1,500,000.00) Dollars per person and be for the same coverages. The City shall be named as an additional insured therein. Insurance shall cover:

1. Public liability.
2. Independent contractors--protective contingent liability.
3. Personal injury.
4. Contractual liability covering the indemnity obligations set forth herein.

8. ADMINISTRATIVE REQUIREMENTS.

- A. **Accounting Standards.** The Grantee agrees to maintain the necessary source documentation and enforce sufficient internal controls as dictated by generally accepted accounting practices to properly account for expenses incurred under this Agreement.

B. **Records.**

1. *Retention.* The Grantee must retain all records pertinent to expenditures incurred under this Agreement until conclusion of the latest of (a) six years after the Grantee has completed the Program; (b) six years after the Grantee has expended all proceeds of the Subgrant; or (c) six years after the resolution of all audit findings. Records for nonexpendable property acquired with funds under this Agreement must be retained for six years after final disposition of such property. Records for any displaced person must be kept for six years after he/she has received final payment.

2. *Inspections.* All Grantee records with respect to any matters covered by this Agreement must be made available to the City, DEED or their designees at any time

during normal business hours, as often as the City or DEED deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

3. *Audits.* If requested by the City, the Grantee must have an annual financial compliance audit conducted in accordance with the City's requirements. The Grantee must submit two copies of such audit report to the City. Any deficiencies noted in such an audit report or an audit/monitoring report issued by the City or its designees must be fully resolved by the Grantee within a reasonable time period after a written request from the City. Failure of the Grantee to comply with the provisions of this paragraph will constitute a violation of this Agreement and may result in the withholding of future payments or the requirement for Grantee to return all or part of the funds already disbursed.

4. *Data Practices Act.* The Grantee must comply with the Minnesota Government Data Practices Act, Chapter 13.

5. *Close-Outs.* The Grantee's obligation to the City does not end until all closeout requirements are completed. Activities during this close-out period include: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and receivable accounts to the City), determining the custodianship of records and resolving audit findings.

C. **Payments.** The City will pay to the Grantee funds available under this Agreement based upon information submitted by the Grantee and consistent with any approved budget and City policy concerning payments. Payments may be adjusted at the option of the City in accordance with advance funds and program income balances available in Grantee accounts. In addition, the City reserves the right to liquidate funds available under this Agreement for costs incurred by the City on behalf of the Grantee.

D. **Procurement.** The Grantee must maintain an inventory record of all nonexpendable personal property procured with funds provided under this Agreement. All unexpended program income must revert to the City upon termination of this Agreement.

9. MISCELLANEOUS.

A. **Assignability.** The Grantee may not assign or transfer any interest in this Agreement (whether by assignment or novation) without the prior written consent of the City; provided, however, that claims for money due or to become due to the Grantee from the City under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer must be furnished promptly to the City.

B. **Copyright.** If this Agreement results in any copyrightable material, the author is free to copyright the work, but the City and/or DEED reserves the right to royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, the work for government purposes.

C. **Relationship of the Parties.** It is agreed that nothing herein contained in intended or should be construed in any manner as creating or establishing the relationship of co-partners, joint ventures, or joint enterprise between the parties hereto or constituting

either party as an agent, representative or employee of the other for any purpose or in any manner whatsoever.

D. **Governing Law.** This Agreement will be governed by, and construed in accordance with, the laws of the State of Minnesota.

E. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, but all of which together shall constitute but one and the same instrument. Signatures to this Agreement transmitted by facsimile, by electronic mail in “portable document format” (“pdf”), or by any other electronic means which preserves the original graphic and pictorial appearance of the Agreement, shall have the same effect as physical delivery of the paper document bearing the original signature.

10. ENTIRE AGREEMENT. This Agreement contains all negotiations and agreements between City and Grantee. No other understanding, agreements or understandings regarding the Grant Agreement, or this Agreement, may be used to bind either party

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed intending to be bound thereby.

Form C. Work Plan Narrative:

This information can be copied from your proposal, section 1-5 of the evaluation criteria. If making changes from awarded proposal, highlight all areas changed.

Section 1: Equity Analysis

Duluth Workforce Development (DWD) has a strong commitment to serving individuals who continue to be excluded from economic progress. Employment and income disparities are some of our community's greatest challenges - at a time when unemployment is at an all-time low, hovering around 3% in Duluth, unemployment rates for African Americans and Native Americans are 23% and 13% respectively. Poverty rates in our community also remain high - a staggering 65% of African American households and 50% of Native American households have incomes below the poverty line.

While just 10% of Duluth's population are people of color, more than one third of those served at CareerForce in Duluth are African American, Native American, or bi-racial. Just under 30% of those served have a disability, and most of the clients served through our programs are low-income and face other barriers to employment. SOAR Career Solutions, our case management partner, specializes in serving individuals with criminal backgrounds, and all of their clients face multiple employment barriers.

The Duluth Workforce Development Board (DWDB) has made addressing employment disparities its top priority, and is working on a number of local and regional initiatives to address equity. Increasing diversity of both board membership and staff is also a key priority. Nine percent of DWDB members list a race other than white, and 4% of board members report having a disability. Among DWD staff, 6% are people of color and 6% have a disability. The DWDB Equity Committee has been working to build

strategic relationships and recruit new members who better represent the communities we serve, with specific interest in attracting and engaging members from the African American and Native American communities. We have also been making changes that will help increase diversity of staff, including revising job descriptions to remove the college degree requirement and making changes to our hiring process to remove opportunities for implicit bias. In addition, all CareerForce staff and board members in the Northeast region are participating in an Intercultural Development Inventory process that includes individual and group work to improve both our workplace culture and the way we deliver services.

Along with our partner organizations, we have been taking a close look at how to better ensure people of color and other underrepresented communities are present at tables where decisions are made and solutions are designed. We have been actively engaging with community organizations who serve and represent people of color, and will continue working to build stronger collaborative relationships through program implementation. Part of this proposal includes resources set aside to strengthen our recruitment of eligible populations and supporting long term employment retention after completing training.

Section 2: Proposed Services

Pathway Model The proposed program is based on Model 3, and builds on our existing model offering a comprehensive and accessible training pathway linked to in-demand careers in our community. The program will serve a total of 90 participants across three pathway options: Certified Nursing Assistant (CNA), Health Services, and Commercial Driver's License (CDL). **On-ramp** (35 participants, approx. 40% of total served)

Participants testing at a 6th grade level or below, or who test higher but could benefit from this component, will be referred to ABE for reading and math remediation and basic digital literacy instruction, and to CareerForce Duluth and SOAR for pre-employment readiness training. Participants who complete the on-ramp will earn certificates for completing SOAR's CareerQuest and Mind Over Matters workshops, Creative Job Search or other employment readiness workshops at CareerForce, and/or Northstar Digital Literacy certificates through ABE. Participants will then exit to employment or continue on to Bridge training. **Bridge** (70 participants, approx. 80% of those served) Participants who test at or above a 7th grade level, or who have completed the on-ramp, will be enrolled in the Bridge. This includes 40 hours of contextualized instruction by ABE as well as instruction by Lake Superior College instructors and will result one of three industry-recognized certifications – Certified Nursing Assistant, Health Services Credential, or Commercial Driver's License. CNA participants will also earn a Basic Life Support certification. Health Services participants could also earn additional Northstar Digital Literacy certificates in Microsoft Office and email skills. Bridge participants who elect to take their classes for college credit will be enrolled in Integrated training. **Integrated** (70 participants, 80% of those served) Technical instruction will be taught by LSC, with in-class support provided by ABE. Students will earn college credit to be applied toward furthering their educations in their chosen career pathway. CDL students will earn 10 credits which can be applied towards the Advanced Truck Driving Certificate (16 credits), or the credits can be used to satisfy elective credits towards any degree. CNA students will earn 4 credits that meet a pre-requisite for LPN and RN programs. Health Services students will earn 4

credits (3 for Medical Office Procedures and 1 for Medical Terminology) which meet requirements for many health career programs.

We continue to choose these career pathways because they meet a critical need among employers, offer many opportunities for continued education and advancement, and are accessible to eligible populations we serve. Healthcare is the region's largest industry, with projected job growth of 10% in the next decade. Nursing Assistants and Health Information Technicians are both among the highest occupations in demand within healthcare. In the construction industry, more than \$1 billion in projects will break ground this year, including major highway and road construction projects. Truck drivers earn a good wage, and represent a top in-demand occupation in our region. There are approximately 300 individuals in the construction industry working in material transportation, and demand will grow as local construction contractors hire more drivers to transport materials to and from project sites. These projects, particularly the MNDoT Twin Ports Interchange project and upcoming City of Duluth road projects, carry women and minority hiring goals that will create opportunities for CDL graduates.

Program Components All seven required components are addressed in this model. The program aligns with our two regional sector strategies. Participants may enter at the On-ramp or Bridge, and may successfully exit to employment after completing the On-ramp, Bridge, or Integrated components. Partners will actively collaborate on implementation, and will meet regularly to ensure delivery is successful. Employers will also be actively engaged, attending Bridge and Integrated training to talk about job opportunities and long-term career pathway options and conduct mock interviews. Participants receive contextualized instruction at all levels, and will have the opportunity

to earn certificates, industry-recognized credentials, and college credit. Throughout training, participants will receive comprehensive support from skilled Navigators at SOAR and DWD. In addition to case management and job placement assistance, Navigators will serve as a consistent point of contact for both participants and instructors, intervening to problem solve early and often. Navigators will also make referrals as needed to other resources in the community and through LSC.

Program Innovations Using lessons learned from the previous round, we have made several improvements and innovations aimed at improving our effectiveness and the quality of services we provide. For the CNA pathway, we have further developed and strengthened bridge and integrated instruction, resulting in better collaboration between the ABE and LSC instructors in delivering the curriculum. We have also added the opportunity for some CNA graduates to earn their Trained Medication Aide certificate, which opens up additional, higher-paid employment opportunities. For the CDL pathway, we have adapted the program to new federal Department of Transportation rules, to ensure participants are getting the best and most up-to-date training available. This includes use of new simulators at LSC, where participants get additional practice before beginning the on-the-road portion. For Health Services, we have worked with employers to refine the curriculum and ensure it aligns with skills required for specific jobs. We have also added completion of Medical Office Procedures for 3 additional credits, and orientation toward a broader range of healthcare career pathways, including aging services and behavioral health. For all pathways, additional time is built in for regular check-ins between Navigators and instructors, to ensure participants are getting the best attention and support needed to complete training.

Staffing Plan DWD and SOAR each have dedicated staff who will be responsible for recruitment, assessment, enrollment, case management, job placement, and all Workforce One data entry. SOAR and DWD will also provide employment readiness training woven throughout the On-ramp, Bridge, and Integrated components. ABE teachers, all of whom have prior experience working with our three career pathways, will provide On-ramp, Bridge, and Integrated instruction. LSC instructors are industry professionals, and will provide credit-bearing technical instruction.

Outcomes Of the 90 individuals served through the program, 35 will participate in On-ramp training and 70 will enroll in the Bridge and Integrated components. Of those who begin Integrated training, 80% will graduate. Participants in the CNA pathway will earn 3 units of college credit, and will complete 140 hours of Bridge and Integrated technical instruction before passing the NATO exam. Participants in the Health Services pathway will earn up to 4 college credits, and will complete 224 hours of Bridge and Integrated technical instruction. Participants in the CDL pathway will earn 10 college credits, and will complete more than 260 hours of Bridge and integrated technical instruction. Across all pathways, 90% of those who graduate will be placed in employment, with an average increase in wage of \$5.50.

Section 3: Geographical Location

This project will serve participants living in and around Duluth, and aligns with the two primary industry sectors outlined in our regional plan – construction and healthcare. There are employer-led sector initiatives for both, and each have identified both recruitment and retention as a significant challenge. Region-wide, there are just 0.7 jobseekers per vacancy, and the workforce shortage is putting pressure on all

businesses. According to LMIWise, our region projects 311 annual openings for Nursing Assistants, with a median wage of \$14.89 per hour; 121 annual openings for Medical Secretaries and Medical Records Technicians, with a median wage of \$17.97-\$21.61 per hour; and 500 annual openings for Heavy and Tractor-Trailer Truck Drivers, with a median wage of \$20.46 per hour. DEED data on racial disparities in employment outcomes after college shows that the wage gap between whites and individuals of other races shrinks when individuals complete a degree or certification and enter a high-wage, high-demand career pathway in hospitals or construction. Employers in both sectors have also expressed interest in improving recruitment and retention of people of color, and are open to new ideas in how to hire and support individuals with disabilities or barriers to employment as a way to address their workforce needs.

Section 4: Partnerships and Collaborations

There are many critical partnerships that will support implementation of this program. SOAR Career Solutions will assist in recruitment, case management, and placement of program participants. SOAR will also be an active partner in overall program coordination. Our local ABE office will manage TABE testing of all program applicants, and provide bridge and integrated instruction. Lake Superior College will provide technical instruction and classroom space for all training classes.

Employers are critical partners in this program. In addition to helping design training curriculum that teaches relevant skills, employers will engage with the class during training in a number of ways. All will visit the class to talk about a typical day on the job, and what it takes to succeed. All will assist with mock interviews to allow participants to practice their skills. Where possible, employers will also host visits to work sites so

participants may see work in action. And all employers are committed to considering graduates for open positions.

Section 5: Participant Recruitment, Intake, and Retention Strategy

There are many lessons learned that have helped inform our approach to recruitment for this program. To start, LSC will ensure training for this round can be scheduled at times when parents are more available to attend, which will help with recruitment. Additionally, we will implement a number of new recruitment strategies:

- Launch of a marketing campaign, including website, marketing materials, and social media;
- Engagement sessions in partnership with community organizations serving people of color and delivered in a culturally relevant format;
- In-person outreach through churches, affordable housing complexes, and community social gatherings;
- Presentations to MFIP employment counselors from all community providers, with detailed information including Labor Market Information, wages, and career pathway opportunities;
- Partnership with YES Duluth, our youth program, to recruit graduating seniors.

Once interested individuals are identified, the client is assessed using a structured interview process based on MFIP employability measures to determine their likelihood to succeed in their chosen goal. This step may illuminate the need for referral to other agencies or resources to help achieve the stability needed to succeed. Reading and Math testing is administered to assess a grade level assessment of those skills, and determine whether the individual should start at the On-ramp or Bridge. At time of enrollment, an individual employment plan is written in cooperation with the client and revisited at least once per year. Participants take part in one-on-one and group employment readiness training, including SOAR's CareerQuest and Mind Over Matters

workshops and CareerForce employment readiness workshops for those enrolled in the On-ramp. Supportive services are available based on assessed need to provide things like transportation assistance and appropriate work clothes and shoes. We will utilize \$100 in supportive services funds per class to purchase refreshments for the graduations of all 6 classes at the conclusion of the bridge and integrated trainings. We have found these graduations to be very important to the students as it's a wonderful opportunity for their families, support systems and trainers to come together to honor their accomplishments. The funds will be used for refreshments for these graduations. During training, Navigators visit the class at least once a week to check in with participants and instructors. After training is completed, Navigators remain in frequent contact to focus on job placement, continued education, and additional support needs. Participants who are eligible and interested in continuing their education may be co-enrolled in WIOA Adult or connected to employer-based initiatives aimed at supporting career advancement.

Previous P2P training classes have been successful. Over the past two years, we have served a total of 68 individuals to date, with more expected in our final Health Services class. Of those enrolled in each, 71% completed Bridge training and 84% completed Integrated training and earned a credential. Additionally, 85% made educational functioning level gains. To date, 21 graduates have been placed in employment.

Attachment 2: Budget

Please complete budget form in **cumulative manner**. Leveraged funds are not required, however grantees are encouraged to leverage federal, private, or other funds. You are also not required to use all cost categories. Please see "Fiscal – Guidance on Cost Category Definitions" to determine how to categorize expenditures.

Dear Ms. Foshay,

On behalf of the Department of Employment and Economic Development, we would like to thank you for your interest in the Pathways to Prosperity Competitive Grant. We received nearly \$21 million funding requests and we had only \$10,940,160 available to award in this funding cycle.

It is our pleasure to inform you that your organization's proposal, "Duluth Career Pathways Program", has been selected to receive a grant of \$189,250 for State Fiscal Year 2020 and \$189,250 for State Fiscal year 2021. Ann Meyers, Adult Career Pathways Program Coordinator will contact you to finalize your award. Ms. Meyers can be reached at Ann.Meyers@state.mn.us

DEED will be hosting a webinar for Pathways to Prosperity Competitive grantees in order to answer any questions organizations may have about contracting with DEED, project implementation and reporting requirements. This meeting/webinar will be held this fall; more details to follow.

Congratulations on your successful proposal. We look forward to working with you to help make Minnesota a state where everyone has an opportunity to succeed.

Regards,

Steve Grove

Introduction

This Guide is one of the tools used to determine whether the Minnesota Department of Employment and Economic Development's (DEED) Providers/Grantees (referred to as Grantee, moving forward) have developed and implemented sound administrative, financial and accounting strategies, policies, procedures, and systems to ensure the Grantee (itself as an entity) and any sub-grantees or sub-recipients have the administrative and fiscal capacity, and financial health to carry out the activities of the grant, serve grant participants, manage the grant funds, and segregate the multiple funding sources to ensure optimal use of the grant funds. Monitoring is not only to be carried out by DEED at the Grantee level, but also by the Grantee at the sub-grantee/sub-recipient level.

The Annual Assessments/Local Unified Plan (as applicable), Equal Opportunity (EO) and Americans with Disabilities Act (ADA) Annual Assessment, and Program Monitoring reports, etc. will be reviewed as they relate to the various sections of this Guide.

Instructions

Employment and Training Grantees are required to submit an Annual Fiscal Monitoring Guide to the Minnesota Department of Employment and Economic Development (DEED) in order to receive and continue to receive federal, state, and other funding.

Return this populated guide to: WSCD.Notifications@state.mn.us, with the following attachments:

- Liability Insurance Policy
- Most recent Audit Report, if not on file with DEED.
- Inventory List of equipment and other purchases made with DEED grant funds.
- Organizational Chart for the agency.
- Chart of Accounts related to DEED's grants.

All sections of this guide must be completed by the Grantee.
