3. Neither party intends that the provisions of this paragraph 7.8 will operate to increase the Employer's costs of operation or of providing benefits.

3. The Employer must approve the schedule to be implemented.

27.11. Receipt of long-term disability income protection benefits shall cease at the expiration of 24 months from the date of injury or illness causing such total disability unless the Employee has complied with Section 27.10 of this Article and has been determined to be returned to work, or to be rehabilitated and/or retrained, or to be eligible for continuing total disability benefits because the Employee is disabled as defined in paragraph 27.10.c. Such determination shall be based upon verification by the Employee's treating physician, or a physician appointed by the City, that the determination is consistent with the Employee's medical condition. If there is disagreement with the Employer's determination, it shall be resolved pursuant to the Grievance procedure of Article 35.

ARTICLE 28 - LEAVES OF ABSENCE

28.1. Any Employee who for any reason approved by the Appointing Authority desires to secure leave from their regular duties, may, on written request approved by the Appointing Authority, be granted special leave of absence without pay for a period not exceeding one (1) year, provided; however, any leave that exceeds thirty (30) calendar days must also be approved by the ~~Chief Administrative Officer~~City Administrator.

28.2. Any Employee asking for special leave without pay shall submit their request in writing, at least fifteen (15) calendar days prior to the date the Employee desires the leave, stating the reasons why in the Employee's opinion the request should be granted, the date when the Employee desires the leave to begin and the probable date of the Employee's return.

28.3. The Appointing Authority or ~~Chief Administrative Officer~~City Administrator shall respond within five (5) calendar days of the request for each special leave of absence without pay in writing, stating if the leave is to be approved, whether the Employee granted such leave shall be entitled to their former Position upon the Employee's return from such leave or whether their name shall be placed

on the re-employment list for the class for which the Employee is classified.

28.4. No benefits or seniority shall be lost by the Employee during leaves of thirty (30) calendar days or less. No benefits or seniority shall be accrued after the first thirty (30) calendar days of any leave. Any Employee wishing to be covered under the City's insurance plans may for the first six (6) months of such leave pay the Employee's and the Employer's share of the cost of coverage.

28.5. Leaves of absence without pay for a period of less than thirty (30) calendar days may be granted by a department head. Leaves of absence for over three (3) consecutive days should not be approved by any department head except for the following reasons:

- a. When it is shown that the City will benefit from such leave.
- b. Personal or family emergency.
- c. As provided for in Section 28.6 of this Article.
- d. Service upon a Board or a Commission where such leave is required for attendance at such meeting, and/or will benefit the City.

28.6. Military leaves of absence shall be granted with pay for up to fifteen (15) days per year as required by Minnesota Statutes Section 192.26, or any act amendatory thereof. Where possible, all military leaves with pay shall be taken while the Employee is not working, and no Employee under this agreement shall request of the military unit to which the Employee is assigned, or the Commander thereof, that the Employee be assigned or authorized military duty for which the Employee would be entitled to leave with pay from the City during the time the Employee is working.

28.7. City Employees who are officers or appointed representatives of the Employees' organization or appointed to its staff for the purpose of performing services for such organization shall be afforded reasonable time off for the purposes of conducting the duties of the Employee organization; and shall, upon request, be provided with leaves of absence to the elected or appointed capacity of the exclusive representative as required by law.

28.8. An Employee accepting an appointed Position with the City shall be on a leave of absence during the period of such appointment and upon the expiration of such appointment shall be reinstated to the class held prior to such appointment.

ARTICLE 29 - TRANSFERS AND DEMOTIONS WITHIN CLASSIFIED SERVICE

29.1. The Transfer of an Employee from a Position in one class to another Position in the same class in the same department shall be called an Assignment and may be made by the Appointing Authority; provided, that if change in the rate of compensation is involved, the Assignment may be made only if the consent of the Board is obtained.

29.2. Departmental Transfers. The Transfer of an Employee from a Position in one job title to another Position in the same job title in a different department shall be called a departmental

Transfer, and may be made only with the consent of the Appointing Authority or authorities concerned and the Employee; provided, that if, in the judgment of the Appointing Authority of the department to which the Employee is Transferred, the services rendered by the Employee are not satisfactory, or if the Employee feels that the new Position is unsatisfactory, such Employee shall be returned to their original Position at any time within thirty (30) calendar days after the department Transfer is made.

29.3. Any Employee who desires to be Transferred may inform the ~~Chief Administrative Officer~~City Administrator in writing of such desire, stating the reasons therefor, and the ~~Chief Administrative Officer~~City Administrator shall, if they considers the reasons sufficient and if the ~~Chief Administrative Officer~~City Administrator thinks such Transfer will be for the good of the City service, call to the attention of the Appointing Authorities concerned the desire of the Employee to be Transferred when a Position in some other departmental unit becomes vacant; provided, that the ~~Chief Administrative Officer~~City Administrator may themselves take the initiative recommending Transfer when they consider such actions for the good of the City service.

29.4. The Voluntary Transfer of an Employee shall result in suspension of seniority in the original department; provided, that return to the original department shall revive the seniority so suspended. No seniority shall be lost in involuntary Transfers.

29.5. a. Upon the request of an Employee and the Appointing Authority an Employee may be reclassified from a higher to a lower classified Position, which in the discretion of the Appointing Authority, the Employee is eligible to fill.

b. The Appointing Authority proposing the Demotion of an Employee shall make their recommendation in writing to the ~~Chief Administrative Officer~~City Administrator, and shall supply the Employee with a copy of such recommendation, and such recommendation shall give the future date on which the proposed Demotion is to become effective, the class to which it is proposed to demote the Employee, the new rate of pay, and any other information that the ~~Chief Administrative Officer~~City Administrator may require; including the specific reasons why the Demotion is being recommended; provided, that the recommendation shall also advise the Employee that they may grieve pursuant to Article 35 of this Agreement if the Employee does not agree with the Appointing Authority's recommendations.

c. Upon the decision of the ~~Chief Administrative Officer~~City Administrator to approve a recommendation of Demotion, they shall submit said approved recommendation to the next Civil Service Board meeting for the appropriate classification changes.

ARTICLE 30 - DISCIPLINE, SUSPENSIONS, REMOVALS

30.1. Discipline.

Disciplinary action may be imposed upon an Employee only for just cause. Disciplinary action may be grieved by the Employee through the regular Grievance procedure as provided in Article 35. Disciplinary action shall include only the following: 1) written reprimand; 2) suspension; 3) Demotion; and 4) removal. Except in the case of a severe breach of discipline, any

suspension, Demotion, or removal action shall be preceded by a written warning. An Employee shall be given the opportunity to have a Union representative present at any questioning of the Employee during a meeting with a Manager or the Appointing Authority for the purpose of determining what disciplinary action against the Employee will be taken. If the Appointing Authority has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the Employee before other Employees or the public.

30.2. Suspensions.

a. The Appointing Authority or any Manager acting for them in their absence, may for disciplinary purposes suspend without pay any Employee under their supervision from the performance of their duties.

b. Employee to be Notified of Suspension. In case the Appointing Authority or the supervisor acting in their place suspends any Employee, the supervisor shall forthwith give written notice to the suspended Employee stating the reason for the suspension and the duration thereof, and shall forthwith personally deliver such written notice to the Employee or send by certified mail to their last known address; the supervisor shall also forthwith send to the Union a copy of such notice sent to the Employee. Such notice shall also advise the Employee that they may grieve pursuant to Article 35 if the Employee disagreed with the action of the Appointing Authority.

30.3. Removals.

a. An Appointing Authority may remove any Employee who has completed the probation period prescribed in accordance with the Duluth Civil Service Code (Duluth City Code Chapter 13) only for just cause.

b. Any charges filed against any Employee shall state specifically the just cause or causes the Appointing Authority feels are sufficient to constitute grounds for removal, and in addition, the specific act or acts of such Employee constituting such cause; provided, that in no case shall such vague and indefinite charges as "for the good of the City" be considered for removal and that in no case may an Employee be removed on account of their religious or political opinions or affiliations or for refusing to contribute to a political fund or to render political service.

c. Any Employee proposed to be removed for just cause, shall be notified in writing of the charges against them, the date of separation, and the rights of the Employee to file a formal Grievance under the union contract. The Appointing Authority shall forthwith personally deliver such written notice to the Employee or send by certified mail to the Employee's last known address and shall also forthwith send to the Union a copy of such notice sent or delivered to the Employee.

30.4. If the Employee being removed files a Grievance or demands a veterans hearing, the Employee shall be placed on suspension without pay until the Grievance is resolved except during the time where suspension without pay is prevented by law.

30.5. When an Employee is removed or suspended pending removal, the Employee may utilize the arbitration procedure or the Civil Service Board hearing procedure to review the removal, but the Employee must choose to use only one of the procedures, and shall be allowed only one hearing procedure to review the removal.

ARTICLE 31 - RESIGNATIONS

31.1. Any Employee who wishes to resign in good standing shall give the Appointing Authority written notice of at least two (2) weeks, unless the Appointing Authority consents to their leaving on shorter notice. ~~Such notice of resignation shall be forwarded forthwith to the secretary by the Appointing Authority, together with a report as to the character of the Employee's services.~~

31.2. If any Employee resigns without giving the required notice, ~~the secretary shall enter that fact on the Employee's roster card, and such failure to give the required notice such failure to give required notice~~ may be considered sufficient reason for rejecting any future application from the Employee ~~to enter tests.~~

31.3. Any Employee who has resigned after giving proper notice may, within thirty (30) days after termination of employment, and with the consent of the ~~Board~~City Administrator, withdraw their resignation and be restored to the position vacated if such position is still in the classified service, and if it is still vacant or is filled by a provisional Employee; if it is not thus available, they may, upon written request to the secretary, have their name placed on the re-employment list for the appropriate class. A person who returns to employment pursuant to this paragraph shall not forfeit their seniority held before resignation.

31.4. Any Employee who is absent from duty for three (3) consecutive business days without securing leave from their ~~superior officers~~supervisor or without notifying them of the reason for their absence and the time when they expect to return, or who fails to notify ~~the secretary~~Human Resources of their readiness to resume their duties within five (5) days after the expiration of a leave of absence, shall be considered to have resigned, and such resignation shall be treated as a resignation without notice ~~and a report thereof made to the secretary.~~

ARTICLE 32 - LAYOFFS OF EMPLOYEES

32.1. When it becomes necessary, through lack of work or funds, or to obtain efficiencies, or for other causes for which an Employee is not at fault, to reduce the number of Employees within a department, the following procedure shall apply:

- a. All temporary, all non-classified provisional, and substitute Employees shall be the next to be laid off within a department.
- b. Permanent Employees who are substituting or temporarily filling a vacant Position shall, during any layoff, return to their permanent Position.
- c. Permanent Employees who are promoted provisionally shall, during any

layoff, return to their former permanent Position.

d. Layoffs shall be done in the reverse order in which the affected Employees' names appear on the seniority roster (names of least senior Employees shall appear toward the bottom of the roster and shall be laid off first). Seniority rosters by classification shall be maintained by the Union and made available to the Employer upon request. For purposes of the order of names on the seniority roster, seniority shall be determined first by the total department years as a permanent Employee in the classification. If a tie then exists in seniority years, then seniority order shall be determined by total years of permanent classified service with the City. Then, if a tie still exists, the order of seniority shall be determined from an average of the three most recent Employee efficiency ratings. If less than three ratings are available, then the number of available ratings shall be used. The highest ratings average shall result in the highest position on the seniority roster.

e. Once each year, an Employee, in writing to the Union and the department Manager, may direct that their name be placed in a designated, lower position on the seniority roster. The Employee may do this only voluntarily, of their own free will, and in total absence of coercion. If the requirements of this paragraph are met, the Employee's name shall be placed in the designated order on the seniority roster, and layoff order will thus be changed. If Union, Employer, or Employee believes the Employee's action under this paragraph is not fully voluntary, a Grievance may be filed.

f. Bumping: When an Employee is laid off in such class in the work force, they shall be permitted to exercise their seniority rights to bump -- replace an Employee with less seniority. Such Employee may, if they so desire, bump any Employee in a lower job classification provided the bumping Employee has greater seniority than the Employee whom the Employee bumps and shall be accomplished according to the following procedure:

(1) Elimination of a Position in a job series, other than entry level and where an Employee is affected, the following bumping procedure shall apply:

(a) The least-senior Employee(s) in the lowest class in a job series shall be laid off first.

(b) Employee(s) in the next-higher class shall be given the option to bid on the vacant Position(s) by total seniority. If no Employee(s) choose to take the lower Position, the least-senior Employee(s) shall be required to fill the lower Position. This procedure shall be followed in each higher class until the Position which was eliminated is reached.

(c) Any Employee who is the least senior and who chooses not to take a lower Position shall be placed on the re-employment list and the laid-off Employee in the class so affected shall be rehired if laid off.

(2) When a Position that is not in a negotiated job series is eliminated, the Employee lowest (least-senior) on the seniority roster shall be laid off first.

32.2. Provided, further, that any person laid off under the provisions of this section shall have the same rights with respect to seniority in the higher job class as if they had been actually so employed.

32.3. For the purposes of this Article, all Employees in the clerical or stenographic series are to be considered as one (1) department. Total Continuous Employment with the City shall apply.

32.4. For the purposes of this Article, job class shall be defined to mean a job title that has been classified by the Civil Service Board or by the City Council as a permanent Position within the City.

32.5. For the purposes of this Article, series of job classes shall be defined to mean a series of job titles sufficiently similar in respect to the duties, responsibilities, and authority thereof that the same descriptive title may be used to designate each Position allocated to the job title, that the same requirements as to education, experience, capacity, knowledge, proficiency, ability may be used to choose the qualified Employee. All series of job titles shall be determined by the Personnel Committee. "Series of Job Titles" does not refer to a list of jobs held by a particular Employee during tenure with the City.

32.6. Demotions made in accordance with this Article are not subject to the requirement contained in the Demotion Article, but are subject to the Grievance procedure, Article 35.

32.7. The Appointing Authority shall notify in writing the Employee or Employees to be laid off at least ten (10) working days prior to actual layoff and shall forthwith transmit to the Civil Service Board and the Union the names of those so notified.

32.8. An Employee who is laid off for cause not attributable to the Employee pursuant to this Article, and ceases to be employed by the Employer shall be entitled to severance pay in an amount not less than two (2) months' salary payable under this contract for the Position the Employee permanently occupied at the time of layoff. The right to severance pay attaches at the time of layoff. For convenience of the Employer, the severance pay is payable in installments at the times specified in Article 12, and at the rate of the Position from which the Employee was laid off.

32.9. If the Employee is recalled to work, or offered work by the Employer at the same or higher salary than that at which Employee was paid at the time of layoff, then the Employee shall forfeit back to the Employer any amount of severance pay not already paid to the Employee. If the Employee is laid off from this re-employment Position, then the City shall pay, in the manner specified above, the amount of severance pay that would have been payable had the Employee not forfeited it by being recalled to work.

32.10. If the Employee is recalled to work the Employee shall retain their seniority date and seniority years of service, excluding time in excess of thirty (30) days that Employee was laid off.

ARTICLE 33 - RE-EMPLOYMENT LIST

33.1. The name of any Employee who has been laid off shall be placed on the re-employment list. The Employer shall enter on the appropriate re-employment list(s) the names of those eligible for re-employment and those who desire to be re-employed when vacancies occur in the class(es).

33.2. The names shall be arranged on the re-employment list for each class and all lower classes in the same series, in the order of their total seniority in that and higher classes; provided, that if any Employee has not been re-employed, the Manager of Human Resources, Healthcare & Safety shall, on or about the anniversary date of the layoff, contact each person laid off by certified mail to determine if such person is interested in remaining on such list(s). If the person is no longer interested, or without giving a satisfactory reason, refuses to accept an appointment offered them, the Manager of Human Resources, Healthcare & Safety may remove their name from any re-employment list. An Employee refusing to accept an appointment for a Position in a lower class than the one from which they were originally laid off shall have their name removed from such list.

ARTICLE 34 - JURY DUTY

34.1. Employees shall receive a leave of absence with pay for any required appearance for jury duty; provided, however, that if an Employee is released from such duty prior to the expiration of their normal workday, they shall immediately return to their job and continue their duties as an Employee.

ARTICLE 35 - GRIEVANCE PROCEDURE

35.1. An Employee or group of Employees with a Grievance shall within twenty-one (21) calendar days after the first occurrence of the event giving rise to the Grievance present such Grievance through the Union in writing to the appropriate department head or, in the absence of such department head, to the department head's authorized representative.

35.2. Within five (5) calendar days after receipt of a copy of the Grievance, the ~~Chief Administrative Officer~~City Administrator or their designee shall assign a fact-finder to investigate the Grievance. The fact-finder shall, within twelve (12) calendar days of such assignment, make a written report of their findings to the ~~Chief Administrative Officer~~City Administrator, the department director, and the Union.

35.3. The department head or their authorized representative shall present the Employer's position in writing to the Employee or Employees and the Union within twelve (12) calendar days after receipt of such Grievance. Grievances not resolved within the department must be presented by the Employee or Employees through the Union in writing to the ~~Chief Administrative Officer~~City Administrator within twelve (12) calendar days after the department head has given their reply to such Grievance. The ~~Chief Administrative Officer~~City Administrator shall reply in writing to the aggrieved Employee or Employees and the Union within twelve (12) calendar days after receipt of such Grievance. The resolution of Grievances settled by the procedures set forth

in this paragraph shall be reduced to writing and signed by the Employee or Employees, the Union, and the Employer.

35.4. If the Grievance is not settled in accordance with the foregoing procedure, the Union may, within twelve (12) calendar days after receipt of the reply of the ~~Chief Administrative Officer~~City Administrator, submit the Grievance to arbitration by serving notice in writing of such submittal upon the ~~Chief Administrative Officer~~City Administrator. Either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of either five (5) or seven (7) arbitrators. The parties shall each have the right to alternately strike a name from the panel until one remains. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of their selection by a joint letter from the parties requesting that they set a time and a place for a hearing on the Grievance, subject to the availability of the parties.

35.5. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. They shall consider and decide only the specific issue(s) submitted to them in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to them. More than one (1) Grievance may be heard by the same arbitrator by mutual agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a Grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit their decision in writing to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon their interpretation of the meaning or application of the express terms of this Agreement to the facts of the Grievance presented.

35.6. The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator violates the guidelines imposed upon them by the provisions of this Article.

35.7. The fee and expenses of the arbitrator shall be divided equally between the parties; provided, however, that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.

35.8. If a Grievance is not presented within the time limits set forth above, it shall be considered waived. If a Grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a Grievance or an appeal thereof within the specified time limits, the Employee or Employees or Grievance Committee may elect to treat the Grievance as denied at that step and immediately appeal the Grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.

35.9. All documents, communications, and records dealing with a Grievance shall be

filed separately from the personnel files of the Employees involved. Access to all information necessary to the determination and processing of a Grievance shall be made available to all participants.

35.10. If, as a result of the reply of the ~~Chief Administrative Officer~~City Administrator or their designee's response in Section 35.2, the Grievance remains unresolved and if the Grievance involves the suspension, Demotion, or discharge of an Employee who has completed the required probationary period, the Grievance may be appealed either through this Article or to another procedure such as Veterans Preference or fair employment. If appealed to any procedure other than this Article, the Grievance shall not be subject to the arbitration procedure provided in this Article. The aggrieved Employee shall indicate in writing which procedure is to be used – this Article or an alternative procedure – and shall sign a statement to the effect that the choice of an alternate procedure precludes the Employee from making an appeal through this Article.

The election set forth above shall not apply to claims subject to the jurisdiction of the United States Equal Employment Opportunity Commission. An Employee pursuing a remedy pursuant to a statute under jurisdiction of the United States Equal Employment Opportunity Commission is not precluded from also pursuing an appeal under the Grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in *EEOC v. Board of Governors of State Colleges and Universities*, 957 F. 2d 424 (7th Cir.) *cert. denied*, 506 U.S. 906 (1992), or if *Board of Governors* is judicially or legislatively overruled, this paragraph of this Section 35.10 shall be null and void.

ARTICLE 36 - LABOR MANAGEMENT AND PERSONNEL COMMITTEE(S)

36.1. Labor Management Committee. The Union will work with Employer to create a bona fide labor management committee with the assistance of the Bureau of Mediation Services for the continuing purpose of meeting and discussing matters of mutual concern. The Union and Employer agree that the goal is to establish a citywide labor management committee which shall consist of an equal number of appointed management and City bargaining unit representatives. The citywide Labor Management Committee has the authority to establish labor management subcommittees, including the joint Health Insurance Labor-Management Subcommittee provided for in Article 14.13, monitor their progress, forward subcommittee recommendations to the administration, and dissolve subcommittees. The citywide Labor Management Committee shall operate on a recommendation basis only, and the committee chairs shall mutually determine all questions of process, procedure, and agenda content. The labor management subcommittees shall be responsible for collaboratively addressing common interests that may include, but are not limited to the following:

- Budget-related issues
- Working environment
- Health and safety issues
- Work process and customer service improvement
- Employee recruitment and retention

out the following functions during the period of this Agreement:

Upon the request of either the Union or Employer the Personnel Committee shall meet to discuss job audits and related issues. Unless otherwise stated below, all requests for job audits for the purpose of determining whether the specifications for a job title should be amended, whether certain Positions should be reclassified to a different job title, or whether there is a need to establish a new job title to describe an existing Position shall be reviewed by the Personnel Committee prior to staff audit work.

Upon completion of staff audit work, a copy of the audit shall be sent to the Union no later than fourteen (14) calendar days prior to the approval request.

Effective January 1, 2022, the Employer agrees to make any pay adjustments from job audits effective no later than six (6) months from the date the job audit request is filed.

36.3. The Personnel Committee shall meet and negotiate the pay rate for:

- a. Any new or modified job specification or title resulting from a job audit.
- b. Any new Position with a new title created unrelated to a job audit.

36.4. If the Employer decides to establish any apprenticeship programs for Employees in the unit, then the Personnel Committee shall meet to confer about the establishment of apprenticeship programs. That Committee shall establish a separate set of standards for training and apprenticeship for Employees covered by this Agreement. That Committee shall approve all apprenticeship programs, including training programs, course content, the development of a monitoring system to comply with the programs that are established, and the development of a verification procedure for compliance. If the Employer and Union representatives on the Committee mutually agree on such a program, a supplemental agreement shall be prepared and recommended for approval by the City Council.

ARTICLE 37 - COMPLETE AGREEMENT AND WAIVER OF BARGAINING

37.1. The parties acknowledge that the provisions contained in this Agreement constitute the entire Agreement between the parties and the provisions of this Agreement are not subject to renegotiation, except with the mutual consent of the parties.

ARTICLE 38 - UNION RIGHTS

38.1. All new Employees shall be informed by the Employer that the Union is the exclusive representative of Employees in the unit. The Employer shall provide each new Employee with a copy of this Agreement, together with a list of the officers of the Union, and designated steward in the Employee's department.

ARTICLE 39 - REOPENERS

39.1. The parties agree to meet and confer in the Health Insurance Labor-Management Subcommittee for appropriate changes in hospital-medical benefit Plan, dental insurance Plan, and

Disability Income Protection Plan(s), to achieve reasonable and conservative cost containment suggestions, and then negotiate contract changes, if possible.

ARTICLE 40 - COMPARABLE WORTH

40.1. The Employer agrees to comply with current comparable worth laws. If any changes are necessary, they will be negotiated with the bargaining unit.

ARTICLE 41 - UNIVERSAL LANGUAGE

41.1. The parties agree that in matters of medical and dental Plan benefits premiums, and sharing of Plan costs between Employer and Employee, it is beneficial to both parties to achieve language that is universal in all City bargaining unit Agreements. If during the term of this Agreement, the Employer enters into an Agreement with another City bargaining unit that affects such language, the parties agree to meet and negotiate contract changes to achieve universal language, if possible.

ARTICLE 42 - DURATION OF AGREEMENT

42.1. This Agreement shall be effective as of the 1st day of January, 202~~2~~5, and shall remain in full force and effect through the 31st day of December, 202~~4~~7, and from year to year thereafter as provided by PELRA.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
