To qualify for paid sick leave, the Employee must report off 15 minutes prior to their starting time, and must immediately report off when leaving their duties.

29.2. When an Employee's use of sick leave reasonably appears to be unjustified, the Employer may request that the Employee provide a physician's explanation to justify subsequent absences. The Employer's request shall be in writing and shall state the reason for the Employer's request. No request shall be based solely on the number of sick days used by the Employee.

- A. The Employer's request shall not be considered disciplinary action.
- B. The failure of the Employee to provide the physician's written explanation shall preclude the Employee from further use of paid sick leave.
- C. The Employer's written request shall cease to be in effect six (6) months from the date it is written.
- D. If disciplinary action results from the use of this article, the discipline shall be taken under the Discipline, Suspensions, Removal article of this agreement.

29.3. A Department Head or Acting Department Head may, for work-related reason stated in writing to the Employee, require an Employee to submit to medical examination, paid for by the Employer, to determine an Employee's medical fitness to do tasks of employment or to attend work. The Employee may refuse the first Employer-recommended doctor. The doctor will report only the medical information relevant to the fitness for duty information request.

29.4. For purposes of this article, sick leave is defined to mean the absence of an Employee because of illness or injury, exposure to a contagious disease, and/or attendance upon a member of their immediate family who is ill or injured, provided no Employee, unless officially assigned to special duty, shall be granted paid sick leave for any injury or illness resulting from any gainful employment on any job which is subject to the provisions of the workers' compensation laws of any state, other than regular city employment.

- A. Sick Leave Benefits for Care of Relatives. Employees may use paid sick leave to care for members of their immediate family pursuant to Minnesota Statutes Section 181.9413: absences due to an illness of or injury to a member of the Immediate

Family for reasonable periods of time as the Employee's attendance may be necessary, on the same terms upon which the Employee is able to use sick leave benefits for the Employee's own illness or injury. Pursuant to the minimum requirements of Minn. Stat. 181.9413, except for absences due to the illness or injury of a child, an Employee's use of sick leave in accordance with this Section 29.4(a) shall not exceed 200 hours for 40 hour-a-week employees, or 187.5 hours for 37.5 hour-a-week employees, in any 12-month period.

- B. Medical Appointments: An Employee must obtain prior approval from the Appointing Authority for the purpose of medical, dental, or optical examination or treatment, when such examination or treatment cannot be scheduled other than during working hours. Such absence on paid sick leave shall be approved only when the Employee has made a diligent effort to have such examination or treatment prior to their normal working hours, after work, or on a day off.
- C. Paid Sick Leave on Vacation: Paid sick leave will not be allowed during a previously scheduled vacation unless the Employee or their Immediate Family is under the care of a physician or confined to bed rest because of an unexpected injury or illness and the Employee furnishes signed medical certification to the Appointing Authority indicating the number of days the Employee or their Immediate Family was physically confined in a hospital or to bed rest. The Employee will then receive paid sick leave for those days spent confined or physically attending to their Immediate Family.

29.5. Whenever an Employee is absent on sick leave in excess of three (3) consecutive working days, the Employer may direct such Employee to furnish written explanation by a physician to justify such absence on paid sick leave; failure to furnish such written explanation shall preclude such Employee from being allowed such absence as paid sick leave. This section shall not apply to funeral leaves.

29.6. Temporary Disability. Any Employee who will be temporarily disabled for a period in excess of ten (10) working days may be offered an Assignment to a Position, which may have tasks or equipment modified to accommodate the Employee's medical restrictions, at such Employee's present rate of pay by the City in their present or lower classification, the duties of which the Employee is able to perform. If the City is not able to provide the Employee such Assignment, the Employee may continue to remain on paid sick leave. If such Assignment is refused by the Employee, and justification for the refusal is not provided by the Employee's physician, paid sick leave will be denied. Recognizing the varieties of illnesses and injuries and the Employee's ability to do the assigned work, each case will be evaluated on an individual basis. In case of dispute, the City may use its own physician in making the determination. The City reserves the right to review the Assignment after every twenty (20) working days and to reassign the Employee to their regular duties or extend the period of Assignment.

29.7. Permanent Non-Duty Disability: A classified Employee who has a permanent Non-Duty Disability, which prevents them from performing the duties of their classification, may request an investigation by the Personnel Committee for a determination of what duties they may perform and the proper classification these duties fall under. The committee may then recommend to the Employee's Appointing Authority that a recommendation of Demotion to the new class be made to the Civil Service Board.

29.8. The Employee may be assigned or transferred temporarily to a lower class as provided in Section 29.6 above until the Civil Service Board takes final action, provided that such Assignment shall not result in the denial of promotion to, or the lay-off of, a classified Employee.

29.9. Employee Assistance Program: Any absence approved by the Appointing Authority for participation in the Employee Assistance Program shall be allowed as paid sick leave. When the Employee is under the Family Involvement Program, and it requires the spouse and/or the parent of the chemically dependent person to participate in the program, that time spent by the Employee to participate in this program shall be allowed as paid sick leave. As in the case with other paid sick leave, the Employee must report off sick and report the purpose for the use of such paid sick leave, but it will not be necessary for the Employee to go into details.

29.10. Any Employee removed from the payroll through the operation of this article, if the Employee files with the Chief Administrative Officer or their designee at least once every three (3) months a statement from a physician which indicates that the Employee is unable to perform the duties of their Position, shall be considered to be on leave not to exceed one (1) year and shall be reinstated in their Position upon filing with the Chief Administrative Officer or their designee a statement signed by a physician which indicates that the Employee is physically fit to perform the duties of their Position, and the physician for such latter statement shall be chosen and compensated by the Chief Administrative Officer or their designee.

protection, unless ninety (90) consecutive days elapse from the time when the Employee otherwise would be eligible for such protection and during such ninety (90) consecutive days the Employee neither receives nor requires professional medical care or treatment for such injury or illness.

31.2. For the purposes of this article, disability means that which is caused by illness or injury which occurs during the Employee's term of employment and which prevents the Employee from performing the major tasks of the Employee's Position.

31.3. Payment of benefits pursuant to this article to a disabled Employee shall commence when the Employee exhausts their allowance of 120 days of sick leave with full pay provided by Article 29 of this agreement. The amount of such protection shall be 65% of the Employee's Basic Hourly Rate as of the time that Employee's sick leave is exhausted, or the parties agree to commencement of such payments, but shall not exceed an amount equivalent to a monthly rate of pay of \$5,000 however, for any pay period, the amount of such protection shall be reduced by any amount that the Employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, the Duluth Police Pension Association, or from the federal government pursuant to the Federal Old-Age, Survivors and Disability Insurance Act, and by any other disability insurance or disability annuity payment, and by any amount that the Employee receives as workers' compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as workers' compensation shall not be used to reduce the amount of such protection. The amount of such protection for any pay period shall also be reduced by any amount that the Employee receives as wages or salary during that pay period, but only when the total amount that the Employee has received for wages or salary during the calendar year exceeds \$5,000.

31.4. Deductions and work assignments

For any pay period the City may deduct from the payment of benefits any amount which the Employee previously received as payments of benefits but to which the Employee was not entitled because of the provisions of this Article.
- B. 44.1. A committee consisting of one representative of the Union and one representative of the Human Resources Division of the City of Duluth shall be established to meet and confer on the following functions during the period of this Agreement:

At least once every three (3) months, the Personnel Committee shall meet to discuss job audits and related issues. Unless otherwise stated below, all requests for job audits for the purpose of determining whether the specifications for a job title should be amended, whether certain Positions should be reclassified to a different job title, or whether there is a need to establish a new job title to describe an existing Position shall be reviewed by the Personnel Committee prior to staff audit work. Upon completion of staff audit work, a copy of the audit shall be sent to the Union no later than fourteen calendar days prior to the date it is scheduled on the Civil Service Board Agenda.

44.2. The Personnel Committee shall meet and negotiate the pay rate and placement in a layoff series for:

- A. Any new or modified job specification or title resulting from a job audit.
- B. Any new Position with a new title created unrelated to a job audit.
- C. When the Employer creates a new job description or amends a current job description, it shall notify the Union of the proposed rate of pay. The Employer and the Union shall meet and negotiate regarding the rate of pay for the job description. If the Employer and the Union are unable to reach an agreement as to the rate of pay for the job description within 10 days from the Employer's written notice to the Union that a pay rate must be set, then either may request mediation services from the Bureau of Mediation Services.
 1. If agreement has not been reached after one mediation session or if a second session has not occurred within 20 days of the date of the request, then either party may request the mediator to make an immediate written recommended settlement. The recommendation shall become binding 5 days after receipt of it by the Employer.
 2. The cost, if any, of the mediator shall be equally split between the Employer and the Union.
 3. The Employer and the Union shall each submit to the mediator only one final best position for the pay rate for the job description. The only other materials that a party may present to the mediator are:

- a. discussion held in the mediation session;
- b. joint stipulations as to facts;
- c. affidavits of individual parties, should the parties disagree as to the facts;
- d. a copy of the approved civil service job description;
- e. staff job evaluation reports, with pay equity study results used only to show if there is non-compliance; and
- f. a letter supporting its position (not to exceed two (2) pages 8½ x11 inches, double-spaced, with one inch margins and twelve point type).

The mediator's written recommendation shall award either the Union's final position or the Employer's final position. The mediator shall have no power to make any recommendation other than the final, best position submitted by one of the parties.

44.3. The Personnel Committee shall meet to discuss the establishment of apprenticeship programs. If the Employer and Union representatives on the Committee mutually agree on such a program, a supplemental agreement shall be prepared and recommended for approval by the City Council.

44.4. Job Audits. The Employer agrees to provide a list of the current jobs awaiting completion of a job audit.

- A. The Employer agrees to make any pay adjustments from job audits effective no later than six months from the date the job audit request is filed.

ARTICLE 45 - GRIEVANCE PROCEDURE

45.1. An Employee or group of Employees with a Grievance shall, within twenty-one (21) calendar days after the first occurrence of the event giving rise to the Grievance, present such Grievance through the Union in writing to the appropriate first line or division manager or, in the absence of such manager, to their authorized representative with a copy of the Grievance being sent to the Department Director.

- A. Within ten (10) working days of receipt of the Grievance, the manager shall meet with the grieving Employee/s and the steward to try to fairly and equitably resolve the Grievance.
- B. The manager, in consultation with the department head shall present the Employer's position in writing to the Employee or Employees and the Union within ten (10) working days of the date of the meeting stated above in Section 45.1(A).
- C. Grievances not resolved within the department must be presented by the Employee or Employees through the Union in writing to the Chief Administrative Officer or designee within twelve (12) working days after the Employer has given its reply to such Grievance.
- D. The Chief Administrative Officer or designee shall reply in writing to the aggrieved Employee or Employees and the Union within twelve (12) working days after receipt of such Grievance. Should the Union desire to meet with the Chief Administrative Officer to discuss the Grievance and seek a resolution they shall do so in writing. Should the Chief Administrative Officer agree to meet, they shall have 12 days from the date of the meeting to issue the response required in this section.
- E. The resolution of Grievances settled by the procedures set forth in this paragraph shall be reduced to writing and signed by the Employee or Employees, the Union

and the Employer.

45.2. If the Grievance is not settled in accordance with the foregoing procedure, the Union may, within twelve (12) working days after receipt of the reply of the Chief Administrative Officer or designee submit the Grievance to arbitration by serving notice in writing of such submittal upon the Chief Administrative Officer or designee. Either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of at least five arbitrators. The parties shall each have the right to alternately strike names from the panel until one name remains. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of their selection by the parties.

45.3. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted to them in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to them. More than one Grievance may be heard by the same arbitrator by mutual agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a Grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit their decision in writing within 30 days to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon the arbitrator's interpretation of the meaning or application of the express terms of this Agreement to the facts of the Grievance presented.

45.4. The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator violates the provisions of Minnesota Statutes Annotated.

45.5. The fee and expenses of the arbitrator shall be divided equally between the parties: provided, however, that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.

45.6. If a Grievance is not presented within the time limits set forth above, it shall be considered waived. If a Grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a Grievance or an appeal thereof within the specified time limits, the Employee or Employees or Grievance Committee may elect to treat the Grievance as denied at that step and immediately appeal the Grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.

45.7. All documents, communications, and records dealing with a Grievance shall be filed separately from the personnel files of the Employees involved.

45.8. Access to all information necessary to the determination and processing of a Grievance shall be made available to all participants.

ARTICLE 46 - UNION RIGHTS

The Employer shall provide each new Employee with a copy of this Basic Agreement, together with a list of the officers of the Union, and designated steward in the Employee's department.

46.2. The AFSCME Basic Unit designated member(s) shall receive an appointment for a new hire employee orientation. During the new hire or hire's orientation, the city will provide up to 30 minutes for the basic unit member to discuss membership, stewards and contract administration.

ARTICLE 47 - P.E.O.P.L.E. CHECKOFF

47.1. The Employer shall deduct from the wages of any Employee who is a member of the Union a P.E.O.P.L.E. deduction as provided for in a written authorization. Such authorization must be executed by the Employee and may be revoked by the Employee at any time by giving written notice to both the Employer and the Union. The Employer shall remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each Employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

48.1. The parties acknowledge that the provisions contained in this Agreement constitute the entire agreement between the parties, and that the provisions of this Agreement are not subject to renegotiation, except with the mutual consent of the parties.

ARTICLE 49 - DURATION OF AGREEMENT

49.1. Subject to any specific limitations or extensions of effective periods which may appear elsewhere in this Agreement, this Agreement shall be effective as of the 1st day of January, 2022, and shall remain in full force and effect through the 31st day of December, 2024, and from year to year thereafter unless either party shall give written notice to the other party of such party's desire to initiate bargaining discussions over changes of any one (1) or more of the provisions contained in this Agreement, such notice to be given not less than sixty (60) days prior to the date of expiration of this Agreement.

ARTICLE 50 - JOINT APPRENTICESHIP TRAINING COMMITTEE

50.1. The Employer and the Union have entered into a separate agreement for the establishment of standards of apprenticeship. The standards of apprenticeship require the establishment of a Joint Apprenticeship Training Committee (J.A.T.C.). In order to clarify the Committee's function, the following shall apply: The Joint Apprenticeship Training Committee shall

approve all apprenticeship programs, including training programs, course content, the development of a monitoring system to comply with the established programs, and the development of a verification and certification procedure for compliance. The Joint Apprenticeship Training Committee shall not be responsible for the establishment of pay rates, job descriptions, or contract language for the implementation of those programs.

ARTICLE 51 - REOPENERS

51.1. The parties agree to:

A. Meet and confer in the Labor Management Committee or any subcommittee thereof to recommend any appropriate changes to the current hospital-medical insurance, sick leave, and disability plans, to achieve reasonable and conservative cost containment; and

B. Upon request by either party, meet and negotiate items addressed in 51.1(a) in conjunction with the creation or development of a comprehensive disability plan and/or changes to hospital-medical plan design.

51.2. The parties agree to meet and concur, to discuss changes in the structuring of the Apprenticeship Programs, and then propose contract changes prior to the expiration of this Agreement for the successor Agreement.

ARTICLE 52 - COMPARABLE WORTH

52.1. The employer agrees to comply with current comparable worth laws. If any changes are necessary, they will be negotiated with the bargaining unit.

ARTICLE 53 - FLEXIBLE BENEFITS

Part-time Positions that increase from under 24 hours a week averaged per pay period to more than 24 hours a week averaged per pay period, or from under 30 hours a week averaged per pay period to more than 30 hours a week averaged per pay period, will be reposted and interested Employees will be selected off the appropriate Civil Service list and in accordance with Civil Service Rules (Duluth City Code Chapter 13).

54.2. Benefits will accrue to Part-time Employees in the following manner:

- B. Employees who are scheduled to work 24-30 hours a week averaged per pay period will accrue benefits at $\frac{3}{4}$ the full time rate for that pay period.
- C. Employees who are scheduled to work more than 30 hours a week averaged per pay

period will accrue benefits at the full time rate for that pay period.

- D. Seasonal Employees, regardless of hours worked, shall not be eligible for any Employee benefits, either active or retiree, contained in this Agreement, except that Seasonal Employees shall receive full time off with pay for the holidays listed in Article 27 that fall within their seasonal period of employment. Seasonal workers will receive compensation at a rate of two (2) times their current Basic Hourly Rate for each hour worked on those holidays recognized in this Agreement. Seasonal Employees will accrue one (1) hour of paid leave for every 50 hours worked. Unused paid leave will be converted into cash and paid to the Employee upon employment separation each season. The number of Seasonal Employees will not exceed 10% of the number of budgeted, full-time A.F.S.C.M.E. bargaining unit Employees for the given year. No full-time or permanent Employee covered by this Agreement will be displaced by a Seasonal Employee.
- E. The Employer agrees to pay for the Part-Time Employees without claimed dependents pursuant to Section 21.1(A). Part-time Employees are not eligible for dependent (family) health care coverage.

Part-time, qualified Employees will be eligible for active benefits, on a pro-rated basis, according to their work schedule, effective after the same time periods as their full-time counterparts. Any Part-time Employee hired on or after January 1, 2007, shall not be eligible for any retiree health care (Articles 23-24), any lump sum payment to a health care savings plan account (Article 23.6) or retiree life insurance benefits (Article 15).

54.3. Part-time Employees who are laid off are entitled to the same rights as full-time Employees as outlined in Article 39.1. Seasonal Employees may be eligible for rehire, but must reapply each year. A Seasonal Employee does not have the right to replace any Employee under Article 39. Seniority for part-time Employees shall be calculated based upon annual hours scheduled to be worked (1950 hours for pay ranges 116 to 142 and 2080 hours for pay ranges 14 to 39 shall be equivalent to one full year of full time employment). For holidays, each part time Employee will be scheduled to work a fraction of each holiday based upon the hours they are scheduled to work each week and shall be granted time off with pay. Overtime will be paid according to the provisions set out in the collective bargaining agreement.

54.4. The Employer retains the right to determine staffing levels and the number of hours of Positions.
