Subject: I Support Michigan Street Bike Lanes!

City Council Members -

I work downtown and bike to work as often as I can. I support the Greater Downtown Council's proposal of a bike lane on Michigan Street instead of Superior Street. With the DTA hub being on Michigan street I think it makes a lot of sense. Also, I bike to downtown from the west and a bike lane on Michigan Street would be very convenient. That being said, I also think there needs to be a bike lane on 1st and 2nd Street for those who are biking in from the East or coming down the hill. Michigan Street will not be convenient for those bikers and they need a safe and effective route as well.

Thank you for your consideration.

Sandi
