Interests & Experiences

Why are you interested in serving on a board or commission?

I feel with the knowledge and expertise I've developed over the years as a practicing attorney in our community, I have a lot to contribute to these boards. Also, I love living in Duluth and want to promote it to outsiders, not only to share how great it is, but also to benefit our area by increasing tourism spending. Finally, my time on the Duluth Charter Commission is nearly complete, so I would like to find another way to serve the City.

Natural Gas (have well and septic at home)

Specify TWO utilities regulated by the Duluth Public Utilities Commission that you use and pay for:

Specify your expertise in the areas of utility operation, finance and utility construction, or other relevant experience and the duration of the experience.

None, though I'm not sure any is or should be required for boards and commissions other than the Public Utilities Commission.
