

**Council Agenda Item** \_\_\_\_\_

**MEETING DATE:** August 25, 2025

**SUBJECT/TITLE:** RESOLUTION # 25-0662R

**SUBMITTED BY:** William Bourassa, Fleet Services Division

**RECOMMENDATION:** Approve

**BOARD/COMMISSION/COMMITTEE RECOMMENDATION:**

**PREVIOUS COUNCIL ACTION:** Council Resolution 24-0947R approving 2025 Capital Equipment budget.

**BACKGROUND:** This resolution will authorize the purchase of two freightliner chassis as well as the service of removing fire apparatus bodies from unit 7354, a 2006 Freightliner chassis and unit 7358, a 2007 Freightliner chassis and installing bodies on the newly purchased freightliner chassis. Both units were originally built with the intention of repurposing the apparatus when the chassis reaches 18-20 years in service. This process provides significant cost savings as opposed to replacing a complete unit.

**BUDGET/FISCAL IMPACT:**

**OPTIONS:** Approve to continue supporting efficient Fire Operations.

**NECESSARY ACTION:** Approve the purchase of two freightliner chassis as well as approve the service of removing 2 existing fire apparatus bodies from existing chassis and installing them on the two newly purchased chassis.

**ATTACHMENTS:**
