wide cap on vacation dwelling units or accessory vacation dwelling units; permits issued for vacation dwelling units or accessory vacation dwelling units in any form district shall not be counted against the maximum number of permits that may be issued, 4. Except for properties within the Higher Education Overlay District as identified in 50-18.5, the minimum rental period and off-street parking requirements of 50-20.3.U and 50-20.5.M shall not apply for vacation dwelling units or accessory vacation dwelling units in form districts.

Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities.

Econ. Dev. Policy #3 - Build on Existing Economic Strengths & Competitive Advantages

- **S9:** Encourage expansion of the city's tourism economy through efforts to expand in areas of current activity, such as in Canal Park, but also through marketing and investment in destination neighborhoods and iconic tourism experiences unique to Duluth.

Applicant is proposing to provide another type of lodging product for visitors to the City of Duluth and surrounding area.

Future Land Use – Traditional Neighborhood: Characterized by grid or connected street pattern, houses oriented with shorter dimension to the street and detached garages, some with alleys. Limited commercial, schools, churches, and home businesses. Parks and open space areas are scattered through or adjacent to the neighborhood. Includes many of Duluth's older neighborhoods, infill projects, neighborhood extensions, and new traditional neighborhood areas.

History: The home is a single-family structure built in 2019 and contains 1,440 square feet.

Review and Discussion Items:

- 1) Applicant's property is located at 232 S 59th Avenue W. The proposed vacation dwelling is a 3-bedroom single family home. The unit would allow for a maximum of 7 guests.
- 2) As shown on the site plan, the existing driveway off the alley features room for 2 off-street parking spaces.
- 3) There will be no campers or trailers parked on the property.
- 4) The site plan indicates outdoor amenities including a grill, firepit, pergola, and seating. The applicant is proposing new privacy fencing on all sides of the rear yard.
- 5) Permit holders must designate a managing agent or local contact who resides within 25 miles of the city and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the city. Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed Rose Hale as the managing agent, which meets the criteria.
- 6) A time limit on this Interim Use Permit ("IUP") is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the IUP shall expire upon

change in ownership of the property or in six years, whichever occurs first.

7) Applicant must comply with Vacation Regulations (included with staff report), including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").

8) No comments from citizens, City staff, or any other entity were received regarding the application.

9) The permit will expire 6 years from the approval date. The permit will lapse if no activity takes place within 1 year of approval.

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission approve the interim use permit based on the following:

1. The Interim Use Permit shall not be effective until the applicant has received all required licenses and permits for operation.
2. The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
