Subject: Please no bike lane in busy downtown

To the Honorable Mayor Ness and City Council, Isn't downtown Superior Street busy enough than to now also add a bike lane? Busses, cars and the parked ones, pedestrians, and other kinds of traffic surely is enough! Adding bike lanes makes it all too tight and risks accidents especially to pedestians.

Bike riders can walk the bike on the sidewalk and walk through the downtown section which isn't that long. How terrible would that be? It surely would save us city money and taking away valuable space.

The idea of Michigan street may work since it is a one way lane and may have more space.

Please stop this ridiculous demand and leave downtown Superior Street alone.

Sincerely,

Rosemarie & Dennis Mitchell
