## Interests & Experiences

## Why are you interested in serving on a board or commission?

Thank you for the consideration of my nomination to serve as a member of the Duluth Economic Development Association Board of Directors. I have been raised on the premise to give back to your community when ability and time allow. For the past 15 years, I have had the great experience of working alongside many other active community members in both the Hermantown and Duluth area. My community involvement includes: Past President of the Lincoln Park Business Group, past and current President of the Duluth Art Institute, past President of Duluth Skyline Rotary, current Vice President of the Hermantown Chamber, member of Advance Hermantown, past Agent Board of Adviser's to West Bend Mutual Insurance Company and current Many Rivers Montessori board member. I have also had the fortunate experience of being selected in 2010 into a leadership training program through the Blandin Leadership Program. I am excited about the path that Duluth is on and would love to be a part of growing and building it's momentum as a healthy and vibrant community in which to live, work and play. Another motivation for me is that my family has owned a business located in the Lincoln Park area for 35+ yrs. I believe that Lincoln Park, along with other areas of Duluth, has potential for revitalization and growth. I look forward to utilizing my skills as an active community member and business owner to support the economic growth and development of the community. Thank you for your time and consideration for the DEDA Board of Directors, I look forward to continued conversations and endeavors in supporting the community of Duluth.
