**RE: Technology Drive Public Hearing
City Project No. 1758**

Pursuant to Section 61 of the Duluth City Charter, upon completion of the public hearing, the SAB “shall transmit to the council the plans, specifications and estimates filed with it and shall report to the council its findings as to the necessity of the proposed public improvement and its recommendation therefore, and its recommendations as to the assessment, if any, of the cost thereof.”

Plans and specifications will be available for review at the office of the City Engineer.

A public hearing was held in Room 155 on November 12, 2019 with the Special Assessment Board. Minutes of the hearing are attached. Comments were heard by the public and there was discussion of the construction process and assessment process. The Special Assessment Board then recommended that an ordering-in resolution for the Technology Drive Improvements be on the agenda for the November 25, 2019 council meeting.
