Interests & Experiences

Why are you interested in serving on a board or commission?

I served on the DTA Board from 2004 to 2011, and would welcome the opportunity to serve again. I am familiar with the mission and the operations of the DTA not only as a former Board member, but also as a DTA customer for over 25 years. I have a deep interest in public transit. I've been a transit user wherever I've lived, and over the years I have been an active member of organizations that promote public transportation, such as the National Association of Railroad Passengers, ProRail (Madison, WI), and the Wisconsin Association of Railroad Passengers. I continue to receive magazines and periodicals about public transportation even though I am not currently on the DTA Board. The DTA provides excellent service to Duluth and surrounding communities. I've long been impressed by the quality of the management, the drivers, and other employees of the DTA who keep the system running smoothly, and I would be honored to serve again on

the Board.
