

**DEVELOPMENT AGREEMENT
DULUTH ECONOMIC DEVELOPMENT AUTHORITY
KENWOOD VILLAGE LLC
KENWOOD VILLAGE PROJECT**

THIS AGREEMENT entered into this _____ day of _____, 2015, by and between the DULUTH ECONOMIC DEVELOPMENT AUTHORITY, an economic development authority created and existing under Minnesota Statutes (1989) Chapter 469, whose address is 402 City Hall, 411 West First Street, Duluth, MN 55802 (hereinafter referred to as "DEDA") and KENWOOD VILLAGE LLC, a Minnesota limited liability company, whose address is 3600 American Boulevard West, Suite 750, Bloomington, MN 55431 (hereinafter referred to as "Developer").

WHEREAS, Developer has acquired certain Property (described and defined herein) located at the southwest corner of Arrowhead Road and Kenwood Avenue and has proposed the Project (described and defined herein) which includes the development/redevelopment of the site into not less than 80 market rate apartment units, not less than 14,000 gross square feet of commercial space and approximately 73,206 square feet of parking; and

WHEREAS, Developer has requested assistance from DEDA for infrastructure and other costs eligible for public financing related to the development/redevelopment of the Project and utilization of the Property as are set forth herein since without such assistance the construction would not be economically viable; and

WHEREAS, DEDA has further determined that the interests of the citizens of the City of Duluth and the well being and quality of life in the City of Duluth would be enhanced by nurturing and encouraging the development/redevelopment of the Project; and

WHEREAS, after careful analysis of the projected costs of the Project and of the financial resources available and economic feasibility to pay for the infrastructure and other costs related to the Project described herein DEDA has determined that:

Exhibit A

- A. a "gap" exists between the cost to Developer of constructing the Project and the funds presently available to or known to Developer and DEDA to finance those costs at rates that would be economically feasible as hereafter described. Based on the best estimates currently available to the parties, the amount of said "gap" equals \$2,862,500. In order to reduce this "gap," DEDA has committed to provide tax increment proceeds from the Project. DEDA has calculated that the present value of the anticipated and available tax increment cash flows based on a minimum market value assessment of \$9,900,000 for the Project is \$2,190,131; said amount is calculated assuming payment over a 26 year term at a discount rate of 5% based upon financial projections which assume certain tax capacity;
- B. without the tax increment assistance to be provided pursuant to this Agreement, the cost of development the Project would be more than can be supported by the amounts that are reasonable to be charged for the rental and the available resources would be inadequate and not economically feasible to construct said Project and that therefore, but for the tax increment assistance to be provided for hereunder, the Project could not reasonably be expected to be constructed in the foreseeable future; and
- C. the increased market value of the Property that could reasonably be expected to occur without the use of tax increment financing would be less than the increase in the market value estimated to result from the Project after subtracting the present value of the projected tax increment for the maximum duration of the district permitted by the Tax Increment Financing Plan for TIF District No. 29.

WHEREAS, the public purpose of the tax increment assistance to be provided pursuant to this Agreement is to stimulate the redevelopment of underutilized, blighted or obsolete land uses including rehabilitation or demolition of substandard structures, to encourage the development of commercial areas in the city that result in higher quality development or redevelopment and private investment, to achieve development on sites which would not be developed without assistance, and to enhance and diversify the tax base of the City of Duluth; and

Exhibit A

WHEREAS, the Property is located in a redevelopment district within the meaning of Minnesota Statutes §469.174 et. seq. (Tax Increment Financing District No.29).

NOW, THEREFORE, in consideration of the mutual covenants and conditions hereinafter contained, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

The parties agree to enter into an Assessment Agreement in the form of that attached hereto as Exhibit C and to use their best efforts to cause the St. Louis County Assessor to execute the same. In the event the County Assessor shall not have executed the Assessment Agreement on or before November 1, 2015, then Developer may cancel this Agreement upon fifteen (15) days' written notice to DEDA.

Immediately upon execution of the Assessment Agreement, Developer agrees to record the Assessment Agreement in the office of the St. Louis County Recorder and/or Registrar of Title and to pay all costs associated therewith. Upon recordation, Developer shall immediately submit to DEDA an executed original of the Assessment Agreement showing the date and document numbers of record, or a certified copy of the filed original.

- A. Construction. Upon the fulfillment of the preconditions to construction provided for in Articles IV, V and VI above, but in no event later than June 1, 2016, Developer shall commence construction of the Project in conformance with the plans approved pursuant to Article VI. Said construction work shall be completed not later than September 30, 2017. Notwithstanding the above, the construction period may be extended upon the prior written approval of the Executive Director.
- B. Developer to Bear All Costs. Except for payments by DEDA provided for in Article IX, Developer specifically agrees to bear all costs related to the construction of the Project and any modifications thereto.
- C. Progress Reports. Until construction of the entire Project has been completed, Developer shall make reports in such detail and at such times as may reasonably be requested by the Executive Director as to the actual progress of Developer with respect to the Project. Additionally, upon reasonable notice, the Developer also agrees that it will permit DEDA access to the Property.
- D. Project Costs/Certificate of Completion. Promptly upon completion by Developer of the construction of the Project in accordance with this Agreement, Developer shall submit to the Executive Director written evidence in a form satisfactory to the Executive Director of Eligible Project Costs incurred and paid. Such evidence shall include, at a minimum, paid invoices, receipts, canceled checks, mechanic lien waivers or comparable evidence of payment of at least \$2,862,500, or such lesser amount as may be approved in writing by the Executive Director. DEDA and its representatives shall have the right at all reasonable times after reasonable notice to inspect, examine and copy all books and records of Developer relating to the Eligible Project Costs and the Project.

Exhibit A

Such records shall be kept and maintained by Developer for a period of six (6) years following the issuance of the Certificate of Completion. Upon furnishing by Developer of said written evidence of Eligible Project Costs and upon completion by Developer of the construction of the Project in accordance with this Agreement, DEDA through its Executive Director shall within thirty days of written request from Developer furnish to Developer an appropriate certificate certifying completion of construction of the Project (Certificate of Completion) in the form of that attached hereto as Exhibit D. A Certificate of Completion shall not be issued until all elements of the Project have been completed. The Certificate of Completion shall constitute a conclusive determination of satisfaction of the construction obligations of Developer undertaken pursuant to this Agreement and may be recorded against the Property.

In the event the Executive Director refuses or denies to provide a Certificate of Completion, the Executive Director will, within said thirty-day period, provide Developer a written statement indicating the reasons for such refusal or denial and what measures or actions are required in order to obtain a Certificate of Completion.

ARTICLE VIII

Developer's Grant of Easements

On or before June 1, 2016 or such other time as approved by the City's Engineer, Developer shall grant to the City two easements: (1) an easement for public street, roadway and utility purposes over the easterly 10 feet of that portion of the Property lying westerly of the west line of platted Kenwood Avenue, said easement to be in the form of that attached hereto as Exhibit E; and (2) an easement for public street, roadway and utility purposes to include a traffic signal controller over a portion of the northeast corner of the Property at the approximate location of the existing traffic signal controller; said easement to be in the form of that attached hereto as Exhibit F. A survey with legal descriptions of the easements shall be provided by the Developer and the easements shall be subject to the approval of the City's Engineer in the exercise of her discretion.

ARTICLE IX

Payment Obligations

- A. Upon DEDA's issuance of the Certificate of Completion pursuant to Paragraph D of Article VII, DEDA shall execute and deliver to Developer one and up to three TIF Notes in substantially the form of Exhibit G. The combined principal amount of the TIF Note(s) shall be \$2,862,500 or the amount of documented Eligible Project Costs, whichever is less.
- B. Pursuant to the TIF Plan, DEDA's first receipt of Available Tax Increment will be in 2018. Interest payable on the TIF Note(s) in the amount of 5% per annum shall start to accrue on the date of execution of the TIF Note(s). There shall be no accrual of interest on unpaid interest. As required by statute, the amount of Available Tax Increment shall not exceed the amount of Eligible Project Costs incurred, paid, or otherwise contracted for by the Developer within 5 years of the date of certification by the St. Louis County Auditor of TIF District No.29.
- C. Developer acknowledges and agrees, as provided in the TIF Note(s), that payments under the TIF Note(s) shall be bi-annual payments in the amount of the Available Tax Increment attributed to the tax parcels to which the particular TIF Note is related and received by DEDA in the six months preceding each Scheduled Payment Date as defined in the TIF Note(s). There shall be no interest on unpaid interest as it accrues. DEDA shall not be obligated to make any payments except as provided in the TIF Note(s).
- D. The TIF Note(s) will be issued without registration under the State or federal securities laws pursuant to an exemption for such issuance; and, accordingly, the TIF Note(s) may not be assigned, transferred or pledged, in whole or in part, except as specifically set forth herein.
- E. DEDA's financial commitment for payment of the TIF Note(s) under this Agreement is a revenue obligation only and will be paid by DEDA only out of Available Tax Increment. Developer acknowledges that DEDA makes no representations or warranties that the Available Tax Increment will be sufficient to pay Developer on the TIF Note(s). Developer acknowledges that Available Tax Increment is subject to calculation by St. Louis County and changes in state

Exhibit A

statute and that some or all of the TIF Note(s) may not be paid prior to the final payment set forth in the TIF Note(s) and in such event, the amount of payments otherwise due to Developer under Paragraph A(1) above shall be deemed upon termination of this Agreement to have been paid in full and DEDA shall have no further obligations for payments of said amounts.

- F. Developer acknowledges that the estimates of Available Tax Increment and tax projections, which may have been made by DEDA or its agents, officers or employees are estimates only, are made for the sole use and benefit of DEDA and are not intended for Developer's reliance. DEDA does not warrant that it will have throughout the term of this Agreement the continuing legal ability under State law to apply Available Tax Increment to the payment of the TIF Note(s).
- G. Notwithstanding anything to the contrary in this Agreement, the TIF Note(s) may be assigned, transferred or pledged without the approval of DEDA to any owner of any tract or tax parcel or any other person; provided that notice of the assignment, transfer or pledge is provided to the Executive Director along with a completed certificate of registration as contemplated under the TIF Note(s).

ARTICLE X

Developer agrees that in its operations and use of the Property and the Project, in accordance with industry standards, Developer shall:

- A. Maintenance. At all times cause the Project and the Property to be operated and maintained in a neat, orderly condition, to maintain and preserve and keep in good repair, working order and condition said Property and Project and to perform all needed and proper repairs, renewals and replacements necessary to be made thereto. The maintenance of the Project and the Property shall include but not be limited to maintenance of all foundations, external walls, doors, windows, utility openings and all roofing systems as well as outside maintenance including snow removal, grass cutting and landscape maintenance, parking ramp cleaning, repair and striping and all other exterior maintenance to said Property and the Project.

Exhibit A

- B. Utilities. Unless disputed, pay or cause to be paid any and all charges for utilities furnished to the Project and the Property including but not limited to hook-up charges and assessments related to all utilities, including but not limited to steam, water, sewer, gas, telephone, cable or satellite TV, and electrical power.
- C. Licenses and Permits. Preserve the existence and all of its licenses, permits and consents to the extent necessary and desirable to the operation of its business and affairs relating to the Project and the Property and to be qualified to do business in the State of Minnesota.
- D. Obey All Laws. Conduct its affairs and carry on its business and operations with respect to the Project and the Property in such a manner as to comply with any and all applicable laws of the United States and the State of Minnesota including all laws related to unlawful discrimination and duly observe and conform to all valid orders, regulations and requirements of any governmental authority related to the conduct of its business and the ownership of the Project and the Property; provided that nothing herein contained shall require it to comply with, observe and conform to any such law or regulation or requirement so long as the validity thereof shall be contested in good faith through proper legal action provided that such protest shall in no way affect Developer's title to the Project and the Property.
- E. Payment of Taxes. Promptly pay or cause to be paid all lawful taxes and governmental charges, including real estate taxes and assessments at any time levied upon or against it or the Project or the Property, subject to the right to contest in good faith in accordance with Minnesota law.
- F. Assessment Fees and Charges. Pay or cause to be paid when due or payable all special assessments levied upon or with respect to the Project and the Property, or any part thereof, and to pay all fees, charges and rentals for utilities, service or extensions for the Project and the Property and all other charges lawfully made by any governmental body for public improvements.
- G. Obligations and Claims. Promptly to pay or otherwise satisfy and discharge all of the obligations and indebtedness and all demands and claims against the Project and the Property as and when the same become due and payable other than any

Exhibit A

- H. Continued Use. Continue use of the Project and the Property as not less than 80 market-rate apartment units and not less than 14,000 gross square feet of commercial space and approximately 73,000 square feet of parking during the term of this Agreement. Continued use includes that the apartment units and commercial space are being offered for lease. Continued use does not require actually being leased as long as commercially reasonable efforts are being used to lease the apartment units and commercial space.
- I. Living Wage. Abide by the requirements of Article XXVI of Chapter 2 of the Duluth City Code, 1959, as amended (the "Duluth Living Wage Ordinance") to require those construction workers directly employed in the construction of the Project to be paid Prevailing Wage Rates as that term is defined in Section 2-25 of the Duluth City Code.
- J. Prevailing Wage. Cause the laborers, mechanics or apprentice-trainees employed in the construction of the Project to be paid the wage rates as provided in the federal Davis Bacon Act, as amended. Payroll for the construction trades must be submitted to the Executive Director on a monthly basis.

ARTICLE XI

Provision Against Liens, Assignments and Transfers

- A. Provision Against Liens. Except for encumbrances permitted pursuant to this Article, the Developer shall not create or permit any mortgage or encumbrance or allow any mechanic's or materialmen's liens to be filed or established or to remain against the Project and the Property or any part thereof which would materially or adversely affect DEDA's interest in this Agreement during the term of this Agreement, provided that if Developer shall first notify DEDA of its intention to do so and post such security as DEDA reasonably deems necessary, Developer may, in good faith, contest any such mechanic's or other liens filed or established as long as DEDA does not deem its interest or rights in this Agreement to be subject to foreclosure by reason of such context.

Exhibit A

Notwithstanding the above, encumbrances in the nature of easements, licenses or the like, but not to include mechanic's or materialmen's lien, may be created or permitted after the issuance of a Certificate of Completion without the approval of DEDA.

- B. Transfers prior to Issuance of a Certificate of Completion. The parties hereto acknowledge that DEDA is relying upon the qualifications and identity of Developer to construct, operate and maintain the Project and the Property. Therefore, except for the purposes of obtaining financing as hereinafter described or as otherwise approved by this Agreement, prior to the issuance of a Certificate of Completion, Developer represents and agrees that it has not made or created, and will not make or create or suffer to be made or created, any total or partial sale, assignment, conveyance, trust, lien or power of attorney, nor has it nor will it allow any change in the identity of the principals or their respective percentages of ownership or voting rights, if such change would result in a change of control, and has not or will not otherwise transfer in any other way all or any portion of the Property, the Project, Developer, this Agreement or any other contract or agreement entered into in connection with carrying out its obligations hereunder; and Developer will not make or create or suffer to be made any such transfer of Developer's rights hereunder without the prior approval of DEDA.
- C. Permitted Encumbrances. Notwithstanding anything in this Article to the contrary, Developer is authorized, without the approval of DEDA, to obtain construction and permanent financing for the Project and to mortgage the Project and Property to provide security for the construction and permanent financing, and the Executive Director is authorized to subordinate this Agreement to such mortgaging of the Project and the Property. In addition, Developer is authorized to lease the apartment units and the commercial space to tenants at all times without the approval of DEDA.
- D. Transfers after Issuance of a Certificate of Completion. Following the issuance of a Certificate of Completion, Developer may sell, convey or otherwise transfer the Property or any tract or parcel thereof with the

Exhibit A

prior written consent of DEDA, which consent shall not be unreasonably withheld, provided the following has been satisfied:

1. Thirty days' prior written notice of the transfer is provided to the Executive Director.
2. The transferee shall agree by affidavit to comply with all the terms and conditions of this Agreement not otherwise extinguished by the completion and certification of construction of the Project. The affidavit shall comply with the terms of this Paragraph 2 and shall be provided to the Executive Director.
3. Notwithstanding the above transfer, the payment of the tax increment pursuant to Article IX shall be made to the Registered Owner of the Note(s).

Failure to comply with the requirement of subsection 1 and 2 above shall be an event of default under this Agreement.

Provided the above requirements are met, upon transfer of all or a portion of the Property, the obligations of Developer under this Agreement are terminated with respect to the tract(s) or parcel(s) of the Property transferred, except that Developer shall remain liable for any obligations that arose prior to the date of such transfer that were required to be performed prior to such transfer.

ARTICLE XII

Indemnification

- A. Generally. Developer shall, to the fullest extent permitted by law, protect, indemnify and save DEDA and the City and their officers, agents, servants, employees and any person who controls DEDA within the meaning of Securities Act of 1933, harmless from and against all liabilities, losses, damages, costs, expenses, including attorneys' fees and expenses, causes of action, suits, claims demands and judgments of any nature arising from:

1. Any injury to or death of any person or damage to property in or upon the Project or the Property, or growing out of or in connection with the use or

Exhibit A

non-use, condition or occupancy of the Project or the Property or any part thereof and also, without limitation, the construction or installation of the Project or any portion of the Project. The foregoing indemnification shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefits payable by or for Developer, customers, suppliers or affiliated organizations under any Workers' Compensation Act, Disability Benefit Acts or any other Employee Benefit Acts.

2. Any violation by Developer of any provision of this Agreement.
3. Any violation of any contract, agreement or restriction related to the Project or the Property which shall have existed at the commencement of the term of this Agreement or shall have been approved by Developer; or
4. Any violation of any law, ordinance, court order or regulation affecting the Project or the Property, or the ownership, occupancy or use thereof.

B. Environmental Indemnification. In addition to the generality of the above, Developer hereby agrees that for itself, its successors and assigns that it will indemnify and save DEDA and the City and their officers, agents, servants and employees and any person who controls DEDA or the City within the meaning of the Securities Act of 1933 harmless from and against all liabilities, losses, damages, costs, expenses, including reasonable attorneys' fees and expenses, causes of action, suits, claims, demands and judgments arising out of any condition existing in the Project or on the Property, whether pre-existing or after-created, which constitutes a violation of any environmental law or laws with regard to pollutants or hazardous or dangerous substances promulgated by the government of the United States or of the State of Minnesota or of any such duly promulgated rules and regulations of the United States Environmental Protection Agency or the Minnesota Pollution Control Agency or the presence in the Project or on the Property, or the release or threatened release of any element, compound, pollutant, contaminant, or toxic or hazardous substance, material or waste, or any mixture thereof, which otherwise causes injury or death to persons or damage to property, and that indemnification granted hereby shall include all

Exhibit A

costs of clean-up and remediation and response costs, together with the costs incurred in proceedings before a court of law or administrative agency including attorneys' fees, expenses, the fees and expenses of persons providing technical expertise addressing such problems including expert witnesses, the costs of preparing and securing approval of Response Action Plans as may be necessary to meet the requirements of the aforesaid agencies and any other costs and expenses of any kind whatsoever arising out of such conditions existing in the Project or on the Property.

- C. Indemnification Procedures. Promptly after receipt by DEDA of notice of the commencement of any action with respect to which Developer is required to indemnify DEDA or the City under this Article, DEDA shall notify Developer in writing of the commencement thereof, and, subject to the provisions as hereinafter stated, Developer shall assume the defense of such action, including the employment of legal counsel satisfactory to DEDA or the City and the payment of expenses. In so far as such action shall relate to any alleged liability of DEDA or the City with respect to which indemnity may be sought against Developer, DEDA and the City shall have the right to employ separate counsel in any such action and to participate in the defense thereof, and the fees and expenses of such separate counsel shall be at the expense of Developer.
- D. Exceptions to Indemnification. In no event shall Developer be required to indemnify DEDA or the City under this Article for liabilities, losses, damages, costs, expenses, including attorneys' fees and expenses, causes of action, suits, claims demands and judgments of any nature arising solely from the negligent or intentional misconduct of DEDA or the City or their officers, agents, servants, employees. In addition, this indemnification of DEDA and the City by Developer shall not apply to actions by DEDA or the City within the easements areas granted to the City under the easements referenced in Article VIII or with respect to the City Intersection and Traffic Improvements referenced in Article III.

ARTICLE XIII

Insurance

Developer shall provide for purchase and maintenance of such insurance as will protect Developer, DEDA and the City against risk of loss or damage to the Project and the Property and any other property permanently located or exclusively used at the Project site and against claims which may arise or result from the maintenance and use of the Project, including operations conducted in connection with construction of improvements thereupon. Such coverages shall include but shall not necessarily be limited to the following:

A. Insurance During Construction. Developer, prior to entering on the Property for construction work, shall procure or cause to be procured and maintain or require all contractors to procure and maintain the following insurance at not less than the limits of coverage or liability indicated during the period of construction as follows:

1. Property Insurance. Developer shall provide "All Risk" builder's risk insurance under a completed value form on all work on the Project, including foundations, permanent fixtures and attachments, machinery and equipment included in or installed under the construction contract, debris removal, architects' and engineers' fees, temporary structures, materials, equipment and supplies of all kinds located on the Project and the Property, to the full replacement value thereof, except that such policy may provide for a deductible amount not to exceed Fifty Thousand and No/100 Dollars (\$50,000.00) per occurrence. Said insurance shall be endorsed to provide consent for occupancy of the Project and shall be maintained in effect until permanent property coverage as provided for hereinafter is in force.
2. Public Liability Insurance. Public Liability Insurance written on an "occurrence" basis under a Comprehensive General Liability Insurance and Automobile Liability Insurance Form with "Broad Form" property damage liability coverage, with XCU exclusion removed, in limits of not less than \$2,000,000 aggregate per occurrence for personal injury, bodily

Exhibit A

injury and death, and limits of \$2,000,000 for property damage liability. If per person limits are specified, they shall be for not less than \$2,000,000 per person and be for the same coverages. DEDA and the City shall be named as additional insureds on the Commercial General Liability Insurance and Automobile Liability Insurance policies. Contractor shall also require such liability coverage of its subcontractors unless they be insured under contractor's policies. Contractor's and subcontractors' liability coverages shall include:

- a. Contractors public liability--premises and operations;

 - f. Workers' Compensation coverage in required statutory limits.
- Policy shall carry an "all states" endorsement. In addition, employers liability coverage shall be maintained in limits of \$100,000 per employee.

B. Permanent Insurance. Developer shall procure and continuously maintain, except as otherwise provided below, insurance covering all risks of injury to or death of persons or damage to property arising in any way out of or as a result of Developer's ownership of, occupancy of or use of the Project and the Property, carried in the name of Developer as follows:

1. Property Insurance. Prior to expiration of the buildings' risk coverage specified above, the Project and the Property, including all fixtures, equipment and machinery, shall be insured to the full replacement value thereof against all risk of Direct Physical Loss, except that such insurance may provide for a deductible amount not to exceed \$50,000 per occurrence. For the purposes hereof, "all risk" means insurance equivalent in scope to protect against all risks of direct physical loss ordinarily insured against in the region. Developer hereby waives any and

Exhibit A

all claims or causes of action against DEDA for damages caused by an insured peril hereunder, except such rights hereinafter set forth to an interest in the insurance proceeds payable in the event of such loss.

2. Liability Insurance. During the construction period (unless covered under the policies required previously) and permanently thereafter for the balance of the term of this Agreement, Developer shall procure and maintain continuously in force Public Liability Insurance written on an "occurrence" basis under a Commercial General Liability Insurance and Automobile Liability Insurance Form in limits of not less than \$2,000,000 per occurrence for personal bodily injury and death, and limits of \$2,000,000 for property damage liability. If person limits are specified, they shall be for not less than \$2,000,000 per person and be for the same coverages. DEDA and the City shall be named as additional insureds therein. Insurance shall cover:
 - a. Public liability, including premises and operations coverage;
 - b. Independent contractors--protective contingent liability;
 - c. Personal injury;
 - d. Owned, non-owned and hired vehicles;
 - e. Contractual liability covering the indemnity obligations set forth herein;
 - f. Products--completed operations.
 3. Workers' Compensation. Workers' Compensation Coverage in statutory amounts with "all states" endorsement unless qualified as a self-insurer under Minnesota Law, and evidence of such qualification is furnished to DEDA. Employees' liability insurance shall be carried in limits of \$100,000 per employee.
- C. Modification of Insurance Requirements. It is agreed between the parties that DEDA shall have the right to modify the forms of the insurance provided for in Paragraphs A and B above and the limits set forth with regard thereto provided that any such modification and policy forms or limits shall be of such a character and in such amounts as are reasonably necessary to provide DEDA with the

types and amounts of protection provided for in this Agreement at the time of its execution. In the event that DEDA shall desire to so modify said insurance requirements, DEDA shall notify Developer of the proposed modifications not less than sixty (60) days prior to the date set by DEDA for said modifications to go into effect.

- D. Requirements for All Insurance. All insurance required in this Article shall be taken out and maintained in responsible insurance companies organized under the laws of the states of the United States and licensed to do business in Minnesota.
- E. Certifications. Developer shall be required to supply to DEDA written certifications of insurance requiring the insurer to give DEDA thirty (30) days' written notice prior to cancellation or modification of said insurance for any reason other than non-payment of premium and ten (10) days' written notice prior to cancellation for non-payment of premium of said insurance.
- F. Reconstruction Obligation and Uninsured Loss. In the event the Project or any portion thereof is destroyed by fire or other casualty, Developer shall forthwith repair, reconstruct, and restore the improvements to substantially the same scale and condition, quality, and value as existed prior to the event causing such damage or destruction, or construct improvements in a manner which meets the minimum assessment valuation requirements of the Assessment Agreement and which is approved by DEDA, such approval which shall not be unreasonably withheld, and to the extent necessary to accomplish such repair, reconstruction, restoration, or construction, Developer shall apply the proceeds of any insurance received by Developer to the payment or reimbursement of the costs thereof. Developer shall, however, complete the repair, reconstruction and restoration of the improvements whether or not the proceeds of any insurance received by Developer are sufficient to pay for such repair, restoration, and reconstruction.

Notwithstanding the above, Developer may decline to rebuild provided that, within one year after destruction by fire or other casualty, it repays DEDA all principal and interest payments ever made to the Registered Owner(s) of the TIF Note(s). Additionally, in such event, DEDA shall have no further obligation to

make any payments under the TIF Note(s).

ARTICLE XIV

Developer Defaults and Remedies Therefor

- A. Events of Default. The following shall be deemed to be events of default by Developer under the terms and conditions of this Agreement to which the remedies set forth in Section B below shall be applicable.
1. Developer shall fail to pay real estate taxes as and when due and payable unless contested in good faith by Developer.
 2. Developer shall fail to observe or perform any of the terms, conditions, covenants or agreements required to be observed or performed by it pursuant to this Agreement and such failure shall continue for a period of 30 calendar days after DEDA has, pursuant to the provisions of this Agreement, given written notice to Developer of such default or, in the event that such default shall be incapable of cure with reasonable diligence during said 30 day period, shall have failed to commence to cure said default within 30 days of the date of said notice and to diligently pursue the same to completion.
 3. Developer shall permit valid liens, not cured or contested within thirty 30 days, to be placed on the Project or the Property or Developer loses title to the Project or the Property or both.
 4. Developer makes an assignment for the benefit of its creditors or admits in writing its inability to pay its debts as they become due; or an adjudication of bankruptcy or insolvency is made as to Developer or its business; or Developer files a petition of bankruptcy or files a petition seeking any reorganization, dissolution, liquidation, or rearrangement, composition, readjustment or similar action under any present or future bankruptcy or insolvency, statute, law or regulation; or Developer files an answer admitting to or not contesting to the material allegations of a petition filed against it in such proceeding or fails to have dismissed or vacated within sixty (60) days after its filing such a petition or seeks or consents or

Exhibit A

acquiesces in the appointment of any trustee, receiver or liquidator of a material part of Developer's properties or fails to have dismissed or vacated within sixty (60) days after the appointment without the consent or acquiescence of Developer of any trustee, receiver or liquidator of any material part of Developer's properties.

B. Remedies. DEDA shall have the following remedies in the event of a default:

1. Terminate this Agreement and/or the TIF Note(s).
2. Withhold the performance of any obligation owed by DEDA under this Agreement and/or the TIF Note(s).
3. Seek and be entitled to monetary damages for any damages incurred by DEDA as a result of a default.
4. Cease making payments under this Agreement and the TIF Note(s) of Available Related Tax Increment as defined in the TIF Note(s).
5. Seek and be entitled to injunctive or declaratory relief as is necessary to prevent violation of the terms and conditions of this Agreement or to compel Developer's performance of its obligations hereunder.
6. Seek such other legal or equitable relief as a court of competent jurisdiction may determine is available to DEDA.

C. Non-Waiver. The waiver by DEDA of any default on the part of Developer or the failure of DEDA to declare default on the part of Developer of any of its obligations pursuant to this Agreement shall not be deemed to be a waiver of any subsequent event of default on the part of Developer of the same or of any other obligation of Developer under this Agreement. To be effective, any waiver of any default by Developer hereunder must be in writing by the Executive Director.

D. Remedies Cumulative. The remedies provided under this Agreement shall be deemed to be cumulative and non-exclusive and the election of one remedy shall not be deemed to be the waiver of any other remedy with regard to any occasion of default hereunder.

E. Attorneys' Fees. In the event that Developer is in default of any of the terms and conditions of this Agreement and DEDA shall successfully take legal action to

Exhibit A

enforce said rights herein, in addition to the foregoing, DEDA shall be entitled to reimbursement for its reasonable attorneys' fees and costs and disbursements occasioned in enforcing its rights hereunder.

ARTICLE XV

Representations by DEDA

DEDA makes the following representations as the basis for the undertaking on its part herein contained:

- A. It is a lawfully constituted economic development authority under the laws of the State of Minnesota, it is not in material violation of any provisions of State law and it has full power and authority to enter into this Agreement and perform its obligations hereunder.
- B. There are not actions, suits or proceedings pending, or to the knowledge of DEDA, threatened against DEDA or any property of DEDA in any court or before any federal, state, municipal or governmental agency which, if decided adversely to DEDA, would have a material adverse effect upon DEDA or any business or property of DEDA and DEDA is not in default with respect to any order of any court or government agency.
- C. DEDA will perform all of its obligations under this Agreement.
- D. Based on representations made by Developer, DEDA concurs with the provisions of Section G of Article XVI.

ARTICLE XVI

Developer's Representations and Warranties

Developer represents and warrants that:

- A. The Developer is a Minnesota limited liability company duly organized and authorized to transact business in the State, it is fully competent to acquire the Property and to construct the Project thereon, it is not in violation of any provisions of its articles of organization, member control agreement, or the laws of the State, it has the power to enter into this Agreement, and has duly

Exhibit A

authorized the execution, delivery and performance of this Agreement by proper action of its members.

- B. Developer will perform all of its obligations under this Agreement. Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement is prevented, limited by or conflicts with or results in a breach of the terms, conditions, or provisions of any agreement or instrument of whatever nature to which the Developer is now a party or by which Developer is bound, or constitutes a default under the foregoing.
- C. No actions, suits, or proceedings are pending or, to the knowledge of Developer, threatened against Developer or any property of Developer in any court or before any federal, state, or municipal or other governmental agency that, if decided adversely to Developer, would have a material adverse effect upon Developer, the Property, or the Project, and Developer is not in default of any order of any court or governmental agency which, if decided adversely to Developer, would have a material adverse effect upon the Property or the Project.
- D. The Developer shall be responsible for constructing the Project in accordance with the terms of this Agreement and all local, state and federal laws and regulations (including, but not limited to, environmental, zoning, building code and public health laws and regulations, and federal Davis-Bacon). The Developer will obtain, in a timely manner, all required permits, licenses and approvals, and will meet, in a timely manner, all requirements of all applicable local, state and federal laws and regulations which must be obtained or met before the Project may be lawfully constructed.
- E. Developer is not in default of the payment of principal of or interest on any indebtedness for borrowed money or in default under any instrument or agreement pursuant to which the indebtedness has been incurred.
- F. Developer shall do such things as are necessary to cause any information, document, certificate, statement in writing, or report required under this Agreement delivered to DEDA or any third party under this Agreement to be true, correct, and complete in all material respects.

Exhibit A

- G. Minnesota Statutes §116J.993, Subd. 3 provides in its relevant portions as follows:

The following forms of financial assistance are not a business subsidy:

(17) redevelopment when the recipient's investment in the purchase of the site and in site preparation is 70 percent or more of the assessor's current year's estimated market value; ("Exception Statute")

- H. The St. Louis County Assessor's estimated market value of the Property for 2015 is \$729,500 (the "Current Market Value"). Seventy (70) percent of the Current Market Value equals \$510,650. Developer represents and warrants that its acquisition costs of the Developer Property alone is \$1,280,000. No part of the acquisition costs of the Property will be funded with tax increment proceeds. Therefore, Developer represents and warrants that its investment in the purchase of the Property and in site preparation is seventy percent (70%) or more of the Current Market Value, and that based on the foregoing, the financial assistance provided by DEDA for the Project is not a business subsidy.
- I. That without the assistance to be provided by DEDA hereunder, Developer's cost of constructing the Project would be more than can be supported by the amounts that are reasonable to be charged for the rental and the available resources would be inadequate and not economically feasible to construct the Project and that, therefore, but for the DEDA assistance to be provided for hereunder, the Project would not be economically feasible for Developer; and Developer would not have developed the Project and operated the same in the reasonably foreseeable future.

ARTICLE XVII

Term

The term of this Agreement shall commence on the date first shown above and shall continue for a period of 26 years from the date of receipt by DEDA from the St. Louis County Auditor's Office of the first payment of Captured Tax Increment unless changes in law prevent DEDA from any receipt of further payments of Captured Tax

Exhibit A

Increment in which event the Agreement is terminated, or unless this Agreement is otherwise terminated as provided for herein. Termination shall not terminate any indemnification provisions or any other provisions which by their nature survive termination and shall not terminate any other rights or remedies arising under this Agreement due to any event of default which occurred prior to such termination.

ARTICLE XVIII

Agreement Personal to Parties

This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties to the extent assignment is permitted hereunder. This Agreement shall run with the land.

MINIMUM MARKET VALUE ASSESSMENT AGREEMENT

THIS MINIMUM MARKET VALUE ASSESSMENT AGREEMENT ("Agreement") is entered into as of this ____ day of _____, 2015, between KENWOOD VILLAGE LLC, a Minnesota limited liability company ("Developer"), DULUTH ECONOMIC DEVELOPMENT AUTHORITY, an economic development authority created and existing under Minnesota Statutes (1989) Chapter 469 ("DEDA"), and the COUNTY ASSESSOR FOR ST. LOUIS COUNTY, MINNESOTA, acting as assessor for the CITY OF DULUTH (the "Assessor").

BACKGROUND:

A. DEDA and Developer are entering into a development agreement of even date herewith (the "Development Agreement"), for the development/redevelopment of property located in the City of Duluth ("City") legally described on attached Exhibit A (the "Land") into approximately 83 market rate apartment units, approximately 14,588 gross square feet of commercial space and a concrete parking deck (the "Project").

B. The development of the Project will be financed in part with the proceeds of tax increment revenue bonds as defined in Minnesota Statutes Sections 469.174 through 469.1794, inclusive (the "TIF Act"), to be issued by DEDA; the debt service on the related note will be paid from tax increments generated by the Project.

C. The Tax Increment Financing District ("TIF District 29") for the Project has been approved by DEDA and by the City.

D. In accordance with the Development Agreement, Developer desires to establish a minimum market value for the Land and the improvements constructed or to be constructed thereon, pursuant to Minnesota Statutes, Section 469.177, subd. 8.

E. The Assessor has reviewed plans and specifications for the Project and reviewed the market value previously assigned to the land upon which the Project is to be constructed.

AGREEMENT:

In consideration of the foregoing and other valuable consideration, the parties agree as follows:

1. The minimum market value assessed for the Project ("Assessor's Minimum Market Value"), shall not, from and after January 2, 2017, be less than \$9,900,000, except that if, as of January 2, 2017, Project construction is not complete, then the market value will be established pursuant to the Assessor's standard means

Exhibit A

and methods of property valuation, and in such event, the Assessor's Minimum Market Value shall be not less than \$9,900,000 from and after January 2, 2018.

2. During the duration of this Agreement, Assessor shall value the Property under Minnesota Statutes section 273.11, except that the market value assigned shall not be less than the Assessor's Minimum Market Value established by this Agreement.

3. The Assessor's Minimum Market Value shall be as specified in this Agreement, regardless of actual market values that may result from incomplete construction of improvements, destruction, or diminution by any cause, insured or uninsured, except in the case of acquisition or reacquisition of the property by a public entity.

4. Developer agrees that, solely with respect to ad valorem taxes (including taxes payable under Minn. Stat. 272.01, subd. 2) arising from the Assessor's Minimum Market Value, during the term of this Agreement:

a) Developer will not seek administrative review or judicial review of the applicability or constitutionality of any tax statute relating to the taxation of real property in the Project determined by any tax official to be applicable to the Project or raise the inapplicability or constitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; provided, however, that "tax statute" does not include any local ordinance or resolution levying a tax; and

b) Developer will not seek any deferral or abatement of the ad valorem taxes arising from the Assessor's Minimum Market Value, including all taxes payable under Minn. Stat. 272.01, subd. 2, and penalties or interest payable on all taxes, either presently or prospectively authorized under Minn. Stat. 469.181, Minn. Stat. Chap. 270, or any other State or federal law.

5. The Assessor's Minimum Market Value established pursuant to this Agreement shall terminate and shall be of no further force and effect on the date that is the earlier of: (a) the date that TIF District 29 terminates or is decertified; or (b) the date that the Development Agreement or the TIF Note thereunder is terminated by DEDA for any reason; or (c) the date that the tax increment is no longer paid to DEDA; or (d) December 31, 2044. This Agreement shall terminate at that time also.

6. DEDA shall provide St. Louis County written notice no less than 60 days prior to the termination of this Agreement under provision 5, above.

7. Upon its execution, Developer shall promptly record and/or register this Assessment Agreement in the Office of the St. Louis County Recorder and/or the Office of the St. Louis County Registrar of Titles and pay all costs associated therewith. Upon recordation, Developer shall immediately submit to DEDA an executed original of this

Exhibit A

Assessment Agreement showing the date and document numbers of record, or duly certified copies of the filed originals.

8. The Assessor represents that the Assessor has reviewed the plans and specifications for the Project and the market value previously assigned to the Land, and represents that the Assessor's Minimum Market Value as set forth in this Agreement is a reasonable estimate.

9. Nothing in this Agreement limits the discretion of the Assessor to assign to the Project a market value in excess of the Assessor's Minimum Market Value or prohibits Developer from seeking through the exercise of legal or administrative remedies a reduction in such market value for property tax purposes; provided however, that a reduction of such market value shall not be sought below the Assessor's Minimum Market Value so long as this Agreement remains in effect.

10. This Agreement may only be modified by the written consent of all parties.

11. Neither the preamble nor provisions of this Agreement are intended to modify, nor shall they be construed as modifying, the terms of the Development Agreement.

12. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties.

The parties have executed this Assessment Agreement as of the date first stated above.

DULUTH ECONOMIC DEVELOPMENT AUTHORITY

TAX INCREMENT FINANCING (TIF) REVENUE NOTE
(KENWOOD VILLAGE LLC PROJECT)

The Duluth Economic Development Authority, an economic development authority created and existing pursuant to Minnesota Statutes Chapter 469 (“DEDA”), hereby acknowledges itself to be indebted and, for value received, hereby promises to pay Kenwood Village LLC, a Minnesota limited liability company (the “Developer”), or its registered assigns (the “Registered Owner”), the principal amount of \$ _____ Dollars (\$ _____), which is the amount determined in Paragraph A of Article IX of that certain Development Agreement between DEDA and the Developer dated _____, 2015, and bearing DEDA Contract No. _____, as may be amended from time to time (the “Agreement”), but only in the manner, at the times, from the sources of revenue, and to the extent hereinafter provided.

This TIF Note is issued pursuant to the Agreement. Terms are defined in this TIF Note or in the Agreement. The principal amount of this TIF Note, as adjusted above, shall bear interest at the annual rate specified above and interest shall start to accrue as of the date of execution of this TIF Note. There shall be no accrual of interest on unpaid interest. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

This Note is issued and payable solely from Available Tax Increment, as defined in the Agreement, attributed to the tax parcels to which this TIF Note is related (the “Available Related Tax Increment”). DEDA shall by check pay to the Registered Owner of the TIF Note bi-annual payments in the amount of the Available Related Tax Increment (the “Scheduled Payment”) payable on August 1 and February 1 of each year, commencing on August 1, 2018, to and including February 1, 2044, or, if the 1st should not be a business day the next succeeding business day (the “Scheduled Payment Dates”). Available Related Tax Increment shall first be applied to accrued interest and then to principal.

Exhibit A

This Note shall terminate and be of no further force and effect following (a) February 1, 2044; (b) any date upon which the Agreement or this TIF Note has terminated under said Agreement; or (c) on the date that all principal and interest payable hereunder shall have been paid in full; whichever occurs earliest. This TIF Note may be prepaid in whole or in part at any time without penalty.

DEDA makes no representation or covenant, express or implied, that the Available Related Tax Increment will be sufficient to pay, in whole or in part, the amounts which are or may become due and payable hereunder.

DEDA's payment obligations hereunder shall be further conditioned on the fact that no Event of Default by Developer under the Agreement shall have occurred and be continuing, but such unpaid amounts shall become payable, without interest accruing thereon in the meantime, if said Event of Default shall thereafter have been cured; and, further, if pursuant to the occurrence of an Event of Default under the Agreement DEDA elects to terminate the Agreement or this TIF Note, DEDA shall have no further debt or obligation under this Note whatsoever. Reference is hereby made to all of the provisions of the Agreement for a fuller statement of the rights and obligations of DEDA to pay the principal of this TIF Note and the interest thereon, and said provisions are hereby incorporated into this TIF Note as though set out in full herein.

THIS TIF NOTE IS A SPECIAL, LIMITED REVENUE OBLIGATION AND NOT A GENERAL OBLIGATION OF DEDA OR THE CITY OF DULUTH (THE "CITY") AND IS PAYABLE BY DEDA ONLY FROM THE SOURCES AND SUBJECT TO THE QUALIFICATIONS STATED OR REFERENCED HEREIN. THIS TIF NOTE IS NOT A GENERAL OBLIGATION OF DEDA OR THE CITY, AND NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWERS OF DEDA OR THE CITY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THIS TIF NOTE AND NO PROPERTY OR OTHER ASSET OF DEDA OR THE CITY, SAVE AND EXCEPT THE ABOVE REFERENCED PLEDGED AVAILABLE RELATED TAX INCREMENTS, IS OR SHALL BE A SOURCE OF PAYMENT OF DEDA'S OBLIGATIONS HEREUNDER.

The Registered Owner shall never have or be deemed to have the right to compel any exercise of any taxing power of DEDA, the City or of any other public body, and neither DEDA, the City nor any person executing or registering this TIF Note shall be liable personally hereon by reason of the issuance or registration thereof or otherwise.

This TIF Note is issued by DEDA in aid of financing a project pursuant to and in full conformity with the Constitution and laws of the State of Minnesota, including Minnesota Statutes, Sections 469.174 to 469.179, the Minnesota Tax Increment Act.

THIS TIF NOTE HAS NOT BEEN REGISTERED UNDER ANY FEDERAL OR STATE SECURITIES LAWS AND MAY NOT BE SOLD, ASSIGNED, PLEDGED, OR OTHERWISE DISPOSED OF OR TRANSFERRED EXCEPT AS PROVIDED FOR IN THE AGREEMENT.

Exhibit A

Except as provided in the Agreement, this TIF Note may not be assigned but, upon such assignment, the assignor shall promptly notify DEDA at the office of the Executive Director by registered mail, and the assignee shall surrender the same to the Executive Director either in exchange for a new fully registered note or for transfer of this Note on the registration records for the TIF Note maintained by DEDA. Each permitted assignee shall take this TIF Note subject to the foregoing conditions and subject to all provisions stated or referenced herein and in the Agreement.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions, and things required by the Constitution and laws of the State of Minnesota to be done, to have happened, and to be performed precedent to and in the issuance of this TIF Note have been done, have happened, and have been performed in regular and due form, time, and manner as required by law; and that this TIF Note, together with all other indebtedness of DEDA outstanding on the date hereof and on the date of its actual issuance and delivery, does not cause the indebtedness of DEDA to exceed any constitutional or statutory limitation thereon.

IN WITNESS WHEREOF, the Duluth Economic Development Authority, by its Board of Commissioners, has caused this TIF Note to be executed by the manual signatures of the President and the Secretary of DEDA and has caused this Note to be issued on and dated _____, 2016.
