**Proposal**

The applicant proposes to use a 4-bedroom dwelling as a vacation dwelling unit. This is a new application, and the applicant is on the eligibility list.

**Recommended Action:** Staff recommends that Planning Commission approve the interim use permit.

	<b>Current Zoning</b>	<b>Existing Land Use</b>	<b>Future Land Use Map Designation</b>
<b>Subject</b>	F-2	Mixed Use	Central Business Secondary
<b>North</b>	MU-N	Residential	Central Business Secondary
<b>South</b>	MU-I	Dental office	Central Business Secondary
<b>East</b>	F-2	Marine supply store	Neighborhood Mixed Use
<b>West</b>	F-2	Mixed Use	Central Business Secondary

**Summary of Code Requirements:**

UDC Section 50-19.8. Permitted Use Table. A vacation dwelling unit is an Interim Use in the F-2 zone district.

UDC Section 50-20.3. Use-Specific Standards. Lists all standards specific to vacation dwelling units.

UDC Sec. 50-37.10.E . . . the commission shall only approve an interim use permit, or approve it with conditions, if it determines that: 1. A time limit is needed to protect the public health, safety and welfare from potential longer term impacts of the requested use in that location ....; 2. The applicant agrees to sign a development agreement with the city.

**Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):**

Governing Principle #8 - Encourage mix of activities, uses, and densities.

A short-term rental allows property owners to generate income and provides a service for tourists.

Future Land Use – Central Business Secondary: An area adjacent to and supporting the primary central business area or standalone area providing a similar mix of destination land uses but as a lower intensity than the primary CB uses. Includes mixed regional and neighborhood retails, employment centers, public spaces, medium density residential, and public parking facilities.

**History:** The subject property, 1429-31 London Rd, was built in 1901 as a duplex. The existing structure is an 8-bedroom, two-family home, including four bedrooms at 1431 London Rd, with a surface parking lot at the rear nearest to Jefferson Alley.

**Review and Discussion Items:**

Staff finds that:

- 1) The applicant's property is located at 1429-31 London Rd. The dwelling unit contains 4 bedrooms, which allows for a maximum of 9 guests.
- 2) This is a new application. The applicant was on the eligibility list. Staff does not have record of any violations or enforcement actions relating to the subject property.
- 3) The minimum rental period will be two nights.
- 4) The minimum off-street parking requirements for vacation dwelling units do not apply in form districts, per Section 50-20.3.V.3(d). The applicant is proposing two off-street parking stalls, located in the parking lot at the rear of the building.
- 5) The applicant has indicated they will allow motorhome or trailer parking.
- 6) The site plan does not indicate any outdoor amenities. Staff notes there is a deck located to the rear of the structure. The property is not subject to dense urban screen requirements, due to the adjoining property to the west not having residential use. All other property lines abut public streets or alleys.
- 7) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holders must provide contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed himself to serve as the managing agent.
- 8) A time limit is needed on this Interim Use Permit ("IUP") to protect the public health, safety and welfare from potential longer-term impacts of the requested use at the location of the subject property. Section 50-20.3.V.9 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.
- 9) Applicant must comply with the City's vacation dwelling unit regulations, including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").
- 10) There are currently 178 licensed vacation dwelling units in the city, with 89 of those in form districts; the remaining 89 are subject to the cap of 110. The subject property is neither located within a residential district nor subject to the cap.
- 11) No City, public or agency comments were received.
- 12) The permit will lapse if no activity takes place within 1 year of approval.

**Staff Recommendation:**

Based on the above findings, Staff recommends that Planning Commission approve the permit subject to the following conditions:

- 1) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
- 2) The applicant must obtain a CSVDU permit from Construction Services and Inspections, and an operational permit from Life Safety, prior to operating the Vacation Dwelling Unit.
- 3) Any alterations to the approved plans that do not alter major elements of the plan and do not constitute a variance from the provisions of Chapter 50 may be approved by the Land Use Supervisor without further Planning Commission review.
