Subject: Master Partnership Contract 1028587 Work Order No. 1

Duluth Metro Area EVP Signal System Design Engineering

Dear Cindy:

Transmitted herewith is a proposed Master Partnership Contract 1028587 Work Order No. 1 with the City of Duluth. This Work Order provides for payment by the City to MnDOT for Design Engineering of the proposed Duluth Metro Area EVP Signal System. Construction Engineering will be provided by St Louis County. This project will be constructed under MNDOT Project Number S.P. 8821-320 (TH's 23, 53, 61 & 194) and St Louis County Project Number SP 069-070-047.

When the original copy of the work order has been executed by you, please return it to this office so that it can be returned to St. Paul for final execution.

Sincerely,

John McDonald, P.E.  
District 1 State Aid Engineer
