To whom it may concern,

In reference to your letter of October 24, 2017 in which you state you are considering a zoning change from I-G to MU-W, I am **opposed** to any such change. I purchased to property under the I-G Zoning and not your suggested MU-W Zoning, in which I would lose several options for development.

Again, I am **opposed to changing the zoning** of the property. I am currently negotiating with a Company that could re-locate under the old zoning, but not under the new.

Do not change the Riverside Zoning.

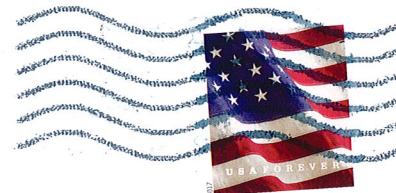

Respectfully,

Robert Fierek
