**Accurant Virtual Crime Center/Accurant Crime Analysis/
LexisNexis Community Crime Map/
AVCC XML Addendum**

This Accurant Virtual Crime Center/Accurant Crime Analysis/LexisNexis Community Crime Map/AVCC XML Addendum ("Addendum") sets forth additional or amended terms and conditions for the use of Accurant Virtual Crime Center; Accurant Crime Analysis; LexisNexis Community Crime Map and/or AVCC XML (the "LN Services" provided herein), which are in addition to, and without limitation of, the terms and conditions set forth in the services agreement between the customer identified below ("Customer") and LexisNexis Risk Solutions FL Inc. or its affiliated entity ("LN") for the LN Services (such services agreement, the "Agreement"). The LN Services subscribed to herein will be listed on Customer's Schedule A. Capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Agreement.

I. Public Safety Data Exchange Database

1. LN, as a vendor that processes information for its government customers, maintains the LexisNexis Public Safety Data Exchange Database ("PSDEX"), which contains information related to public safety and law enforcement investigations. PSDEX is compiled from information submitted by PSDEX customers and enhanced by LN data and technology such as LexID or data updates to allow LN's PSDEX customers to easily search and access information beyond their jurisdiction for analysis, investigations and reporting or other applications to accomplish their mission.
2. In exchange for good and valuable consideration, including access to PSDEX, Customer hereby agrees to contribute public safety information (the "Customer Data Contribution") that it and other PSDEX customers may use for analysis, investigations and reporting or other applications to accomplish their mission.
3. LN's obligations.
 - a. LN agrees to provide PSDEX information to Customer.
 - b. LN agrees to provide Customer with instructions for submitting information to the PSDEX database and for using the PSDEX service.
 - c. LN agrees to provide all LN employees, with physical or logical access to Customer Data Contributions, level four security awareness training as defined and listed in the Criminal Justice Information Services (CJIS) Security Policy.
 - d. LN agrees to access, store, and process Customer's Customer Data Contributions in accordance with the CJIS Security Policy, to the extent applicable to LN's accessing, storage, and processing of such data.
4. Customer obligations.
 - a. Customer agrees to submit to LN, with reasonable promptness and consistency, Customer Data Contributions.
 - b. Customer acknowledges and agrees that it is solely responsible for the content of the Customer Data Contributions submitted to LN and that it shall use reasonable care to ensure the information submitted is a reasonable reflection of the actual report. Each submission to LN with respect to an incident or subject constitutes a Customer Data Contribution.
 - c. Customer's disclosure of information to LN is and will be in compliance with all applicable laws, regulations and rulings.
 - d. Customer agrees to access, store, and process other customer's Customer Data Contributions in accordance with the CJIS Security Policy, to the extent applicable to Customer's accessing, storage, and processing of such data.
 - e. Customer agrees to notify LN promptly of any change in status, factual background, circumstances or errors concerning any Customer Data Contribution previously provided to LN. Customer further agrees to submit corrected information in a timely manner. Customer agrees that it will fully and promptly cooperate with LN should any inquiry about the Customer Data Contributions arise.
 - f. The following named individual/department shall serve as the contact person(s) for submissions made to LN. The contact person shall respond to requests from LN for clarification or updates on incident reports submitted by Customer during normal business hours, and Customer will not unreasonably withhold from LN information on any such submission. LN shall not reveal the identity of the Customer's contact person(s) to any other PSDEX customer without Customer's consent.

- g. Customer agrees that it will access information contributed to PSDEX by other customers only through LN and any Customer employee permitted access to PSDEX by Customer shall be a CJI Authorized User/Personnel that has undergone appropriate Security Awareness Training as those terms are used in the CJIS Security Policy.
- h. Customer agrees that, to the extent permitted under applicable law, LN and all other PSDEX customers shall not be liable to Customer, and Customer hereby releases LN and all other PSDEX customers from liability to Customer, for any claims, damages, liabilities, losses and injuries arising out of, or caused in whole or in part by LN or each such other PSDEX customer's acts and omissions in reporting or updating Customer Data Contributions for inclusion in PSDEX. Other PSDEX customers are intended to be third party beneficiaries of this paragraph.

II. General Terms

1. **LICENSE GRANT.** Customer, at no charge, hereby grants to LN a paid up, irrevocable, worldwide, non-exclusive license to use, adapt, compile, aggregate, create derivative works, transfer, transmit, publish and distribute the Customer Data Contributions (1) to PSDEX customers; and (2) by agreement by initialing below, a de-identified subset (e.g., crime type, date/time of the incident, and the area that the incident has occurred) to third-parties assisting the public with a view of de-identified crime data. For purposes of clarification, Customer is the owner of its Customer Data Contributions and is hereby licensing to LN a copy of its Customer Data Contributions.

Customer will not provide a de-identified subset of its data to third parties (initials _____).

2. **FBI CJIS SECURITY ADDENDUM.** This Addendum incorporates by reference the requirements of the FBI CJIS Security Policy and the FBI CJIS Security Addendum (FBI CJIS Security Policy Appendix H attached hereto as Exhibit A), as in force as of the date of this Addendum and as may, from time to time hereafter, be amended. The parties warrant that they have the technological capability to handle Criminal Justice Information (CJI), as that term is defined by the FBI CJIS Security Policy, in the manner required by the CJIS Security Policy. The parties expressly acknowledge that the CJIS Security Policy places restrictions and limitations on the access to, use of, and dissemination of CJI and hereby warrant that their respective systems abide by those restrictions and limitations.
3. **GOOGLE GEOCODER.** LN uses Google Geocoder to geocode address locations that do not already contain "X" and "Y" coordinates. Any "X" and "Y" coordinate information provided by the Customer is assumed by LN to be accurate and will not be geocoded by Google Geocoder. Crime dot locations geocoded by Google Geocoder as displayed in PSDEX are approximate due to automated location methods and address inconsistencies.
4. **DATA DISCLAIMER.** LN is not responsible for the loss of any data or the accuracy of the data, or for any errors or omissions in the LN Services or the use of the LN Services or data therein by any third party, including the public or any law enforcement or governmental agencies. Due to the nature of the origin of public safety information, the data contained in PSDEX may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. The LN Services aggregate and report data as provided by PSDEX customers and is not the source of the data, nor is it a comprehensive compilation of all law enforcement data. Before Customer relies on any data, it should be independently verified.
5. **LINKS TO THIRD PARTY SITES.** PSDEX may contain links or produce search results that reference links to third party websites ("Linked Sites"). LN has no control over these Linked Sites or the content within them. LN cannot and does not guarantee, represent, or warrant that the content contained in the Linked Sites, including, without limitation other links, is accurate, legal, and/or inoffensive. LN does not endorse the content of any Linked Site, nor does it warrant that a Linked Site will not contain computer viruses or other harmful

code. By using PSDEX to search for or link to Linked Sites, Customer agrees and understands that such use is entirely at its own risk, and that Customer may not make any claim against LN for any damages or losses whatsoever resulting from such use.

6. **OWNERSHIP OF SUBMITTED CONTENT.** All information provided by a PSDEX customer is offered and owned by that customer. Unless otherwise indicated by written request from Customer, all data will be retained by LN and remain accessible by others in accordance with the provisions of this Addendum.

AUTHORIZATION AND ACCEPTANCE

I HEREBY CERTIFY that I am authorized to execute this Addendum on behalf of Customer.

FEDERAL BUREAU OF INVESTIGATION CRIMINAL JUSTICE INFORMATION SERVICES SECURITY ADDENDUM

The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CJIS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as "security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information."

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI's information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks and support facilities supporting and/or acting on behalf of the government agency.

1.00 Definitions

1.01 Contracting Government Agency (CGA) - the government agency, whether a Criminal Justice Agency or a Noncriminal Justice Agency, which enters into an agreement with a private contractor subject to this Security Addendum.

1.02 Contractor - a private business, organization or individual which has entered into an agreement for the administration of criminal justice with a Criminal Justice Agency or a Noncriminal Justice Agency.

2.00 Responsibilities of the Contracting Government Agency.

2.01 The CGA will ensure that each Contractor employee receives a copy of the Security Addendum and the CJIS Security Policy and executes an acknowledgment of such receipt and the contents of the Security Addendum. The signed acknowledgments shall remain in the possession of the CGA and available for audit purposes. The acknowledgement may be signed by hand or via digital signature (see glossary for definition of digital signature).

3.00 Responsibilities of the Contractor.

3.01 The Contractor will maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed and all subsequent versions), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

4.00 Security Violations.

4.01 The CGA must report security violations to the CJIS Systems Officer (CSO) and the Director, FBI, along with indications of actions taken by the CGA and Contractor.

4.02 Security violations can justify termination of the appended agreement.

4.03 Upon notification, the FBI reserves the right to:

- a. Investigate or decline to investigate any report of unauthorized use;
- b. Suspend or terminate access and services, including telecommunications links. The FBI will provide the CSO with timely written notice of the suspension. Access and services will be reinstated only after satisfactory assurances have been provided to the FBI by the CGA and Contractor. Upon termination, the Contractor's records containing CHRI must be deleted or returned to the CGA.

5.00 Audit

5.01 The FBI is authorized to perform a final audit of the Contractor's systems after termination of the Security Addendum.

6.00 Scope and Authority

6.01 This Security Addendum does not confer, grant, or authorize any rights, privileges, or obligations on any persons other than the Contractor, CGA, CJA (where applicable), CSA, and FBI.

6.02 The following documents are incorporated by reference and made part of this agreement: (1) the Security Addendum; (2) the NCIC 2000 Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20. The parties are also subject to applicable federal and state laws and regulations.

6.03 The terms set forth in this document do not constitute the sole understanding by and between the parties hereto; rather they augment the provisions of the CJIS Security Policy to provide a minimum basis for the security of the system and contained information and it is understood that there may be terms and conditions of the appended Agreement which impose more stringent requirements upon the Contractor.

6.04 This Security Addendum may only be modified by the FBI, and may not be modified by the parties to the appended Agreement without the consent of the FBI.

6.05 All notices and correspondence shall be forwarded by First Class mail to:

SINGLE SIGN-ON ADDENDUM

This Single Sign-On ("**SSO**") Addendum (the "**Addendum**") is effective as of January 1, 2023 (the "**Addendum Effective Date**") and is entered into by and between **LexisNexis Risk Solutions FL Inc. and its Affiliates** (hereinafter, "**LN**"), with its End-User place of business located at 1000 Alderman Drive, Alpharetta, Georgia 30005 and City of Duluth Police Department _____ (hereinafter, "**Customer**"), with its End-User place of business located at 2030 N Arlington Ave, Duluth, MN 55811, each individually referred to as the "**Party**" and collectively as the "**Parties**."

WHEREAS, the Parties entered into that certain Agreement, dated December 1, 2022 (the "**Agreement**");

WHEREAS, the Parties agree to add this Addendum to the Agreement; and

WHEREAS, Customer receives certain LN Services in the U.S. from LN under the Agreement that involve electronic communication, transmissions and file transfers between LN and Customer via internet or similar computerized means; and

WHEREAS, Customer requests LN to allow Customer's End-Users to access certain LN Services using SSO capabilities (as further defined herein) to be managed by the Customer, and

WHEREAS, LN agrees to allow the use of SSO by the Customer, strictly in accordance with the terms and conditions of this Addendum and the Agreement.

NOW, THEREFORE, in accordance with the requirements of the Agreement, the Parties, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do agree to add to the Agreement as follows:

1. **Definitions.**

- a. "**End-User**" shall mean the actual authenticated user accessing the LN Services through the Customer's Identity Provider Platform via LN SSO capabilities managed by the Customer.
- b. "**End-User ID**" shall mean the access identification used by an End-User to access the SSO capabilities through the Customer's Identity Provider Platform.
- c. "**Identity Provider Platform**" shall mean Customer's host platform which requests service from LN and passes LN Authenticated End-Users.
- d. "**LN Services**" shall mean those LN Services accessible via SSO as provided by LN to Customer under the Agreement.
- e. "**Single Sign-On**" or "**SSO**" shall mean the ability for an Authenticated End-User to access the LN Services using the End-User ID asserted by the identity provider platform.

2. **Customer Obligations.** In the event Customer requests and receives permission to use SSO from LN, Customer agrees to work with the LN Product Delivery Consultants (PDC) to schedule implementation and:

- a. Authentication of End-Users:
 - i. Authenticate an End-User that uses or accesses to Customer's networks and systems according to a high level of assurance; and
 - ii. Provide an assertion to LN to denote that the End-User has been authenticated according to a high level of assurance.
- b. Ensure that all End-Users who are permitted access to the LN Services have been properly authenticated using the SSO capabilities set forth herein.

- c. Ensure that all End-Users use the LN Services that are accessed via SSO in accordance with all of the terms and conditions of the Agreement.
- d. Ensure End-User IDs are unique and constant for a given End-User and not reused.
- e. Certify that the End-User can, and will, access the LN Services from the Customer's internal corporate network and that the SSO is applied to End-User's access to such internal corporate network prior to permitting access to the LN Services.
- f. Certify that if the SSO capability is ever made accessible from outside of Customer's internal corporate network subsequent to this Addendum being executed, that Customer will thoroughly describe the nature of the access to LN and will seek written permission from LN to use the capability described prior to allowing access to the LN Services. In this case, Customer certifies that the SSO capability requires strong authentication. Strong authentication includes only the following options, unless separately approved in writing by LN:
 - i. Certificate based authentication;
 - ii. One-time use token authentication (e.g. RSA SecurID); or
 - iii. Out-of-band machine authentication (e.g. PhoneFactor or similar).
- g. Track, at all times, the specific End-User originating each SSO transaction and, if requested by LN, provide LN with information regarding the identity of the originating End-User for such transaction and the purpose for which such transaction was ordered, within twenty-four (24) hours of receipt of LN's request.
 - a. Failure to provide LN with such requested information within twenty-four (24) hours of receiving LN's written request, LN may deny Customer access to all LN Services (by suspending access at the account number level) until Customer has complied with the foregoing.
- h. To cooperate with any End-User ID suspensions and/or terminations requested by LN in accordance with the Agreement.
- i. Certify, in writing, the date and time of the suspension or termination once access has been revoked, if LN requests an End-User ID suspension or termination.
- j. Be solely liable for the acts or omissions of the End-Users, including, but not limited to, unauthorized access to, receipt of, and/or use of the LN Services. Customer acknowledges that LN is justifiably relying on Customer to ensure that the SSO capabilities employed by Customer are strong enough to ensure that the End-Users have been authenticated at the highest level of assurance.
- k. Without limiting or modifying any of the indemnification obligations set forth in the Agreement, Customer (the "**Indemnifying Party**") shall indemnify, defend and hold harmless LN, its affiliates, and their respective officers, directors, employees, and agents (the "**Indemnified Parties**") against and from losses, liabilities, damages, actions, claims, demands, settlements, judgments, and any other expense including, reasonable attorneys' fees, which are asserted against the Generally Indemnified Party(ies) by third parties, arising out of (i) Customer's failure to comply with its obligations with respect to the use of the SSO capabilities set forth herein; (ii) the acts or omissions of the End-Users in using the LN Services; or (iii) a) End-User's unauthorized use or disclosure of the LN Services; b) a third party's unauthorized access to, use or disclosure of the LN Services when such third party obtains access to the LN Services through the SSO capability, or c) LN's reliance upon and acts in accordance with any such instructions, guidelines, or information provided to LN by Customer, including access through the SSO capability, under this Addendum, provided that the Indemnified Party(ies) notify the Indemnifying Party promptly of any such claims or suits. The Indemnifying Party shall have the right to conduct the defense of any such demand, claim or action and all negotiations for settlement or compromise, unless otherwise mutually agreed to in writing by the Parties hereto. However, the Indemnified Party(ies), shall have the right to participate, at its own expense, in the defense of any such demand, claim or action through counsel of its choosing.
- l. Acknowledge that permission to utilize SSO does not relieve Customer of any other access requirements implemented by LN to ensure the security of the access to the LN Services. Customer agrees that it will comply with any other reasonable requirements that LN requires in order to allow the use of the SSO capabilities.

3. The Parties intend that the terms and conditions of this Addendum are incorporated into and made a part of the Agreement. This Addendum, together with the Agreement, constitutes the entire agreement between the Parties on the subject matter contained herein and therein. Except as modified by this Addendum, the Agreement shall otherwise remain in full force and effect.
4. All capitalized terms used herein but not defined in this Addendum shall have the meanings ascribed to them in the Agreement. If any provision of this Addendum or the application of any such provision shall be held contrary to law, the remaining provisions shall remain in full force and effect. In the event of a conflict between the terms of the Agreement and this Addendum, this Addendum shall prevail solely as to the subject matter herein. This Addendum may be executed by any legally permissible means, including electronic means (i.e., PDF or facsimile).

5. Term

The SSO Addendum terms herein shall remain in effect for any mutually agreed upon LN Service(s) until terminated by either Party per the terms of the Agreement. For any LN Service(s) Customer continues to utilize after terminating SSO access, the following shall apply:

- a. Customer agrees to cooperate with LN and to pay all costs and/or fees associated with terminating the SSO access for any affected LN Service that Customer continues to use without SSO access.
- b. Prior to terminating the SSO Addendum terms for the affected LN Service(s), Customer and LN shall implement mutually agreeable alternative identity management methods and procedures for the affected LN Services.

IN WITNESS WHEREOF, the authorized representative of the Customer has duly executed and delivered this Addendum effective as of the Addendum Effective Date.
