Subject	F-6	Residential	Neighborhood Mixed Use

Summary of Code Requirements:

UDC Section 50-19.8. Permitted Use Table. A vacation dwelling unit is an Interim Use in the F-6 zone district.

UDC Section 50-20.3. Use-Specific Standards. Lists all standards specific to vacation dwelling units.

UDC Sec. 50-37.10.E . . . the commission shall only approve an interim use permit, or approve it with conditions, if it determines that: 1. A time limit is needed to protect the public health, safety and welfare from potential longer term impacts of the requested use in that location; 2. The applicant agrees to sign a development agreement with the City; 3. Vacation dwelling units in Form Districts are not counted in the maximum number of permits that may be issued.

The minimum rental period and off-street parking requirements of 50-20.3.U and 50-20.5.M shall not apply for vacation dwelling units in Form Districts.

Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities. The project converts an existing condo dwelling to a vacation rentals near the downtown business district with a mix with the restaurants, shops, and offices.

Econ. Dev. Policy #3 - Build on Existing Economic Strengths & Competitive Advantages

• **S9:** Encourage expansion of the city's tourism economy through efforts to expand in areas of current activity, such as in Canal Park, but also through marketing and investment in destination neighborhoods and iconic tourism experiences unique to Duluth.

Neighborhood Mixed Use – A transitional use between more intensive commercial uses and purely residential neighborhoods. Includes conversions of houses to office or live-work spaces. May include limited commercial-only space oriented to neighborhood or specialty retail markets.

History:

1905 – Structure was built as a two-unit dwelling. Subject unit is the lower unit of an up-down duplex.

2006 – Property was combined with 11 E. Fourth St. (2 units), 13 E. Fourth St. (2 units) and a new building constructed to the west (8 units) to form Lake Superior View Condominiums (16 units total).

2017 – 11 E. Fourth St., Unit B, granted a vacation dwelling unit interim use permit (PL 17-073).

2021 – 11 E. Fourth St., Unit B, granted a vacation dwelling unit interim use permit (PL 21-175) to a new owner of the unit.

Review and Discussion Items:

Staff finds:

- 1) The structure containing the proposed vacation dwelling unit is the lower unit of an up-down duplex that was constructed in 1905.
- 2) The structure was combined in 2006 with three other adjacent structures containing a total of 16 dwelling units into a common interest community called Lake Superior View Condominiums. The Board of the condo's home owner's association has communicated support for the proposed vacation dwelling unit.
- 3) The unit has 2 bedrooms, which the applicant has decided to limit to 4 guests.
- 4) Two off-street parking spaces will be provided (see site plan) with one off the alley just to the west of the dwelling and one in the parking garage of the building to the west (5 E. Fourth St.). Guests will be given the garage access code to use during their stay.
- 5) The applicant has indicated there will not be a space for camper or trailer storage by VDU guests.
- 6) The site plan shows an outdoor patio area behind the building with a grill, tables and chairs screened by a fence.
- 7) Permit holders must designate a managing agent or local contact who resides with 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Heirloom Property Management located in Duluth has been listed as the property manager.
- 8) Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. This will be a condition of approval, with documentation to be provided before final permit issuance.
- 9) A time limit on this Interim Use Permit ("IUP") is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.
- 10) The permit will lapse if no rental activity takes place within 1 year of permit approval.
- 11) Applicant must comply with Vacation Dwelling Unit Regulations (included with staff report), including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise"). Applicant will do so via a welcome folder left on site as well as via email at time of booking guests.
- 12) Comment received from the owner of the other dwelling unit in the building (attached). Comment from the homeowner's association board (attached). No additional comments were received from citizens, City staff, or any other entity were received.

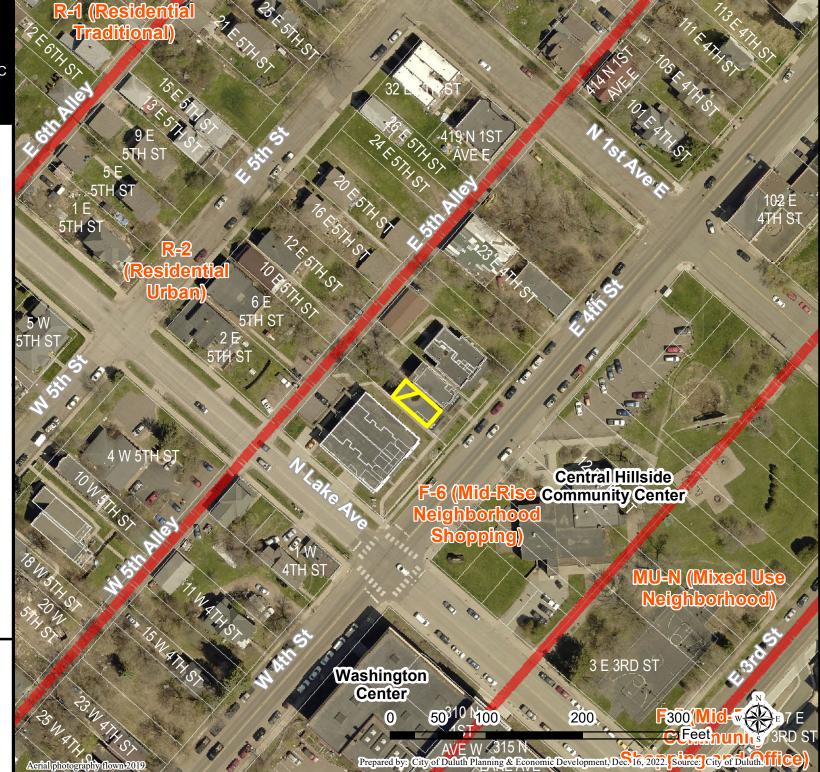

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission approve the permit subject to the following conditions:

- 1) The permit shall not be effective until evidence is given that contact information has been provided to all property owners within 100 feet.
- 2) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
- 3) Any alterations to the approved plans that do not alter major elements of the plan may be approved by the Land Use Supervisor without further Planning Commission review; however, no such administration approval shall constitute a variance from the provisions of Chapter 50.
