Location of Subject	5th Avenue E between 2nd Street and 4th Street			
Applicant	Essentia Health	Contact	John Rice, john.rice@essentiahealth.org	
Agent	Evan Aljoe	Contact	218-727-8446, evan.aljoe@lhbcorp.com	
Legal Description	See attached			
Site Visit Date	May 31, 2015	Sign Notice Date	May 21, 2015	
Neighbor Letter Date	N/A	Number of Letters Sent	N/A	

Proposal

Applicant would like to use the right of way of 5th Avenue East and E 4th Street for private underground utilities to provide emergency power generation and communications wiring for the Essentia campus.

	Current Zoning	Existing Land Use	Future Land Use Map Designation
Subject	MU-I	Right of way	Medical District, Neighborhood Mixed Use
North	MU-I	Essentia campus	Medical District, Neighborhood Mixed Use
South	MU-I	Essentia campus	Medical District
East	MU-I	Essentia campus, mixed use	Medical District, Neighborhood Mixed Use
West	MU-I	Essentia campus	Medical District

Summary of Code Requirements (reference section with a brief description):

UDC Section 50-37.7C. The planning commission shall review the application, and council shall approve the application or approve it with modifications, if it determines that:

1. The proposed concurrent use will not harm or inconvenience the health, safety and general welfare of the city;
2. Any proposed skywalk will significantly improve the circulation of pedestrians in the city without exposure to weather conditions;
3. No portion of a public easement proposed for use is being physically used or occupied by the public.

III.C-1

Comprehensive Plan Findings (Governing Principle and/or Policies) and Current History (if applicable):

Governing Principle #4: Support emerging economic growth sectors

Future Land Use - Medical District: An area encompassing the medical campuses and adjacent areas that support them, with related commercial, office uses and residential uses in the fringe areas of the district.

Recent History: Essentia has been working for the past year on updating its emergency generator and communications capacity. On November 10, 2014, Planning Commission approved the plan for a utility duct bank and electrical penthouse. On April 14, 2015, Planning Commission approved a plan for Essentia's proposed generator building, which will be adjacent to this project.

Discussion (use numbered or bullet points; summarize and attach department, agency and citizen comments):

Staff finds that:

- 1.) Applicant is requesting a Concurrent Use Permit for two underground concrete duct banks, and a 4" PVC sump drain in the right of way of 5th Avenue E and 4th Street. Duct banks will serve existing Essentia properties, located on both sides of 5th Avenue E.
- 2.) Utilities will be located entirely underground and will not impact pedestrian or vehicular traffic.
- 3.) Duct banks will be owned and operated by Essentia. Maintenance of the lines (including locating) will be the responsibility of Essentia. These conditions will also be included as part of the City Council ordinance for this concurrent use permit.
- 4.) Essentia will provide the City with as-built information once the lines are installed.
- 5.) City Engineering staff approve location of conduits as long as Essentia maintains and locates.
- 6.) No other City, agency, or public comments were received.

Staff Recommendation (include Planning Commission findings, i.e., recommend to approve):

Based on the above findings, Staff recommends that Planning Commission recommend approval of the Concurrent Use Permit with the following conditions:

- 1.) The project be limited to, constructed, and maintained according to the Site Plan and Sections, both dated 04/21/15.
- 2.) Maintenance of the lines (including locating) will be the responsibility of Essentia.
- 3.) Essentia will provide the City with as-built information once the lines are installed.
- 4.) Essentia will provide proof of liability insurance to indemnify the City against any occurrences in the right of way that are due to items covered under this permit.
- 5.) Any alterations to the approved plans that do not alter major elements of the plan may be approved by the Land Use Supervisor without further Planning Commission approval; however, no such administrative approval shall constitute a variance from the provisions of Chapter 50.

Attachments (aerial photo with zoning; future land use map; site plan; copies of correspondence)
