Jeff,

Please share the following email, from Councilor Hanson, with all councilors.

Thank you,

~ Emily

President Larson, Councilors:

Today I received the following written responses, via eMail, from Colleen Baggs and Dick Swanson regarding their support for naming the currently unnamed Little League and softball fields behind the historic Wade Stadium (per the tabled resolutions).

Let me know if these confirming eMails satisfy our city and council need to support the consideration and possible passing of the two resolutions on Monday night.

Or, if other information is needed, please let me know at your earliest convenience.

Thanks.

Howie

From Colleen Baggs:

Hello Howie,

Thanks for spearheading this project, I am in full support of the Western Little League field naming in honor of John.

From Dick Swanson:

I understand you have decided to rename the softball fields at Wade in my namesake. That is a very nice gesture and I appreciate that on behalf of all the teams, coaches, and players who have played there.
