SUB-RECIPIENT FUNDING AGREEMENT CONTAMINATION CLEANUP GRANT PROGRAM JAY STREET PROJECT

THIS AGREEMENT, is entered into by and between the CITY OF DULUTH, a municipal corporation under the laws of the State of Minnesota (“City”), and One Roof Community Housing, a Minnesota nonprofit corporation (the “Subgrantee”).

WHEREAS, the City applied to and received approval for funds in the amount of \$214,064.00 from the State of Minnesota, acting by and through its Department of Employment and Economic Development, Business and Community Development Division (“DEED”) under its Contamination Cleanup Grant Program (the “Cleanup Grant”) pursuant to Minnesota Statutes §§ 116J.551-.559; and

WHEREAS, the City desires to award proceeds of the Cleanup Grant in the amount of \$214,064.00 (the “Subgrant”) to Subgrantee, to assist Subgrantee with the development of the site on the real property described on attached **Exhibit A** (the “Property”) by funding a portion of the costs of those elements of the development identified in the Cleanup Grant Agreement identified below (the “Project”).

WHEREAS, the City will provide Subgrantee an additional \$71,355.00 on costs identified in paragraph 4.1 in the Cleanup Grant Agreement as the required local match under the Cleanup Grant (the “Match Funds”).

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. **AWARD.** The City awards the Subgrant to Subgrantee for assessment and/or clean-up activities as are described in Grant Agreement No. CCGP-14-0003-Z-FY14 between the City and DEED attached to this Agreement as **Exhibit B** (the “Cleanup Grant Agreement”) and the Application to DEED, submitted on May 1, 2014, on file in the City’s Business Development Office, both of which are incorporated into this Agreement and are hereinafter referred to as the “Documents.” In the event of a conflict between the Cleanup Grant Agreement, this Agreement and the Grant Application to DEED, the documents shall be deemed to be controlling in the following order: 1) Grant Agreement No. CCGP-14-0003-Z-FY14, 2) this Agreement, and 3) the Grant Application. The Subgrant and Match Funds must be used exclusively to pay or reimburse only expenses authorized under the Cleanup Grant Agreement. Administrative costs incurred by the Subgrantee are not eligible for reimbursement under this Agreement. Notwithstanding anything to the contrary, the Subgrantee understands and agrees that any reduction or termination of the Cleanup Grant will result in a like reduction or termination of the Subgrant, and that any material change in the timeline or scope of the Project as set forth in the Documents must be approved in writing by the City and DEED.

2. **PERFORMANCE.** The Subgrantee must comply with all requirements applicable to the City in the Documents. The Subgrant dollars are grant funds only and cannot be used, treated or converted into any type of loan. Subgrantee's default under the Documents will constitute noncompliance with this Agreement. If the City finds that there has been a failure to comply with the provisions of this Agreement or that reasonable progress on the Project has not been or will not be made, the City may take action to protect its interests, including refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed. If a correction to substandard performance is not completed by the Subgrantee within 30 calendar days, or such longer period specified by the City's Business Resources Manager (the "Manager") after written notice by the City, the City may terminate this Agreement.

3. **TIME OF PERFORMANCE.** Subgrantee must complete the Project on or before May 30, 2016. In order to ensure that all funds are drawn prior to the City's Cleanup Grant Agreement term end date, all payment requests from Subgrantee to the City must be received by the City at least 45 days prior to said term end date. The City is not obligated to pay for any Project costs incurred thereafter.

4. **CONDITIONS PRECEDENT TO DISBURSEMENT.** The following requirements are conditions precedent to the City's disbursement of any of the Subgrant proceeds or Match Funds:

A. The Subgrantee must have provided evidence satisfactory to the Manager showing that Subgrantee has title in fee simple or site control of the Property as required by the Documents or otherwise meets the requirements of DEED.

B. The Subgrantee must have provided to the Manager such evidence of compliance with all of the provisions of this Agreement and the Documents as the City may reasonably request.

5. **DISBURSEMENT.** It is expressly agreed and understood that the total amount to be paid by the City under this Agreement shall not exceed \$285,419.00 payable from Fund No. 255-020-5458 (Economic Development Fund, Planning Department, Payment to Developers). The City will make disbursements only upon receipt of a written payment request in the form provided by DEED (the "Payment Request Form") from Subgrantee acceptable to the City and DEED. Payment requests may be made no more than once per month and must be accompanied by invoices supporting the reimbursement of Subgrantee of Approved Project Costs and such other documentation related thereto as shall be reasonably requested by the Manager. The Payment Request Form must have attached all invoices from each provider to be paid or cost to be reimbursed. The City will, upon its approval of the Payment Request Form and supporting documentation, forward it to DEED for approval. Upon DEED approval of the Payment Request Form and receipt by the City of the approved amounts of Cleanup Grant funds, the City will disburse the approved amount of Subgrant funds and Match Funds in accordance with the information provided in the Payment Request Form.

6. **NOTICES.** Communication and details concerning this Agreement must be directed to the following Agreement representatives:

1. *Compliance with Laws.* The Subgrantee must require that contractors performing work being paid with the Subgrant funds comply with all applicable federal, state and local laws and regulations governing the Project.

2. *OSHA.* Subgrantee must require that contractors performing work being paid with the Subgrant funds be in compliance with all applicable OSHA regulations, especially the Federal Hazardous Waste Operations and Emergency Response Standards (29 C.F.R. 1910.120 and 29 C.F.R. 1926.65).

C. **Termination.** In the event the Cleanup Grant Agreement is terminated, this Agreement shall contemporaneously terminate. Upon termination, Subgrantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed. The terms of this Subparagraph shall be subject to the provisions of Paragraph 8 below.

D. **Independent Contractor.** Nothing contained in this Agreement is intended to, or may be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subgrantee will at all times remain an independent contractor with respect to the services to be performed under this Agreement. The City is exempt from payment of all unemployment compensation, FICA, retirement, life and/or medical insurance and workers' compensation insurance because the Subgrantee is an independent contractor.

E. **Indemnification and Hold Harmless.** The Subgrantee shall hold harmless, defend and indemnify the City and DEED from any and all liability, claims, actions, suits, charges, damages, losses, costs, expenses, and judgments whatsoever, including reasonable attorneys' fees, that arise directly or indirectly out of the Subgrantee's, its contractor's or subcontractor's performance or nonperformance under this Agreement. Claims included in this

indemnification include any claims asserted pursuant to the Minnesota Environmental Response and Liability Act (MERLA), Minnesota Statutes, Chapter 115B; the Federal Comprehensive Environmental Response Compensation and Liability Act of 1980 (CERCLA) as amended, United States Code Title 42, Sections 9601 et. seq.; and the Federal Resource Conservation and Recovery Act of 1976 (RCRA) as amended, United States Code Title 42, Sections 6901 et. seq.

F. Insurance.

1. *Insurance Required.* During the term of this Agreement, Subgrantee and its contractors and subcontractors rendering services being paid with funds from this Agreement shall procure and maintain Public Liability and Automobile Liability Insurance written on an “occurrence” basis under a Comprehensive General Liability Form with “Broad Form” property damage liability coverage, with XCU exclusion removed, in limits of not less than \$1,500,000 per occurrence for personal injury, bodily injury and death, and limits of \$1,500,000 for property damage liability and twice the limits provided when a claim arises out of the release or threatened release of a hazardous substance. If per person limits are specified, they shall be for not less than \$1,500,000 per person and be for the same coverages. Coverages of Subgrantee and its contractors/subcontractors shall include:

- a. Public liability including premises and operations coverage;
- b. Independent contractors’ protective contingent liability;
- c. Personal injury;
- d. Owned, non-owned, and hired vehicles;
- e. Contractual liability covering customary construction contract and subcontract indemnity provisions;
- f. Products—completed operations; and
- g. Workers’ Compensation coverage in required statutory limits. Policy shall carry an “all states” endorsement.

2. *Additional Insurance Requirements.* All insurance required in this Article shall be taken out and maintained in responsible insurance companies organized under the laws of the United States and licensed to do business in Minnesota. The City shall be named as an additional insured under the Public Liability and Automobile Liability Insurance. The use of an “ACORD” form as a certificate of insurance shall be accompanied by two forms: 1) ISO Additional Insured Endorsement (CG-1010 pre-2004) and 2) Notice of Cancellation Endorsement (IL 7002), or their equivalent as approved by the City’s attorney. The City does not represent or guarantee that the types of limits or coverages provided above are adequate to protect Subgrantee’s interests and liabilities.

3. *Certificates of Insurance.* Certificates showing that the above-described insurance is carried in the specified amounts shall be furnished to the City prior to the disbursement of any of the Subgrant proceeds, and a certificate showing continued maintenance of such insurance shall be on file with the City during the term of this Agreement. The form of each certificate of insurance shall contain an unconditional requirement that the insurer notify the City without fail not less than 30 days prior to any cancellation, non-renewal or modification of the policy or coverages evidenced by said certificate and shall further provide that failure to give such notice to the City will render any such change or changes in said policy or coverages ineffective as against the City.

4. *Contractor/Subcontractor Evidence of Insurance.* The Subgrantee must not commence work until any and all contractors/subcontractors have obtained the required proof of insurance which clearly evidences required insurance coverages. If the Subgrantee fails to furnish proof of insurance coverages from the contractors/subcontractors when requested by the City, the City may withhold payments and/or pursue any other rights or remedy allowed under this Agreement, law, equity, and/or statute.

8. **ADMINISTRATIVE REQUIREMENTS.**

A. **Accounting Standards.** The Subgrantee agrees to maintain the necessary source documentation and enforce sufficient internal controls as dictated by generally accepted accounting practices to properly account for expenses incurred under this Agreement.

B. **Records.**

1. *Retention.* Audits and records, including but not limited to all financial and environmental documents related to the funds provided under this Agreement, shall be accessible to authorized representatives of the City for purposes of examination and audit. In addition, the Subgrantee shall give the City, the Legislative Auditor, and the State Auditor's Office, through any authorized representatives, access to and the right to examine all records, books, papers, and documents related to this Agreement for a minimum of six years from the end of the Cleanup Grant Agreement term end date.

2. *Close-Out.* The Subgrantee's obligation to the City does not end until all close-out requirements are completed. Activities during this close-out period include: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and receivable accounts to the City), determining the custodianship of records and resolving audit findings.

C. **Procurement.** The Subgrantee must maintain an inventory record of all nonexpendable personal property procured with funds provided under this Agreement. Program income is income generated from grant-funded activities, including interest earned on grant funds. All unexpended program income must revert to the City upon termination of this Agreement.

9. **MISCELLANEOUS.**

A. **Assignability.** The Subgrantee may not assign or transfer any interest in this Agreement (whether by assignment or novation) without the prior written consent of the Manager; provided, however, that claims for money due or to become due to the Subgrantee from the City under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer must be furnished promptly to the City.

B. **Antitrust.** The Subgrantee hereby assigns to the State of Minnesota any and all claims for overcharges for goods and/or services provided in connection with this contract resulting from antitrust violations which arise under the antitrust laws of the United States and the antitrust laws of the State of Minnesota.

C. **Governing Law and Venue.** This Agreement will be governed by, and construed in accordance with, the laws of the State of Minnesota. The appropriate venue and jurisdiction for any litigation hereunder shall be in a court located in St. Louis County, Minnesota.

D. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which is deemed an original, but all of which taken together constitute one and the same agreement.

E. **Survival.** Any Terms of this Agreement which by their nature extend beyond termination of this Agreement shall survive and bind the parties and their successors and assigns.

F. **Severability.** In the event any provision herein shall be deemed invalid or unenforceable, the remaining provisions shall continue in full force and effect and shall be binding upon the parties to this Agreement.

F. **Entire Agreement.** This Agreement, including Exhibits A and B, constitutes the entire Agreement between the City and Subgrantee and supersedes all prior written and oral agreements and negotiations between the parties relating to the subject matter hereto.
