Subject: Polymet permit application

Dear Duluth City Councilors,

We fully support the Duluth for Clean Water's request for a full fact-based hearing before an impartial judge in advance of any decisions on Polymet's permit to mine application. This matter is so important to the future of the Lake Superior watershed that every Duluthian needs to weigh in on it.

Thank you for your consideration,

Linda & Norm Herron

2617 E. Fifth St,
Duluth, MN 55812
