Subject: Vote Against Evidentiary Hearing Resolution for PolyMet

I urge you to vote against the resolution for an evidentiary hearing for PolyMet and protect our established process. The calling for an evidentiary hearing, in my opinion, is implying that the MPCA technical personnel are not competent to review the submitted permit request and to determine that PolyMet has met and will meet the standards of Minnesota. Clean water is a concern of most people in this state. Let's us let the people that we the citizens of Minnesota pay to protect our environment.
