Subject: Vote Against Evidentiary Hearing Resolution for PolyMet

I urge you to vote against the resolution for an evidentiary hearing for PolyMet and protect our established process.

My name is.
Mike Garramone
My address is.

Duluth, Minnesota 55807
My phone number is.

The city council has no business interfering with the process that has been established to overlook this permitting. If the message of Duluth being a tourist town with minimum wages and a open door policy to non working family's could it bring our beautiful city to become a Chicago?
People have to work and people have to pay taxes.
Don't screw this up like you did the Casino.
Just to refresh your minds, if it wasn't for The City Of Duluth there wouldn't be a Big Bear Casino? Or the WLSSD hook up to Black Bear. There treated waste water would have been dumped in the Otter Creek which connects to the St. Louis River would have destroyed the wild rice in the St. Louis River. Check your history on how our City made Black Bear and Fond Duluth Happen.

I have lived here my whole life, my dad raised 6 kids and a wife based on mining, he sailed on the ore boats his whole career.
So, yes I am pro mining,
And Stay Out Of this Process.
